Don Hanlon, 2009-03-23 **Architecture** Use the patterns of architectural composition to inspire creative design In **Compositions in Architecture** Don Hanlon offers students an excitingly original path to discovering architectural composition one that avoids the traditional either/or choice between theory and practice By exploring the underlying patterns of organization in architecture this book enables the reader to connect architectural theory with the design process And by relating what happens in the design studio with how the architect thinks about architectural composition the approach spurs creative thinking With examples that range across diverse cultures and historical periods from the famous to the obscure the author reveals the universal compositional strategies that can be used to solve particular architectural problems Readers will explore The five formal properties of composition number geometry proportion hierarchy and orientation How the plan conveys the central organizing strategy of a building Typological similarities of architectural forms that cut across cultural social historical and geographic boundaries Enriched by a graphic approach that will appeal to visual learners **Compositions in Architecture** reveals the formal structures in architecture throughout the world as well as through the ages and inspires architects to turn abstract ideas into real world design

Legendary Ballparks Eric Enders, 2025-04-08 Take a grand slam tour of North America's best loved ballparks with this visually stunning fact packed book that includes 15 removable pieces of baseball ephemera Featuring nostalgic images from across the country and throughout baseball history **Legendary Ballparks** is a colorful exploration of the places where baseball history happens From Fenway to Dodger Stadium North America's legendary ballparks have been the scenes of some of the most unforgettable moments in sports This definitive guide to Major League ballparks of the past present and future takes you inside the stadiums and gives you a front row seat into baseball's greatest games Imagine your ballpark bucket list Even if you can't get to every park this book takes you there with hundreds of photos stories and stats about storied parks such as Wrigley Field Fenway Park and Dodger Stadium Fan favorites AT T Park Camden Yards and PNC Park Forgotten treasures like Shibe Park in Philadelphia Sportsman's Park in St Louis and all five parks of the Detroit Tigers New stadiums such as the Atlanta Braves SunTrust Park now Truist Park the Minneapolis Twins Target Field and New York's Yankee Stadium and Citifield More than 40 other major league parks that tell the story of the national pastime through the lens of the fields the players call home In addition to this treasure trove of history and lore this handsome edition includes 15 removable pieces of baseball memorabilia including photos of historic ballparks reproductions of World Series programs and a printed ballpark bucket list Perfect for fans of any MLB team this book brings the colorful stories of America's ballparks to life

Ballparks of the Deadball Era Ronald M. Selter, 2011-11-22 While most serious fans know that the Deadball Era was characterized by low scoring aggressive baserunning and strong pitching few understand the extent to which ballparks determined the style of play As it turns out the general absence of standardization and the ever changing dimensions configurations and ground rules had a profound effect on the game as offensive production would rise and fall sometimes dramatically from year to year Especially in the early

years of the American League home teams enjoyed an unprecedented advantage over visiting clubs The 1901 Orioles are a case in point as the club batted an astounding 325 at Oriole Park IV some 60 points above their road average and 54 points better than visitors to the park Organized by major league city this comprehensive study of Deadball parks and park effects provides fact filled data heavy commentary on all 34 ballparks used by the American and National Leagues from 1901 through 1919 Illustrations and historical photos are included along with a foreword by Philip J Lowry and a final chapter that offers an assessment of the overall impact of parks on the era Ballpark Paul Goldberger,2019-05-14 An exhilarating splendidly illustrated entirely new look at the history of baseball told through the stories of the vibrant and ever changing ballparks where the game was and is staged by the Pulitzer Prize winning architectural critic From the earliest corrals of the mid 1800s Union Grounds in Brooklyn was a saloon in the open air to the much mourned parks of the early 1900s Detroit s Tiger Stadium Cincinnati s Palace of the Fans to the stadiums we fill today Paul Goldberger makes clear the inextricable bond between the American city and America s favorite pastime In the changing locations and architecture of our ballparks Goldberger reveals the manifestations of a changing society the earliest ballparks evoked the Victorian age in their accommodations bleachers for the riffraff grandstands for the middle class the concrete donuts of the 1950s and 60s made plain television s grip on the public s attention and more recent ballparks like Baltimore s Camden Yards signal a new way forward for stadium design and for baseball s role in urban development Throughout Goldberger shows us the way in which baseball s history is concurrent with our cultural history the rise of urban parks and public transportation the development of new building materials and engineering and design skills And how the site details and the requirements of the game the diamond the outfields the walls the grandstands shaped our most beloved ballparks A fascinating exuberant ode to the Edens at the heart of our cities where dreams are as limitless as the outfields **Ballparks of North America** Michael Benson,2024-10-16 What grandstand collapsed during a game killing twelve How high is the Green monster in Fenway In what park was the outfield fence only 187 feet from home plate Ballparks of North America is a comprehensive encyclopedia of the grounds yards and stadiums used for organized baseball from the invention of the sport in the 1840s to the year 1988 Entries listed alphabetically by community cover everything from cornfields to Yankee Stadium Each entry gives the location of the park who played there and when home run dimensions seating capacity architectural comments attendance records and anecdotes More than 100 photos and drawings are included some rare The Greatest Ballpark Ever Bob McGee,2005 McGee chronicles the Ebbets Field s vibrant history from the first pitch thrown in 1913 through the last out in 1957 until the wrecking ball s descent in 1960 During this period Ebbets Field was hallowed ground to many Brooklynites **Roadside Baseball: The Locations of America's Baseball Landmarks** Chris Epting,2019-06-04 Capturing such quintessentially American pastimes as baseball and road trips in one fascinating work the updated and expanded third edition of Chris Epting s Roadside Baseball chronicles more than 500 important events in baseball history with detailed descriptions of the event and

