Publishers Weekly ,1942 *Current List of Medical Literature* ,1942-07 **Against Their Will** Allen M. Hornblum,Judith L. Newman,Gregory J. Dober,2013-06-25 The sad history of young children especially institutionalized children being used as cheap and available test subjects the raw material for experimentation started long before the atomic age and went well beyond exposure to radioactive isotopes Experimental vaccines for hepatitis measles polio and other diseases exploratory therapeutic procedures such as electroshock and lobotomy and untested pharmaceuticals such as curare and thorazine were all tested on young children in hospitals orphanages and mental asylums as if they were some widely accepted intermediary step between chimpanzees and humans Occasionally children supplanted the chimps Bereft of legal status or protectors institutionalized children were often the test subjects of choice for medical researchers hoping to discover a new vaccine prove a new theory or publish an article in a respected medical journal Many took advantage of the opportunity One would be hard pressed to identify a researcher whose professional career was cut short because he incorporated week old infants ward bound juvenile epileptics or the profoundly retarded in his experiments In short involuntary non therapeutic and dangerous experiments on children were far from an unusual or dishonorable endeavor during the last century **Plague Ship** Frank G. Slaughter, From the Author of Code Five Doctor s Wives and Doctor s Daughters High in the Andes Mountains of Peru an archaeologist stumbles upon an ancient tomb unwittingly releasing the germs from a civilization doomed by a plague over 5 000 years ago What happens when this deadly organism for which there is no antidote reappears forms the basis of this sensational novel by the author of Code Five This is the story of one man in particular Dr Grant Reed and the dedicated crew of the international hospital ship Mercy as they set about the task of quarantining the first victims of a hideous plague Set adrift by frightened Peruvians the aging and crippled ship faces a hurricane mutinous patients and even a pair of great white sharks grisly mascots of a ship of death Frank Slaughter here takes on one of the most important and exciting subjects to be found among his novels the complex high stakes world of interglobal medicine taking us behind the

public deeds to the private people whose courage can make the difference between today's flus and tomorrow's headlines This is one of Frank Slaughter's finest medical suspense stories a superbly thrilling tale based on some all too real possibilities

Pilgrims in Paradise Frank G. Slaughter, It was a cold winter day in the England of 1647 and Paul Sutton a young doctor began to feel the lure of the tropics But when he signed on as medical officer to a shipload of pilgrims bound for the Bahamas the beckoning attractions spelled far more than escape for Paul knew that the pilgrims leader his own brother was a religious fanatic Throughout the journey Paul tried to help and understand his brother Silas for he knew the resolve that motivated the Puritan band to seek a new home But despite his efforts Paul soon found himself enveloped in the torment of a deep and forbidden love for the beautiful Anne Trevor his brother's fiancée PILGRIMS IN PARADISE with its remarkable portrait of a religious zealot bent on carrying the cause of the non-conformists to the New World of the settlement and incipient rebellion against Silas' iron rule of bigotry superstition and passion of war and trial for life is rewarding and realistic reading another in Frank G. The Stonewall Brigade Frank G. Slaughter, A Novel of the American Civil War David Preston was an officer in the U.S. Army before Virginia seceded from the Union Then with most of his fellow Virginians he offered himself in the service of the Confederacy Assigned to Col. T. J. Jackson's 1st brigade at Harper's Ferry he quickly began applying the expertise in military medicine he had gained as an observer with Garibaldi's forces in Italy He'd met Abe Lincoln once in Washington Now he was to encounter the likes of J. E. B. Stuart the dashing cavalry commander Robert E. Lee Jubal Early and especially Stonewall Jackson that puzzling blend of professor Bible scholar and dazzling military genius David was to follow Jackson through all his campaigns right up to the last one at Chancellorsville where a stray bullet ended the great general's life And David was then to see the Confederate cause gallantly go down to defeat as Grant's armies closed their iron circle around Richmond But always in the back of David's mind was Araminta the Cherokee woman he would marry if he survived the war She was caught up in the political intrigues over the fate of the Cherokee nation after the war and her Southern sympathies led her to take chances which endangered her safety and perhaps her life Human tragedies interweave and blend with the broad sweep of military maneuvers in this large scale historical novel about the men who fought with Stonewall Jackson during the Great War of Secession [A Dictionary of Writers and their Works](#) Christopher Riches, Michael Cox, 2015-01-29 Over 3,200 entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non-fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60,000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer's nationality and birth death dates

Slaughter, Dr Jud Tyler had almost decided that it had been a mistake to come back to Framingham and his first sight of the old hospital building in an advanced stage of dilapidation only strengthened that conviction But waiting inside those grimy walls was a world Dr Tyler had never known and Dr Tyler's confrontation with it would leave them both profoundly changed forever Some of the people in that world Chuck Rogers Jud Tyler's Army Chaplain in Viet nam now fighting another kind of war in a slum hospital Asa Ford the Superintendent of St Luke's Hospital whose ethics have slipped so far that he is about to fall over them Samantha Fellowes rich young beautiful divorcee whose need for a doctor has nothing to do with medicine Eric Cates a voice of reason among the town's black militants who is willing to pay his debt to the white man who made his education possible even when it puts him in danger Kathryn Galloway beautiful red haired nurse whose super efficiency hides a heart bruised once too often in the game of love Angus Claiborne millionaire slum lord who is just about to discover how expensive sub standard housing can be to the owner These are some of the people who help make Frank Slaughter's novel a fascinating dramatic excursion into some of the simmering situations that threaten to explode in cities all across the nation CODE FIVE FRANK G SLAUGHTER Code Five Code Five The man at the head of the stretcher shouted and his words signalled the gravest of all emergency conditions cardiac arrest But the words might well have been sounded for St Luke's Hospital itself overcrowded understaffed run down a veritable dumping ground for all the city's charity cases for her heart also seemed to have stopped Only one man had any hope for her future and that hope was centered on a bitter war wounded unhappy surgeon with crippled hands **Fort Everglades** Frank G.
