## **Speed The Plow A Play:**

**Speed-the-Plow** David Mamet, 2014-09-30 Speed the Plow is an exhilaratingly sharp comical disturbing play about the power of money and sex in Hollywood and how they corrupt two movie producers Speed the Plow opened at Lincoln Center to sold out seats rave reviews and much fanfare in March 1988 starring Madonna Joe Mantegna and Ron Silver and later moved to and had a long standing run on Broadway

**Speed-the-plow** David Mamet, 1988 Speed the Plow s Broadway run is the most recent triumph of the Pulitzer Prize winning author s astonishingly productive career By turns hilarious and chilling the culmination of this playwright s work to date Riveting theater Frank Rich New York Times A brilliant black comedy a dazzling dissection of Hollywood cupidity and another tone poem by our foremost master of the language of moral epilepsy On its deepest level it belongs with the darker disclosures of movie biz pathology like Nathanael West s The Day of the Locust and F Scott Fitzgerald s The Last Tycoon In a sense Speed the Plow distills all of these to a stark quintessence there s hardly a line in it that isn t somehow insanely funny or scarily insane It is a scathingly comic play Jack Kroll Newsweek

**Speed-the-plow** David Mamet, 1985 New York Magazine , 1988-05-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

**Imagination in Transition** Bruce Barton, 2005 The move from playwright to cinema screenwriter and director is a rare accomplishment No American writer has achieved this transition with the level of success enjoyed over the past two decades by David Mamet Over this same period Mamet has also authored a body of aggressive critical writing that demonstrates enduring aesthetic and ideological preoccupations regularly expressed as a set of confident best practices However the relationship between theory and practice becomes particularly and productively rowdy at the sites of Mamet s transitional media crossing Imagination in Transition establishes a flexible set of core characteristics of Mamet s dramatic and theatrical dramaturgy and then compares these with the textual and cinematographic strategies employed by Mamet in his initial transitional feature films This study then offers both an innovative approach to Mamet s work and an illuminating framework for cross media analysis

contemporary American dramatist available David Mamet A Resource and Production Sourcebook is the result of ten years research by a widely published drama and theatre scholar and a university bibliographic specialist Presenting a complete overview of all reviews and scholarship on Mamet the authors challenge assumptions about the playwright such as the charge that he is an antifeminist writer This comprehensive sourcebook is an essential purchase for Mamet scholars and students of American drama alike David Mamet A Resource and Production Sourcebook reflects the revolution underway in the study of drama in which not only previous scholarship but performance reviews are a necessary part of research It gives a complete listing and overview of over 250 scholarly articles and chapters of books on Mamet s plays It also presents the complete production history of each play including review excerpts The authors have produced an invaluable guide to research into this key contemporary dramatist

**Directing David Mamet's Speed the Plow** Jacqueline A. Loewy,1999 **Hollywood on Stage** Kimball King,2013-07-04 Playwrights have been depicting Hollywood as a cultural desert and an industry of profit driven philistines ever since the early days of the movies This collection of original essays covers the period from the 1920s to the present but concentrates on such contemporary playwrights as David Mamet Sam Shepard David Rabe Arthur Kopit and Adrienne Kennedy A substantial proportion of the volume is devoted to a discussion of the way in which these authors deconstruct Hollywood myths to reveal painful social and psychological issues in American life providing a deeper and darker picture than the simple satires of movie making in the 1920s and 1930s or Odets s comparison of the commercially debased Hollywood with the higher purer art of the theatre To complete and further complicate the picture the volume concludes with essays on the African American experience gay writers and feminist writing as seen through the lens of Marlane Myer s ETTA JENKS It is obvious that the legitimate stage remains a watchdog and constant critic of what is possibly the world s most powerful cultural phenomenon This book will be eagerly read by all students of film theatre and 20th century literature
