The Speeches of

Thucydides Thucydides,1973 Thucydides ju sddi z Ancient Greek Thoukyd d s c 460 c 395 BC was a Greek historian and Athenian general His History of the Peloponnesian War recounts the 5th century BC war between Sparta and Athens to the year 411 BC Thucydides has been dubbed the father of scientific history because of his strict standards of evidence gathering and analysis in terms of cause and effect without reference to intervention by the gods as outlined in his introduction to his work Wikipedia *Speeches for the Dead* Harold Parker,Jan Maximilian Robitzsch,2018-06-25 The Menexenus in spite of the dearth of scholarly attention it has traditionally received compared to other Platonic texts is an important dialogue for any consideration of Plato s views on political philosophy history and rhetoric to say nothing of the dialogue s contribution to the study of civic ideology and institutions natural law theory and Plato s notion of race *Speeches for the Dead* unites the contributions of scholars working on diverse aspects of the dialogue growing out of a one day workshop on the same subject at the University of Pennsylvania organized by the editors In offering a variety of perspectives on the Menexenus the volume is the very first of its kind in any language In addition the volume contains an up to date bibliography of scholarship in English French German and Italian This makes the book a definitive guide and ideal starting point for advanced students and scholars looking for further information about the dialogue *Extemporary Speech in Antiquity* Hazel Louise Brown,1914

Thucydides and the Shaping of History Emily Greenwood,2015-03-02 Thucydides work was one of the most exciting creations in the cultural history of Greece in the fifth century BC one of only two monumental prose works to have survived and it still poses fresh and challenging questions about the writing of history In the twenty first century it still challenges the reader there is a marked tension in Thucydides History between his aim to write about contemporary events and his desire that his work should outlast the period in which he composed it Thucydides and the Shaping of History addresses two important issues how contemporary was the History when it was written in the fifth century and how contemporary is it now This book approaches the shaping of history from three different angles the way in which Thucydides shaped history and how his narrative shapes our experience as readers of the History the relationship between Thucydides work and contemporary institutions such as the theatre and the role that ancient readers and modern scholars have played in shaping how we perceive the History This book combines a close analysis of Thucydides narrative with a discussion of its intellectual motivation it examines how the historian attempted to determine the way in which readers would respond to his conception of the events of the Atheno Peloponnesian War and to ensure the continuing influence of his ideas **Thucydides and the Tradition of Funeral Speeches at Athens** John E. Ziolkowski,1981 **Politics and Philosophy in Plato's Menexenus** Nickolas Pappas,Mark Zelcer,2015-05-01 Menexenus is one of the least studied among Plato s works mostly because of the puzzling nature of the text which has led many scholars either to reject the dialogue as spurious or to consider it as a

mocking parody of Athenian funeral rhetoric In this book Pappas and Zelcer provide a persuasive alternative reading of the text one that contributes in many ways to our understanding of Plato and specifically to our understanding of his political thought The book is organized into two parts In the first part the authors offer a synopsis of the dialogue address the setting and its background in terms of the Athenian funeral speech and discuss the alternative readings of the dialogue showing their weaknesses and strengths In the second part the authors offer their positive interpretation of the dialogue taking particular care to explain and ground their interpretive criteria and method which considers Plato's text not simply as a decontextualized collection of philosophical arguments but offers a theoretically reading of the text that situates it firmly within its historical context The book will become a reference point in the debate about the Menexenus and Plato's political philosophy more generally and marks an important contribution to our understanding of ancient thought and classical Athenian society

Thucydides and the Peloponnesian War George Cawkwell, 2006-10-19 Understanding the history of Athens in the all important years of the second half of the fifth century B C is largely dependent on the work of the historian Thucydides Previous scholarship has tended to view Thucydides account as infallible This book challenges that received wisdom advancing original and controversial views of Thucydides account of the Peloponnesian War his misrepresentation of Alcibiades and Demosthenes his relationship with Pericles and his views on the Athenian Empire Cawkwell's comprehensive analysis of Thucydides and his historical writings is persuasive erudite and an immensely valuable addition to the scholarship and criticism of a rich and popular period of Greek history