information on each location Packed with historical data trivia photographs and baseball lore entries include the birthplaces of baseball legends ballparks museums and halls of fame final resting places and many locations that are no longer standing From out of the way spots to the most popular stadiums in the U S and Canada no site is too small or insignificant to be included in this comprehensive guide The third edition of Roadside Baseball includes hundreds of newly discovered landmarks including the former locations of stadiums that have been torn down since the last edition of the book Yankee stadium Shea stadium Tiger stadium etc information on the Negro Leagues Baseball Marker project which has placed headstones around the country to honor forgotten African American ballplayers new exhibits at existing MLB parks and suggested daytrip itineraries located near your favorite stadiums Other new entries include the actual diamond used for the classic film The Sandlot the exact location where Mickey Mantle s legendary 565 foot blast landed the baseball field in Orange County California where many believe Babe Ruth hit the longest home run of his career against the great Walter Johnson along with extremely rare photos of Ruth both batting and pitching during that very game the newly marked location in Kekionga Indiana where the first major league game was played in 1871 all 29 markers along the new Hot Springs Baseball Trail celebrating baseball history in Arkansas and Heckscher Fields in Central Park New York where Larry David s softball team played in an episode of Curb Your Enthusiasm Entries from the previous edition include the Buckminster Hotel in Boston where the Black Sox planned their fix of the 1919 World Series the original little league field and museum in Williamsport Pennsylvania the birthplace of Jackie Robinson the place where Mickey Mantle was discovered by a scout from the New York Yankees and the site of the original Wrigley Field erected in Los Angeles in 1925 The third edition of Roadside Baseball is the most comprehensive book ever written on the locations of baseball landmarks and the perfect gift for baseball fans of all ages

Retro Ball Parks Daniel Rosensweig, 2023-09-08 Oriole Park at Camden Yards in Baltimore opened in 1992 as an intentional antidote to the modern multiuse athletic stadium Home to only one sport and featuring accents of classic parks of previous generations Oriole Park attempted to reconstitute Baltimore s past while serving as a cornerstone of downtown redevelopment Since the gates opened at Camden yards more than a dozen other American cities have constructed new old major league parks Cleveland Detroit Seattle Pittsburgh Milwaukee Atlanta Denver Phoenix San Francisco Cincinnati Houston Arlington Texas and San Diego In Retro Ball Parks Daniel Rosenweig explores the cultural and economic role of retro baseball parks and traces the cultural implications of re creating the old in new urban spaces According to Rosenweig the new urban landscape around these retro stadiums often presents a more homogenous culture than the one the new park replaced Indeed whole sections of cities have razed in order to build stadiums that cater to clientele eager to enjoy a nostalgic urban experience This mandate to draw suburban residents and tourists to the heart of downtown combined with the accompanying gentrification of these newly redeveloped areas has fundamentally altered historic urban centers Focusing on Cleveland s Jacobs Field as a case study Rosenweig explores the political economy

surrounding the construction of downtown ball parks which have emerged as key components of urban entertainment based development. Blending economic and cultural analysis he considers the intersection of race and class in these new venues. For example he shows that African American consumers in the commercial district around Jacobs Field have largely been replaced by symbolic representations of African American culture such as piped in rap music and Jackie Robinson replica jerseys. He concludes that the question of authenticity, the question of what it means to simultaneously commemorate and commodify the past in retro ball parks mirrors larger cultural issues regarding the nature and implications of urban redevelopment and gentrification.

