The A to Z of Mormonism Davis Bitton, Thomas G. Alexander, 2009-11-25 Mormonism is the unofficial name for The Church of Jesus Christ of Latter Day Saints which originated in the early 1800s Mormonism refers to the doctrines taught by Joseph Smith doctrines that are believed to be original gospel preached by Jesus Christ The Mormons oppose abortion homosexuality unmarried sexual acts pornography gambling tobacco consuming alcohol tea coffee and the use of drugs Despite its relatively young age the Mormon Church continues to grow and today it contains about 13 million members The A to Z of Mormonism relates the history of the Mormon church through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on crucial persons organizations churches beliefs and events Clearing up many of the misconceptions held about Mormonism and its members this is an essential reference

Mormonism W. Paul Reeve, Ardis E. Parshall, 2010-08-13 Covering its historic development important individuals and central ideas and issues this encyclopedia offers broad historical coverage of The Church of Jesus Christ of Latter day Saints Mormonism A Historical Encyclopedia helps readers explore a church that has gone from being an object of ridicule and sometimes violent persecution to a worldwide religion counting prominent businesspeople and political leaders among its members including former Massachusetts governor and recent presidential candidate Mitt Romney The encyclopedia begins with an overview of The Church of Jesus Christ of Latter day Saints six essays cover the church s history from Joseph Smith s first vision in 1820 to its current global status This provides

a context for subsequent sections of alphabetically organized entries on key events and key figures in Mormon history A final section looks at important issues such as the church s organization and government its teachings on family Mormonism and blacks Mormonism and women and Mormonism and Native Americans Together these essays and entries along with revealing primary sources portray the Mormon experience like no other available reference work *American Religious Leaders* Timothy L. Hall,2014-05-14 Profiles the lives and achievements of more than 270 spiritual leaders arranged alphabetically who made major contributions to the history of American religious life *Historical Dictionary of the Latter-day Saints* Thomas G. Alexander,Davis Bitton,2019-10-08 The Church of Jesus Christ of Latter day Saints is a Christian church that was organized by six men in western New York in 1830 under the leadership of Joseph Smith the church has grown to more than 16 million members today A restoration of the primitive church organized by Jesus Christ in the first century C E the church s membership was originally all Americans The church is now however a worldwide church with more members who live outside the United States than inside The fourth edition of *Historical Dictionary of the Latter day Saints* contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on the important people ideas doctrine and events during the hundred ninety year history of The Church of Jesus Christ of Latter day Saints This book is an excellent resource for students researchers and anyone wanting to know more about The Church of Jesus Christ of Latter day Saints **The Mormon Church and Blacks** Matthew L Harris,Newell G. Bringhurst,2015-11-15 The year 1978 marked a watershed year in the history of The Church of Jesus Christ of Latter day Saints as it lifted a 126 year ban on ordaining black males for the priesthood This departure from past practice focused new attention on Brigham Young s decision to abandon Joseph Smith s more inclusive original teachings *The Mormon Church and Blacks* presents thirty official or authoritative Church statements on the status of African Americans in the Mormon Church Matthew L Harris and Newell G Bringhurst comment on the individual documents analyzing how they reflected uniquely Mormon characteristics and contextualizing each within the larger scope of the history of race and religion in the United States Their analyses consider how lifting the ban shifted the status of African Americans within Mormonism including the fact that African Americans once denied access to certain temple rituals considered essential for Mormon salvation could finally be considered full fledged Latter day Saints in both this world and the next Throughout Harris and Bringhurst offer an informed view of behind the scenes Church politicking before and after the ban The result is an essential resource for experts and laymen alike on a much misunderstood aspect of Mormon history and belief **Second-Class Saints** Matthew L. Harris,2024 On June 9 1978 Church of Jesus Christ of Latter day Saints LDS president Spencer W Kimball announced a revelation lifting the church s 126 year old ban barring Black people from the priesthood and Mormon temples It was the most significant change in LDS doctrine since the end of polygamy almost 100 years earlier Drawing on never before seen private papers of LDS apostles and church presidents including Spencer W Kimball Matthew L Harris probes the plot twists

and turns the near misses and paths not taken of this incredible story **Saints: The Story of the Church of Jesus Christ in the Latter Days** The Church of Jesus Christ of Latter-day Saints, 2024-10-29 The first three volumes of Saints tell the story of The Church of Jesus Christ of Latter day Saints from Joseph Smith's First Vision to the dedication of the first temple outside North America Now the fourth volume carries the story to the present day recounting the Church's astounding growth and inspired development since 1955 As the book opens the Church has nine temples and more than one million members Thousands of missionaries are preaching the restored gospel of Jesus Christ throughout the world And for the first time in history sacred saving ordinances are available in multiple languages But the work of the Lord is not yet done While many nations kindreds tongues and people thirst for restored truth the world is troubled by war civil unrest sickness hunger and prejudice The Latter day Saints too have much to learn about each other as the Church spreads far and wide welcoming people from many cultures and traditions The Lord's command to be one has never been more vital or more challenging for His people to follow Sounded in Every Ear is the final book in Saints a new four volume narrative history of The Church of Jesus Christ of Latter day Saints Fast paced meticulously researched and written under the direction of the First Presidency Saints recounts true stories of Latter day Saints across the globe and answers the Lord's call to write a history for the good of the church and for the rising generations Doctrine and Covenants 69:8 **The Mormon Hierarchy** D. Michael Quinn, 1997 The Mormon church today is led by an elite group of older men nearly three quarters of whom are related to current or past general church authorities This dynastic hierarchy meets in private neither its minutes nor the church's finances are available for public review Members are reassured by public relations spokesmen that all is well and that harmony prevails among these brethren But by interviewing former church aides examining hundreds of diaries and drawing from his own past experience as an insider within the Latter day Saint historical department D Michael Quinn presents a fuller view His extensive research documents how the governing apostles seventies and presiding bishops are likely to be at loggerheads as much as united These strong willed independent men like directors of a large corporation or supreme court justices lobby among their colleagues forge alliances out maneuver opponents and broker compromises There is more clandestine political activities investigative and punitive actions by church security forces personal loans from church coffers later written off as bad debts and other privileged power vested activities Quinn considers the changing role and attitude of the leadership toward visionary experiences the momentous events which have shaped quorum protocol and doctrine and day to day bureaucratic intrigue from the time of Brigham Young to the dawn of the twenty first century The hierarchy seems at root well intentioned and even at times aggressive in fulfilling its stated responsibility which is to expedite the Second Coming Where they have become convinced that God has spoken they have set aside personal differences offered unqualified support and spoken with a unified voice This potential for change when coupled with the tempering effect of competing viewpoints is something Quinn finds encouraging about Mormonism But one should not assume that these men are infallible

