Meriwether,2013-07-11 Although academic study of the Grateful Dead began shortly after the group s formation the dramatic growth of scholarly literature only occurred after the band s formal retirement of the name in 1995 One major incubator of much of this work has been the Grateful Dead area of the Southwest Texas Popular Culture and American Culture Association Inaugurated as a separate section in 1998 and nicknamed the Grateful Dead Scholars Caucus it has produced almost three hundred papers over fifteen years nearly a third of which have been revised for publication Caucus presenters have also edited a dozen books and
