Labour, Forced Displacement, and the Soviet Gulag, 1880s-1930s Zhanna Popova,2025-10-01 The Gulag remains one of the key symbols of twentieth century mass political violence Thanks to recent archive based investigations we now understand the scope of the system variations between different camp complexes and modalities of the use of forced labour of convicts At the same time the work of historicizing the Gulag and systematically evaluating its position within the global history of repression is still to be done Exploring the emergence of this vast Soviet system of concentration camps in long term perspective this book aims to inscribe this process within global histories of coerced labour forced displacement and punishment It highlights the inextricable interconnection of coerced labour and forced displacement as tools of punishment in the multitude of their historical forms 2005 Massimo Mastrogregori,2009-12-22 Annually published since 1930 the

International Bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The IBOHS is thus currently the only continuous bibliography of its kind covering such a broad period of time spectrum of subjects and geographical range The works are arranged systematically according to period region or historical discipline and alphabetically according to authors names or in the case of anonymous works by the characteristic main title word The bibliography contains a geographical index and indexes of persons and authors The Power of Song Guntis

Šmidchens,2014-01-01 The Power of Song shows how the people of Estonia Latvia and Lithuania confronted a military superpower and achieved independence in the Baltic Singing Revolution When attacked by Soviet soldiers in public displays of violent force singing Balts maintained faith in nonviolent political action More than 110 choral rock and folk songs are translated and interpreted in poetic cultural and historical context Watch the trailer [http www youtube com watch v Gh7vFFjK0rc](http://www.youtube.com/watch?v=Gh7vFFjK0rc)

Western Marxism and the Soviet Union Marcel van der Linden,2007-06-30 The Russian Question was an absolutely central problem for Marxism in the twentieth century Numerous attempts were made to understand the nature of Soviet society The present book tries to portray the development of these theoretical contributions since 1917 in a coherent comprehensive appraisal It aims to present the development of the Western Marxist critique of the Soviet Union across a rather long period in history from 1917 to the present and in a large region Western Europe and North America

Within this demarcation of limits in time and space an effort has been made to ensure completeness by paying attention to all Marxist analyses which in some way significantly deviated from or added to the older theories *The Cambridge History of Communism: Volume 1, World Revolution and Socialism in One Country 1917-1941* Silvio Pons, Stephen A. Smith, 2017-09-21 The first volume of The Cambridge History of Communism deals with the tumultuous events from 1917 to the Second World War such as the Russian Revolution and Civil War the revolutionary turmoil in post World War I Europe and the Spanish Civil War Leading experts analyse the ideological roots of communism historical personalities such as Lenin Stalin and Trotsky and the development of the Communist movement on a world scale against this backdrop of conflict that defined the period It addresses the making of Soviet institutions economy and society while also looking at mass violence and relations between the state workers and peasants It introduces crucial communist experiences in Germany China and Central Asia At the same time it also explores international and transnational communist practices concerning key issues such as gender subjectivity generations intellectuals nationalism and the cult of personality **A History of Collective Creation** Kathryn Mederos Syssoyeva, 2013-07-24 Collective creation the practice of collaboratively devising works of performance rose to prominence not simply as a performance making method but as an institutional model By examining theatre practices in Europe and North America this book explores collective creation s roots in the theatrical experiments of the early twentieth century
