Applause Books This provocative collection and major publishing event brings together the critical highlights of the well known New York cultural critic John Simon Covering a span of more than three decades it includes previously published work from New York the Hudson Review National Review Opera News the New Leader and other notable publications The theatre volume contains selected reviews that are as eloquent as they are famously provocative reviews that can enrage but always entertain Simon covers a wide range of New York productions from the East Village to Broadway examining all with the same rigor and high expectations A SAMPLE Simon on Vanessa Redgrave in Long Day's Journey into Night The highly accomplished Redgrave gets some details right but the overarching mental unstableness she exudes is so excessive as to make one wonder whether she is playing or being unhinged New York Magazine, 1992-11-02 New York magazine was

Chekhov politics and celebrity to family fashion and real estate Whether fretting over her figure discovering her gentile roots proclaiming her love for ordered in breakfasts lobbying for affordable theater or writing tenderly about her very Jewish mother and her own daughter born when she was forty eight and single Wasserstein reveals the full dizzying life of a shiksa goddess with unabashed candor and inimitable style **Beyond the Golden Door** J. Ciociola,2015-08-31 Although Wasserstein calls herself a humanist her works reflect a political rhetoric if cloaked in humor that she herself could not imagine to be anything but feminist Shaped by literal cultural and materialistic feminist theory Wasserstein illustrates the impact of the women s movement on the lives of her female characters The five major works with their near sequel effect let us see her characters college years mid twenties mid thirties and middle age Through the use of a newly devised critical context called fem en act ment or textual or performance drama that is guided by feminist disposition thematically and stylistically the author here allows for a fresh reading of the Pulitzer Prize winning playwright **Theatre World 1998-1999** John Willis,2002-06-01 Theatre World Theatre World the statistical and pictorial record of the Broadway and off Broadway season touring companies and professional regional companies throughout the United States has become a classic in its field The book is complete with cast listings replacement producers directors authors composers opening and closing dates song titles and much much more There are special sections with biographical data obituary information listings of annual Shakespeare festivals and major drama awards The Tony Awards Eila Mell,The American Theatre Wing,2024-04-16 Commemorating over 75 years of Broadway greatness with never before told stories rare photos from the American Theatre Wings archives and interviews with major honorees like Lin Manuel Miranda Patti LuPone and Hugh Jackman The Tony Awards is the official authorized guide to Broadway s biggest night The Tony Awards A Celebration of Excellence in Theatre pays tribute to the magic that happens when the curtain goes up and Broadway s best and brightest step onto center stage Supported by the American Theatre Wing the arts organization that founded the Tony Awards in 1947 and continues to produce the Tony Awards live telecast each year author Eila Mell has interviewed a cavalcade of past and present Tony winners including actors producers writers costume designers and many many others Their voices fill the pages of this book with fascinating behind the scenes stories about what it s like to win the theatre world s highest honor Featuring a foreword by Audra McDonald and over 400 color and black and white photographs The Tony Awards also spotlights more than 130 captivating interviews with a parade of industry insiders including Mel Brooks Matthew Broderick Carol Burnett Kristin Chenoweth Glenn Close James Corden Bryan Cranston Neil Patrick Harris Jennifer Holliday Hugh Jackman John Kander Angela Lansbury Judith Light Hal Linden Kenny Leon Patti LuPone Lin Manuel Miranda Brian Stokes Mitchell Rita Moreno Bernadette Peters Chita Rivera Martin Short Tom Stoppard Julie Taymor Leslie Uggams and Sir Andrew Lloyd Webber **Contemporary American Playwrights** C. Wendy Wasserstein Jill Dolan, 2017-07-20 Playwright Wendy Wasserstein 1950-2006 author of *The Heidi Chronicles* wrote topical, humorous plays addressing relationships among women and their families, taking the temperature of social moments from the 1960s onward to debate women's rightful place in their professional and personal lives. The playwright's popular plays continue to be produced on Broadway and in regional theaters around the country and the world. Wasserstein's emergence as a popular dramatist in the 1970s paralleled the emergence of the second wave feminist movement in the United States, a cultural context reflected in the themes of her plays. Yet while some of her comedies and witty dramas were wildly successful, packing theaters and winning awards, feminists of the era often felt that the plays did not go far enough. Wendy Wasserstein provides a critical introduction and a feminist reappraisal of the significant plays of one of the most famous contemporary American women playwrights. Following a biographical introduction, chapters address each of her important plays, situating Wasserstein's work in the history of the US feminist movement and in a historical moment in which women artists continue to struggle for recognition.

Nostalgia in Jewish-American Theatre and Film, 1979-2004 Ben Furnish, 2005 Nostalgia, a bittersweet yearning for the past, is an important element in Jewish American performances of the late twentieth century. Numerous plays and films of this time use nostalgia to engage Jewish, including Yiddish, cultural themes and images. Nostalgia offers audiences a window through which to examine past and current social changes. These include American Jews' departure from Europe to America, the city for the suburbs, Yiddish for English, as well as the civil rights, women's, peace, and gay and lesbian movements and other transformations. These performances illustrate how theatre and film transmit culture from generation to generation and between one ethnic community and the wider American scene.