Daniel Rosensweig is a professor in the Bachelor of Interdisciplinary Studies Program at the University of Virginia.

The 1934 St. Louis Cardinals Edited by Charles F. Faber, The 1934 St. Louis Cardinals were one of the most colorful crews ever to play the National Pastime. Sportswriters delighted in assigning nicknames to the players based on their real or imagined qualities. What a cast of characters it was. None was more picturesque than Pepper Martin the Wild Horse of the Osage who ran the bases with reckless abandon, led his team mates in off the field hi jinks and organized a hillbilly band called the Mississippi Mudcats. He was quite a baseball player, the star of the 1931 World Series and a significant contributor to the 1934 championship. The harmonica player for the Mudcats was the irrepressible Dizzy Dean. Full of braggadocio Dean delivered on his boasts by winning 30 games in 1934, the last National League hurler to achieve that feat. Dizzy and his brother Paul accounted for all of the Cardinal victories in the 1934 World Series. Some writers tried to pin the moniker Daffy on Paul but that name didn't fit the younger and much quieter brother. The club's hitters were led by the New Jersey strong boy Joe Ducky Medwick who hated the nickname, preferring to be called Muscles. Presiding over this aggregation was the Fordham Flash Frankie Frisch. Rounding out the club were worthies bearing such nicknames as Ripper, Leo the Lip, Spud, Kiddo, Pop, Dazzy, Ol' Stubblebeard, Wild Bill, Buster, Chick, Red and Tex. Some of these were aging stars past their prime and others were youngsters on their way up. Together they comprised a championship ball club. The Gas House Gang was the greatest baseball club I ever saw. They thought they could beat any ballclub and they just about could too. When they got on that ballfield they played baseball and they played it to the hilt too. When they slid they slid hard. There was no good fellowship between them and the opposition. They were just good, tough ballplayers.

Cardinals infielder Burgess Whitehead on *When It Was A Game* HBO Sports 1991

Target Field: The New Home of the Minnesota Twins Steve Berg, 2010

Brit at the Ballpark Peter Taylor, 2011-08-31 This work follows the journey Peter Taylor undertook during the summer of 2007 and a bit of 2009 when he set out to achieve a long held ambition and see a baseball game in every major league ballpark, a minor league game in those states without a major league franchise, plus the All Star game and the post season. His adventures along the way include throwing out a first pitch in Connecticut, becoming a TV reporter for the post season and undergoing an eye operation. It also looks whimsically at America's pastime and America through the eyes of an Englishman and how we are, in the words of George Bernard Shaw, two nations separated by a common language.

Trammell Todd Masters,2016-12-09 For nearly two decades Alan Trammell displayed an all around game as a fielder hitter and base runner that was rare for shortstops of his era With second baseman Lou Whitaker he formed one half of arguably the greatest double play combination in baseball history and was an integral piece of one of the signature teams of the 1980 s Trammell was a World Series hero and a central figure in one of the greatest pennant races in American League history From his early days as a multi sport prep star in the talent rich San Diego area through a meteoric ascension up the minor league ladder and into the big leagues Trammell won over doubters and overcame setbacks to become one of the top players in the Detroit Tigers history He joined Ty Cobb and Al Kaline as the only players to spend 20 seasons in Detroit and later served an ill fated managerial stint with the franchise This exhaustively researched biography provides the first book length account of the life and career of one of the most well known figures in Detroit sports history *Poet in the Parks* Thomas Porky McDonald,2021-07-15 After going to various states on the Major League landscape over 21 seasons poet writer Thomas Porky McDonald came upon the notion of continuing to tour the rest of the contiguous United States using Minor League parks as a starting point A pair of Western tours with his niece Jaclyn and her son Alex as well as a stop in Graceland with his sister Patti would be in the mix with each stop bringing out more of McDonald s signature poetry Poet in the Parks is a sequel of sorts as the earliest trips chronicled feature returns to Major League parks with his Poet in the Grandstand road partner Adam Boneker who later hits the Minors trail with McDonald as well as a stop in New Orleans during the time of a World Pandemic Ultimately this second travel poetry volume is merely a quest to savor the American landscape no matter how many cities states parks and places of interest you pass through along the way **The ESPN Baseball Encyclopedia** Peter Palmer,Gary Gillette,2007 This baseball lover s ultimate guide features totally revised and up to date statistics and every active major league player s updated numbers David H. Martinez,2000-09-01 A handy reference covering nearly 800 of baseball s most important yarns stats and stories everything a fan needs to know
