The Vital Message (EasyRead Comfort Edition) Arthur Conan Doyle,1919 *The History of Spiritualism* Arthur Conan Doyle,2018-02-21 Arthur Conan Doyle discusses how the spiritualism movement began and grew and how he himself came to believe that talking with the spirits of the deceased was possible The core tenet of spiritualism is the belief that the spirits of the deceased can communicate with the living In order to establish contact a person can attend a seance or privately consult the services of a spiritualist medium Mediums are persons deemed consistently able to attain communication with spirits and receive messages from the spirit realm Doyle s history recounts a number of incidents and people pertaining to spiritualism and the growth of interest over the years Many of the events date to the 19th and early 20th centuries and Doyle quotes various testimonies in support of spirit manifestations The behaviors and messages of spirits are described while the author s own personal journey toward adherence is likewise alluded to When Doyle professed his adherence to spiritualism in 1916 the public s reaction was mostly one of surprise and dismay The stark differences between Doyle s legendary character Sherlock Holmes who has a definitive commitment to logic and reason when solving his cases and the unscientific practices of spiritualism proved irksome to many of Doyle s fans Critics included Harry Price a man famous for exposing and debunking spurious mediums While Price praised Doyle s affable personality he deemed the author uncritical and overly accepting of spiritualist incidents to the point of naivete Despite this disparagement many modern day spiritualists and fans of Arthur Conan Doyle remain interested in the writer s beliefs and interpretations [The History of Spiritualism](#) Arthur Conan Doyle,2008-11-05 Books for All Kinds of Readers ReadHowYouWant offers the widest selection of on demand accessible format editions on the market today Each edition has been optimized for maximum readability using our patent pending conversion technology We are partnering with leading publishers around the globe to create accessible editions of their titles Our goal is to have accessible editions simultaneously released with publishers new books so that all readers can have access to the books they want to read today **The History of Spiritualism, Vol. I and II** Arthur Conan Doyle, Sir,2015-09-04 Sir Arthur Ignatius Conan Doyle 1859 1930 was a Scottish physician and writer who is most noted for his fictional stories about the detective Sherlock Holmes which are generally considered milestones in the field of crime fiction He is also known for writing the fictional adventures of a second character he invented Professor Challenger and for popularising the mystery of the Mary Celeste He was a prolific writer whose other works include fantasy and science fiction stories plays romances poetry non fiction and historical novels [The New Revelation](#) Arthur Conan Doyle,2014-03 This Is A

New Release Of The Original 1918 Edition **The New Revelation** Arthur Conan Doyle, 1918 Many more philosophic minds than mine have thought over the religious side of this subject and many more scientific brains have turned their attention to its phenomenal aspect So far as I know however there has been no former attempt to show the exact relation of the one to the other I feel that if I should succeed in making this a little more clear I shall have helped in what I regard as far the most important question with which the human race is concerned A celebrated Psychic Mrs Piper uttered in the year 1899 words which were recorded by Dr Hodgson at the time She was speaking in trance upon the future of spiritual religion and she said In the next century this will be astonishingly perceptible to the minds of men I will also make a statement which you will surely see verified Before the clear revelation of spirit communication there will be a terrible war in different parts of the world The entire world must be purified and cleansed before mortal can see through his spiritual vision his friends on this side and it will take just this line of action to bring about a state of perfection Friend kindly think of this We have had the terrible war in different parts of the world The second half remains to be fulfilled **The History of Spiritualism Vol I** Arthur Conan Doyle, 2017-02-25 Sir Arthur Ignatius Conan Doyle KStJ DL 22 May 1859 7 July 1930 was a British writer and physician most noted for creating the fictional detective Sherlock Holmes and writing stories about him which are generally considered milestones in the field of crime fiction He is also known for writing the fictional adventures of a second character he invented Professor Challenger and for popularising the mystery of the Mary Celeste He was a prolific writer whose other works include fantasy and science fiction stories plays romances poetry non fiction and historical novels **The History of Spiritualism, Vol. I and Vol. II** Arthur Conan Doyle, Sir, 2014-09-25 Sir Arthur Ignatius Conan Doyle 1859 1930 was a Scottish physician and writer who is most noted for his fictional stories about the detective Sherlock Holmes which are generally considered milestones in the field of crime fiction He is also known for writing the fictional adventures of a second character he invented Professor Challenger and for popularising the mystery of the Mary Celeste He was a prolific writer whose other works include fantasy and science fiction stories plays romances poetry non fiction and historical novels [The Vital Message](#) Arthur Conan Doyle, 2025-06-17 The Vital Message by Arthur Conan Doyle traverses the ethereal realms of thought and belief delving into profound questions about existence spirituality and the nature of consciousness In this intriguing work Doyle already renowned for his literary creations embarks on an exploration of spiritualism and the mysteries that lie beyond the physical world Written during a time when the New Thought movement gained popularity this book reflects the growing fascination with life after death and the quest for understanding our place in the universe From the outset Doyle presents an impassioned argument for the existence of a greater reality that extends beyond earthly bounds He shares from his personal experiences and mystical encounters making the case that humanity is more than mere corporeal beings but rather participants in a grand cosmic design As readers accompany Doyle on his intellectual journey they find themselves pondering the very essence of existence and the interconnectedness of all beings The narratives he weaves are
