actions of emigres to the USA and the development of modern sophistications of exchange and networking that currently blight privatization. Diverse perspectives including comparative structural and ethnic frameworks give unprecedented national and international insights into a pervasive element of modern Russia. *Socialist Revolution in America* Simona Pipko, 2021-09-20. We are at war. This war is aimed at you, your family, your country and the Western Civilization as a whole. Afghanistan and the Socialist Revolution in America are parts of this long war. As a compilation of articles written during the last thirty years, this book represents the history of ideology that brought the world and America to its current crisis. The pages of this book reveal the faceless and nameless enemies that have been secretly operating under the radar for decades. The book exposes the driving force behind the International Terrorism today: Russia and her Counterintelligence operations. Being a profound and meaningful work, this book is a rich arsenal of information based on the author's first-hand experiences and factual data. This book will bring to light myriads of compelling and grim secrets behind such names as Joseph Stalin who married the Communist ideology with Islamic Jihad, Yuri Andropov who designed the monumental infiltration into the midst of our society by simultaneous intrusion of our intelligence apparatus and the media, and Vladimir Putin who is successfully implementing their strategy in the 21st century. Exposing the core of today's terrorism, its roots, ideology and operations, *Socialist Revolution in America* is an eye opener in comprehending the major underlying problems in America and the world. To survive and win this war, awareness and knowledge of the enemy is urgent and crucial. **Baltic Winds: Testimony of a Soviet Attorney** Simona Pipko, 2002-10-30. *Baltic Winds*, a nonfiction work, tells a life story of the prominent Soviet defense attorney, her family, friends and clients. The narrative covers the period from the 1950s through the 90s and reflects lives of the characters on two continents: from Leningrad through Tallinn, Rome and finally New York. The first part of the book, *Mothers and Children*, presents life in Russia. It provides first-hand observation about people from different ethnic groups and reveals the abominable conditions they live in, the struggles women encounter in every day life, their status as second-class citizens, their numerous abortions, domestic violence and sexual abuse. The second part of the book, *Years, People, Countries*, takes the reader along with the author through Europe to America. It shows how immigration and a teaching position in two universities again have brought the author close to people. This time Americans. *Baltic Winds* is a heartfelt contribution of first-hand experience and information which brings to light the as yet uncovered truth. **Organised Crime in Europe** Cyrille Fijnaut, Letizia Paoli, 2007-01-21. This volume represents the first attempt to systematically compare organised crime concepts as well as historical and contemporary patterns and control policies in thirteen European countries. These include seven old EU Member States: Denmark, France, Germany, Italy, The Netherlands, Spain and the United Kingdom; two new members: the Czech Republic and Poland; a candidate country: Turkey; and three non-EU countries: Albania, Russia and Switzerland. Based on a standardised research protocol, thirty-three experts from different legal and social disciplines provide insight through detailed country reports. On this basis, the editors compare organised crime patterns and policies in Europe and assess EU

initiatives against organised crime Its informed analyses and unprejudiced assessments will make Organised Crime in Europe an indispensable resource for scholars students practitioners and policy makers interested in understanding the complex phenomenon of organised crime and its related control policies in Europe **Russian Organized Crime** Phil
