Culture and the Social Value of an Architectural Icon: Sydney Opera House Cristina Garduno Freeman,2017-09-22 This book develops new and innovative methods for understanding the cultural significance of places such as the World Heritage listed Sydney Opera House By connecting participatory media visual culture and social value Cristina Garduno Freeman contributes to a fast growing body of scholarship on digital heritage and the popular reception of architecture In this her first book she opens up a fresh perspective on heritage as well as the ways in which people relate to architecture via

participation on social media Social media sites such as YouTube Pinterest Wikipedia Facebook and Flickr as well as others become places for people to express their connections with places for example the Sydney Opera House Gardu o Freeman analyses real world examples from souvenirs to opera house shaped cakes and untangles the tangible and intangible ways in which the significance of heritage is created disseminated and maintained As people s encounters with World Heritage become increasingly mediated by the digital sphere there is a growing imperative for academics professionals and policy makers to understand the social value of significant places This book is beneficial to academics students and professionals of architecture

Law Enforcement Icons Mark Chambers, AI, 2025-04-03 Law Enforcement Icons dives into the intricate world of law enforcement scrutinizing figures who ve navigated the blurred lines of corruption and legal failures Rather than a highlight reel of legal victories the book examines the motivations and methods of those behind the headlines revealing the seductive nature of power and the ethical tightrope walked by legal professionals It uncovers systemic issues that enable corruption aiming to foster a more informed public discourse on accountability For example the book will show how immense prosecutorial discretion while necessary can also be a breeding ground for abuse of power The book progresses through an introduction of legal icons detailed case studies exploring abuse of power and prosecutorial misconduct using court documents and investigative reports and a synthesis of the case studies offering recommendations for reform By presenting meticulously reconstructed cases Law Enforcement Icons stands out by providing a balanced nuanced and objective account of complex legal issues connecting True Crime with Politics and examining the shifting landscape of crime and public attitudes The book argues that constant vigilance is required to challenge the status quo even when questioning those in authority

Integral Innovation Odeh Rashed Al-Jayyousi, 2017-04-21 Technology plays a critical role in transforming societies and economies through enhancing efficiency connectivity and access to resources and services The challenge remains how to harness technologies to achieve sustainable development without causing harm to human and natural capitals Professor Odeh Rashed Al Jayyousi argues that science technology and innovation STI are underpinned by social choices and hence a transition to a sustainable green economy is defined by individuals and institutions decisions on how to use and apply these STI developments It is therefore important to examine closely the ways in which social institutions and processes in the integral worlds the different perspectives of reality shape the priorities of technologies and the conditions under which their potential benefits can be reaped He states that in order for technological innovation to provide a guarantee of sustainable economic development it is necessary that a transfer of technology to developing countries becomes a basic principle of national development policies and that they in turn are open to adopting an explicit long term application of technological innovation Integral Innovation New Worldviews presents a conceptual framework for the evolution of technology and innovation from a historical and cultural perspective It provides an analysis of the role of innovation and technology in sustainable development and introduces a number of international case studies which shed light on the social

learning processes for knowledge co creation and innovation culture It is essential reading for those interested in innovation and technology management

Byzantine Art Robin Cormack, 2018-02-27 The opulence of Byzantine art with its extravagant use of gold and silver is well known Highly skilled artists created powerful representations reflecting and promoting this society and its values in icons illuminated manuscripts and mosaics and wallpaintings placed in domed churches and public buildings This complete introduction to the whole period and range of Byzantine art combines immense breadth with interesting historical detail Robin Cormack overturns the myth that Byzantine art remained constant from the inauguration of Constantinople its artistic centre in the year 330 until the fall of the city to the Ottomans in 1453 He shows how the many

political and religious upheavals of this period produced a wide range of styles and developments in art This updated colour edition includes new discoveries a revised bibliography and in a new epilogue a rethinking of Byzantine Art for the present day
