explore attitudes and practices in relation to diverse student populations including refugee and indigenous peoples and students with special educational needs This volume will benefit researchers academics and educators with an interest in multicultural education international and comparative education as well as educational policy more specifically Those involved with inclusion and special educational needs will also benefit from this volume

**Dialogues between Northern and Eastern Europe on the Development of Inclusion** Natallia Bahdanovich Hanssen, Sven-Erik Hansén, Kristina Ström, 2021-02-28 The concepts of inclusion and inclusive education for children with special education needs SEN have been widely accepted as imperative undertakings in the education spectrum This book posits the practice of these ideas by scrutinizing the methodologies adopted by varied nations of the two regions towards inclusive education along with juxtaposing the dichotomous observations to enable a dialogue regarding the actualization of inclusive education The book looks at the distinct approaches taken by Northern and Eastern European education systems to realize inclusive education for children with SEN and aims to enable a space for dialogue wherein the reader would be able to access the cultural context of each practice expand their cognizance regarding the concept of inclusivity and develop a more nuanced and sensitive approach to inclusive education In the act of exploring the myriad ways in which inclusivity is practiced in the two regions the book thusly provides insights into the pluralities and significance of inclusion in the education sector across a global spectrum The anthology will be of interest to a vast range of audience videlicet individuals students researchers professionals et al invested in the education sector special needs education and pedagogy It further proposes appeal for individuals interested in performing scientific research on the subject The book practically aims to be of interest for any individual invested in the discipline of education development of community and the topics pertaining to education for children with SEN

**Inclusive Schooling** Stanley J. Vitello, Dennis E. Mithaug, 2013-12-16 This book provides new information on how various inclusion policies have been implemented in different schools and school districts in North America and in a range of European countries The purpose of inclusion policy is to prevent the marginalization of people who experience unfavorable circumstances in life It is an approach to the education of students with disabilities that is based on a commitment to what all members of a free society deserve in order to become fully participating members a fair chance to find a meaningful place in their own communities This book is a kind of status report on what inclusive education has achieved and what it may achieve in the future for children and youth with disabilities It describes the philosophical legal and practical terrain covered by inclusion policy in general and inclusive schooling in particular Contributors assess inclusion policy and suggest ways to reconceptualize it bringing to their data analysis a depth of experience and knowledge about public schooling in their respective countries Although inclusion of students with disabilities in general education classes has been embraced by politicians and educators calling for equal opportunity in our society and is being incorporated into national and international education laws it continues to be controversial and the debate is sometimes heated A goal of this

book is to shed some light on this debate Is inclusion mostly about student placement Are students with disabilities attaining social and learning membership in general classrooms Have they benefitted from inclusion How about students without disabilities What have been the benefits Must learning take second priority to socialization and friendship Are teachers getting the training they need How do parents feel about inclusion programs How do students feel What kind of curricular accommodations should be made These and other questions are addressed This volume is based on original papers presented by the contributing authors in October 1997 at the Rutgers Invitational Symposium on Education on Inclusive Schooling National and International Perspectives

**Teacher Education Policy and Practice in Europe** Ana Raquel Simões, Mónica Lourenço, Nilza Costa, 2018-05-11 Teacher Education Policy and Practice in Europe provides a critical overview of the current challenges facing teacher education policy and practice in Europe Drawing on a wide range of contributions the book demonstrates that in order for teachers to reassume their role as agents of change it is crucial to create a vision of a future European teacher and promote active engagement in preparing children to live and act in a multicultural and increasingly changing world The book suggests ways in which teachers could be prepared to meet and overcome the struggles they will encounter in the classroom including recommendations for teacher education which open up new possibilities for policy practice and research Considering their own experiences as teachers contributors also cover topics such as teacher education for the 21st century the profile of the European teacher citizenship and identity social inclusion linguistic and cultural diversity and comparative education Teacher Education Policy and Practice in Europe is essential reading for academics researchers and postgraduate students engaged in the study of teacher education educational policy and educational theory It should also be of great interest to research active teacher educators and practising teachers
