

Современные проблемы инсулинотерапии

Е. Коледова

Эта Лекция
Медицинский отдел

По данным ВОЗ, в настоящее время сахарным диабетом (СД) страдают около 120 млн. человек, в 2025 г. их число превысит 250 млн. [1]. Примерно 10% из общего числа больных СД страдают диабетом 1 типа [3]. Диабет 2 типа, как известно, связан с нарушением реакции тканей на инсулин. При диабете 2 типа 30–40% больных становятся инсулинозависимыми, т.е. используют инъекции инсулина или комбинацию его с пероральными сахароснижающими препаратами. В России в 1997 г. зарегистрировано примерно 2100 тыс. больных диабетом, из них 252 410 диабетом 1 типа, 14367 детей и 6494 подростка. Эти данные основаны на частоте обращаемости, фактически эти данные могут превышать зарегистрированные в 3–4 раза.

Препараты инсулина различаются по источнику получения (степени очистки, веществам, добавляемым к раствору инсулина (удлиняющим действие инсулина, бактериостатикам, адъювантам), концентрации, величине pH, особенностям химического состава (веществам, влияющим на возможность смешивания инсулинов короткого действия с инсулином пролонгированного действия).

Современные препараты инсулина разделяют на группы в зависимости от происхождения (*животные и человеческие*) и длительности действия. Инсулины от животных - *свиные, говяжьи и смешанные (свиной+говяжий)*. На протяжении 60 лет для лечения СД применяли говяжий и свиной инсулины, которые по составу отличаются от человеческого (на 3 и 1 аминокислоту соответственно). Иммуногенность инсулинов следующая: бычий>свиные>человеческие.

Человеческие инсулины (ЧИ) являются наименее иммуногенными и наиболее эффективными [5]. Терапия инсулином животного происхождения вызывает образование высоких титров антител (IgG) и часто приводит к развитию иммунологической формы инсулинрезистентности и липодистрофическим изменениям подкожно-жировой клетчатки [6]. Применение ЧИ позволило исключить все осложнения, наблюдавшиеся при терапии инсулинами животного происхождения. У пациентов, переводившихся с терапии монокомпонентными свиными инсулинами на полусинтетические человеческие, также было отмечено прогрессирующее снижение уровня IgE. Смена

смешанного бычьего-свиного инсулина на ЧИ вызвала исчезновение анафилактической реакции, наблюдавшейся у пациента [7–9]; терапия ЧИ не вызвала никаких системных или местных аллергических реакций. Уровень IgE у пациентов, получающих ЧИ, был значительно ниже по сравнению с больными, находившимися на терапии монокомпонентными препаратами инсулина [10]. По данным Fallois и др. [11], связывание специфических IgE у пациентов с аллергическими реакциями на инсулинотерапию было наиболее выражено при использовании бычьих инсулинов и наименьшим - при применении ЧИ. По данным Wippl и др. [12], аллергические реакции на инсулины у 8 пациентов с ИНСД, получавших временную терапию препаратами свиного и смешанного монокомпонентного инсулина, исчезли после перевода на ЧИ в 5 случаях и значительно снизились у 3 больных. Таким образом, ЧИ являются препаратами выбора при инсулинотерапии у больных с аллергическими реакциями. Аллергические реакции на ЧИ встречаются менее чем у 1% больных [13]. Недостатки бычьего инсулина в иммунологическом плане столь очевидны, что в настоящее время эти препараты запрещается использовать для лечения больных СД; аналогичные рекомендации касаются и смешанных инсулинов [14].

Потребность в инсулине у больных СД 1 типа, получающих ЧИ, довольно стабильна, в то время как доза свиного монокомпонентного инсулина за тот же период применения увеличивается примерно вдвое [31]. Терапия свиным инсулином нарушает соотношение Т-хелперов и Т-супрессоров. При доказанном снижении иммуорегуляторного индекса при терапии свиным инсулином перевод на ЧИ нормализует иммунный ответ [31].

В патогенезе осложнений СД иммунные нарушения играют ведущую роль. ЧИ является и наиболее эффективным средством профилактики поздних сосудистых осложнений [31].

Эффективность ЧИ отражает рост производства и его продажи в мировом масштабе. Данные Информационной медицинской статистики (IMS) показывают, что главный путь развития современного инсулинового рынка - это рост продаж ЧИ и увеличение продаж смешанных форм ЧИ (см. таблицу) [15].

Sovremennyye Problemy Terrorizma Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sovremennyye Problemy Terrorizma free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sovremennyye Problemy Terrorizma free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sovremennyye Problemy Terrorizma free PDF files is

convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading *Sovremennye Problemy Terrorizma*. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading *Sovremennye Problemy Terrorizma* any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About *Sovremennye Problemy Terrorizma* Books

1. Where can I buy *Sovremennye Problemy Terrorizma* books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a *Sovremennye Problemy Terrorizma* book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of *Sovremennye Problemy Terrorizma* books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are *Sovremennye Problemy Terrorizma* audiobooks, and where can I find them? Audiobooks: Audio recordings of

- books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
