Spaces In Between:

Spaces Between Nina Eckhoff-Heindl, Véronique Sina, 2020-07-16 The contributions gathered in this volume exhibit a great variety of interdisciplinary perspectives on and theoretical approaches to the notion of spaces between They draw our attention to the nexus between the medium of comics and the categories of difference as well as identity such as gender disability age and ethnicity in order to open and intensify an interdisciplinary conversation between comics studies and intersectional identity studies

The Spaces Between Us Michael Graziano, 2017-12-06 Each of us has a protected zone two or three feet wide swelling around the head and narrowing towards the feet This zone isn't fixed in size if you're nervous it grows if you're relaxed it shrinks It also depends on your cultural upbringing Personal space is small in Japan and large in Australia This safety zone called personal space provides an invisible spatial scaffold that frames our social interactions As Michael Graziano argues in *The Spaces Between Us* it also organizes our social and emotional spacing influences our facial expressions and shapes our interactions with everyday objects including tools furniture and clothing Even ordinary actions like walking are informed by a continuous under the surface calculation of threats and obstacles around the body what Graziano calls a virtual bubble wrap of active neurons that fire and move us to action even before we may be conscious of our course corrections in real time Humans evolved a complex way of interacting with others and their environment and *The Spaces Between Us* looks at how this infrastructure may have led to the first smile and to a host of other human activities from tool use to courtship and to a sense of self The book concludes with a case study of Graziano's son who had heart breaking difficulties developing a functioning personal space Written with poignant narrative clarity Graziano makes the case for the interested scientific public that this system in the brain is more than a fascinating scientific topic it's deeply personal and shapes our human nature

The Life in the Void and the Spaces Between Zoe Cannon, 2024-08-23 Men belong to the gods Women belong to the goddesses To whom does Keyna belong For two glorious years Keyna belonged to the Nameless One As is required of everyone on the cusp of adulthood they traveled to the Front to fight the horrors beyond this universe who wage constant war on humanity their soul on loan to the most mysterious of all the deities and the most feared The other conscripts returned shaken and scarred eager to put their ordeal behind them For Keyna those two years were the only time they felt truly alive But every soldier's soul must return to its rightful owner no matter how they feel about it Unless the Nameless One does something unprecedented This short story is 7 100 words long It is also available in *Queerdark* a dark queer fantasy collection