or work in anything approaching uninterrupted unanimity **Psalms, Proverbs, and Parables** Andrew S. Weeks, 2001-10
The Bible's greatest value is its doctrinal and prophetic message the Old Testament's foretelling of a coming Messiah and the New Testament's fulfillment of Old Testament prophecy the literal coming of Christ the Son of God and what bearing His life's work has upon the human race We must not overlook the Bible's peculiar doctrinal stance in world history and we should thank the Jews for that Book of books which is the Bible But where does the Bible stand in literary terms Surely we must not overlook the Bible's peculiar literary stance in world history The Bible with its prophetic imagery poetic praises and parabolic analogy is one of the world's greatest literary works Perhaps none of its writings show this more than does the Psalms Proverbs and parables From the Introduction With an insightful introduction on the literary gems of the Psalms Proverbs and parables this compilation is a fine contribution to any religious or inspirational library sure to inspire a more careful and serious reading of one of the world's greatest texts the Holy Bible **Tabernacles of Clay** Taylor G. Petrey, 2020-04-17
Taylor G. Petrey's trenchant history takes a landmark step forward in documenting and theorizing about Latter-day Saints LDS teachings on gender sexual difference and marriage Drawing on deep archival research Petrey situates LDS doctrines in gender theory and American religious history since World War II His challenging conclusion is that Mormonism is conflicted between ontologies of gender essentialism and gender fluidity illustrating a broader tension in the history of sexuality in modernity itself As Petrey details LDS leaders have embraced the idea of fixed identities representing a natural and divine order but their teachings also acknowledge that sexual difference is persistently contingent and unstable While queer theorists have built an ethics and politics based on celebrating such sexual fluidity LDS leaders view it as a source of anxiety and a tool for the shaping of a heterosexual social order Through public preaching and teaching the deployment of psychological approaches to cure homosexuality and political activism against equal rights for women and same sex marriage Mormon leaders hoped to manage sexuality and faith for those who have strayed from heteronormativity Spencer W. Kimball Francis M. Gibbons, 1995 **Lengthen Your Stride** Edward L. Kimball, Spencer W. Kimball, 2005 **Latter-day History of the Church of Jesus Christ of Latter-day Saints** Petrea Kelly, 2000 Gives a history of the Church of Jesus Christ of Latter-day Saints through the lives of its presidents Journal of Mormon History, 2008 **Historical Dictionary of Mormonism** Davis Bitton, 2000 On an introductory level this book describes the historical phases the leaders and other prominent individuals and Mormon activities in different geographical locations Indispensable for outsiders as well as Mormons wishing to inform themselves specialized vocabulary including historical organizational and theological terms is listed and defined **Brigham Young University Studies** Brigham Young University, 2008 A voice for the community of LDS scholars Santos: La historia de la Iglesia de Jesucristo en los últimos días, tomo IV La Iglesia de Jesucristo de los Santos de los Últimos Días, 2024-10-29 Tomo IV de Santos En la historia de la Iglesia de Jesucristo en los últimos días se relata el rápido crecimiento de la Iglesia y la fe extraordinaria de sus miembros durante los últimos setenta años El libro comienza en

Latter-day Saint Courtship Patterns Mary Jane Woodger, Thomas B. Holman, Kristi A. Young, 2007-08-31 For years many have observed the notion that there are a number of distinctive differences in the mate selection process of Latter day Saints LDS and other North Americans Because of the strongly held values espoused by the Church of Jesus Christ of Latter day Saints in regard to marriage within the larger picture of American cultural patterns there are many Mormon sub cultural differences Unique LDS culture patterns have been found to be an expression of a young adult LDS Church member s paradigms of life s meanings This book combines cutting edge scholarly research with items of popular interest analyzing and summarizing data and research already collected Making commitments is vital to LDS life and affects the mate selection process Parental attitudes values and interpretations of accepted codes within the Church have developed into traditions that constitute a complex Mormon lore Therefore the book s approach is a detailed comprehensive report of the author s research that uniquely incorporates folklore data This volume defines the formation of heterosexual relationships culminating in marriage of LDS couples from 1960 to 2005 and compares this pattern to that of other cultural courtships The study will assist future researchers in their analysis of the family and have a direct influence on further exploration of what constitutes successful LDS families

Spencer W Kimball Resolute Disciple Prophet Of God: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. Spencer W Kimball Resolute Disciple Prophet Of God : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Spencer W Kimball Resolute Disciple Prophet Of God : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