The Homeric Êthos, Cimonian-Periclean Rivalry and the Speeches of Pericles in Thucydides' Account of the Athenian-Peloponnesian War Mark Alexander Lypeckyj, 2000 The speeches in Thucydides have long been a source of lively historical controversy Many scholars have discounted their historical veracity in differing degrees This has been true even of the speeches of Pericles particularly his famous Funeral Oration although scholarly objections to the content and tone of the Periclean speeches have largely been of a purely subjective nature However an examination of how the Homeric êthos with its stringent demand for the studied cultivation and possession of timê and arête functions within the speeches of Pericles as a key motivating force for the steadfast pursuance of a highly aggressive foreign policy sheds an interesting light on the question of the historical nature of the speeches and the outbreak of the Athenian Peloponnesian War In conjunction with this Homeric reading to the speeches a further consideration of the more realistic analyses of modern manifestations of Realpolitik in the sphere of international politics and diplomacy adduces additional support for the acceptance of the speeches of Pericles as important forms of historical evidence for the basic workings of Machtpolitik

Harper's New Monthly Magazine Henry Mills Alden, Frederick Lewis Allen, Lee Foster Hartman, Thomas Bucklin Wells, 1892 Important American periodical dating back to 1850

The Humanity of Thucydides Clifford Orwin, 2020-10-06 Thucydides has long been celebrated for the unflinching realism of his presentation of political life And yet as some scholars have asserted his work also displays a profound humanity In the first

thorough exploration of the relation between these two traits Clifford Orwin argues that Thucydides humanity is not a reflection of the author s temperament but an aspect of his thought above all of his articulation of the central problem of political life the tension between right and compulsion This book provides the most complete treatment to date of Thucydides handling of the problem of injustice as well as the most extensive interpretations yet of the speeches in which it comes to light Thucydides does not merely display the weakness of justice in the world but joins his characters in exploring the implications of this weakness for our understanding of what justice is Orwin pursues this question through Thucydides work and relates it to the historian s other leading concerns such as the contrast between the Athenian way and the Spartan way the role of piety in political life the interaction of foreign and domestic politics and the role of statesmanship in a world dominated by frenzies of hope fear and indignation Above all Orwin demonstrates the richness complexity and daring of Thucydides articulation of these issues *The Quarterly Review* ,1884 **Harper's New Monthly Magazine** ,1892

Hellenica Evelyn Abbott,1880 **Tom Watson's Magazine** Thomas Edward Watson,1905 **Watson's Magazine** ,1905 **Speech in Ancient Greek Literature** ,2021-12-06 Speech in Ancient Greek Literature is the fifth volume in the series Studies in Ancient Greek Narrative There is hardly any Greek narrative text without speech which need not surprise in the literature of a culture which loved theatre and also invented the art of rhetoric This book offers a full discussion of the types of speech the modes of speech and their effective alternation and the functions of speech from Homer to Heliodorus including the Gospels For the first time speech introductions and speech in speech are discussed across all genres All chapters also pay attention to moments when characters do not speak **The Structure of Thucydides' History** Hunter R. Rawlings III,2014-07-14 In a new and controversial interpretation of the literary structure of Thucydides history of the Peloponnesian War Hunter Rawlings contends that Thucydides consciously divided the war into two parallel ten year conflicts with a period of nominal peace in the middle Originally published in 1981 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 The Tragedy of the Athenian Ideal in Thucydides and Plato John T. Hogan,2020-07-01 John T Hogan s The Tragedy of the Athenian Ideal in Thucydides and Plato assesses the roles of Pericles Alcibiades and Nicias in Athens defeat in Thucydides Peloponnesian War Comparing Thucydides presentation of political leadership with ideas in Plato s Statesman as well as Laches Charmides Meno Symposium Republic Phaedo Sophist and Laws it concludes that Plato and Thucydides reveal Pericles as lacking the political discipline sophrosune to plan a successful war against Sparta Hogan argues that in his presentation of the collapse in the Corcyraean revolution of moral standards in political discourse Thucydides shows how

revolution destroys the morality implied in basic personal and political language This reveals a general collapse in underlying prudential measurements needed for sound moral judgment Furthermore Hogan argues that the Statesman s outline of the political leader serves as a paradigm for understanding the weaknesses of Pericles Alcibiades and Nicias in terms that parallel Thucydides direct and implied conclusions which in Pericles case he highlights with dramatic irony Hogan shows that Pericles failed both to develop a sufficiently robust practice of Athenian democratic rule and to set up a viable system for succession

Speeches Of Pericles Introduction

In the digital age, access to information has become easier than ever before. The ability to download Speeches Of Pericles has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Speeches Of Pericles has opened up a world of possibilities. Downloading Speeches Of Pericles provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Speeches Of Pericles has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Speeches Of Pericles. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Speeches Of Pericles. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Speeches Of Pericles, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Speeches Of Pericles has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
