Sowing And The Dawning:

Power and Identity in Archaeological Theory and Practice Eleanor Harrison-Buck, 2012-04-15 A new and broader approach to understanding power and identity in the Mesoamerican archaeological record **Art and Myth of the Ancient Maya** Oswaldo Chinchilla Mazariegos, 2017-04-25 Cover Half Title Title Copyright Dedication Contents Acknowledgments Note on Translations and Orthography Introduction 1 Image and Text 2 Pictorial and Textual Sources 3 Mesoamerican Cosmogony 4 The Maiden 5 The Grandmother 6 The Sun s Opponents 7 The Sun 8 The Perfect Youth 9 The Father Epilogue Notes Bibliography Illustration Credits Index A B C D E F G H I J K L M N O P Q R S T U V W X Y Z **Emergency** Edgar Garcia, 2022-04-21 Nine short essays exploring the K iche Maya story of creation the Popol Vuh Written during the lockdown in Chicago in the depths of the COVID 19 pandemic these essays consider the Popol Vuh as a work that was also written during a time of feverish social political and epidemiological crisis as Spanish missionaries and colonial military deepened their conquest of indigenous peoples and cultures in Mesoamerica What separates the Popol Vuh from many other creation texts is the disposition of the gods engaged in creation Whereas the book of Genesis is declarative in telling the story of the world s creation the Popol Vuh is interrogative and analytical the gods for example question whether people actually need to be created given the many perfect animals they have already placed on earth Emergency uses the historical emergency of the Popol Vuh to frame the ongoing emergencies of colonialism that have surfaced all too clearly in the global health crisis of COVID 19 In doing so these essays reveal how the authors of the Popol Vuh while implicated in deep social crisis nonetheless insisted on transforming emergency into scenes of social political and intellectual emergence translating crisis into creativity and world creation **Popol Vuh** Dennis Tedlock, 2013-02 Popol Vuh the Quich Mayan book of creation is not only the most important text in the native language of the Americas it is also an extraordinary document of the human imagination It begins with the deeds of Mayan Gods in the darkness of a primeval sea and ends with the radiant splendor of the Mayan Lords who founded the Quich Kingdom in the Guatemalan highlands Originally written in Mayan hieroglyphs it was translated into the Roman alphabet in the 16th century The new edition of Dennis Tedlock s unabridged widely praised translation includes new notes and commentary newly translated passages newly deciphered hieroglyphs and over 40 new illustrations **The War for the Heart and Soul of a Highland Maya Town** Robert S. Carlsen, 2011-05-16 This compelling ethnography explores the issue of cultural continuity and change as it has unfolded in the representative Guatemala Mayan town Santiago Atitl n Drawing on multiple sources Robert S Carlsen argues that local Mayan culture survived the Spanish Conquest remarkably intact and continued to play a defining role for much of the following five centuries He also shows how the twentieth century consolidation of the Guatemalan state steadily eroded the capacity of the local Mayas to adapt to change and ultimately caused some factions to reject even demonize their own history and culture At the same time he explains how after a decade of military occupation known as la violencia Santiago Atitl n stood up in unity to the Guatemalan Army in 1990 and forced it

to leave town This new edition looks at how Santiago Atitlán has fared since the expulsion of the army Carlsen explains that initially there was hope that the renewed unity that had served the town so well would continue He argues that such hopes have been undermined by multiple sources often with bizarre outcomes Among the factors he examines are the impact of transnational crime particularly gangs with ties to Los Angeles the rise of vigilantism and its relation to renewed religious factionalism the related brutal murders of followers of the traditional Mayan religion and the apocalyptic fervor underlying these events

K'axob Patricia A. McAnany, 2004-12-31 Shortly after 800 B C a village was founded in the wetland and riverine habitat of northern Belize Now called K'axob this Maya community grew and prospered through Formative and Classic times A millennial long record of Formative life has been investigated archaeologically by peeling back the closely stratified layers of superimposed domiciles These houses their domestic and mortuary features and associated artifacts reveal a conscious construction of identity and shed light on the manner in which materiality was manipulated in response to larger political dictates Longterm stasis in material remains suggests that artisan production played a key role in social reproduction yet the manner in which access to key resources was increasingly localized intimates a political landscape of crystallizing hierarchies Subfloor mortuary interments were spatially associated with cuisine related features such as sherded lined pits reflecting a cosmology in which ritual and work were closely integrated These insights and more are presented in individual chapters that examine the material remains of early K'axob An accompanying interactive CD provides complementary materials on a scale never before achieved and includes comprehensive data sets over one thousand images both photographs and line drawings a tour of K'axob and 3 D models of the excavation units
