Spaete Freundschaft Carl Zuckmayer Karl Barth In Briefen:

Karl Barth In Re-View H. Martin Rumscheidt, 1981-01-01 Pittsburgh Theological Monograph Series General Editor Dikran Y Hadidian **Karl Barth** Christiane Tietz, 2021 Christiane Tietz relates Karl Barth's fascinating life in conflict with the theological mainstream against National Socialism and privately under one roof with his wife and his mistress in conflict with himself **Carl Zuckmayer Criticism** Hans Wagener, 1995 Together with Bertolt Brecht and Gerhart Hauptmann Carl Zuckmayer 1890-1977 was one of the most popular and significant German dramatists of the twentieth century His folk play *The Merry Vineyard* 1925 marked the end of German expressionism his comedy *The Captain of Kopenick* 1931 a scathing satire on German militarism and his drama *The Devil's General* 1946 about a Nazi general and German resistance were some of the most frequently performed plays in recent German theater history During the Third Reich Zuckmayer's works were banned in Germany while their author lived as an exile in the United States trying to survive as a farmer in Vermont For that reason Zuckmayer scholarship was off to a slow start Wagener demonstrates that it received its main impetus from the United States where the majority of dissertations on Zuckmayer were written He shows the development of scholarship from reviews to general assessments from positivistic biographical fact finding to the New Criticism and finally to recent modes of critical assessment including feminist criticism Wagener draws particular attention to the role of the Carl Zuckmayer Society in critical discourse about this neglected author *Poetic Revelations* Mark S. Burrows, Jean Ward, Małgorzata Grzegorzewska, 2016-08-12 This book explores the much debated relation of language and bodily experience i.e. the flesh considering in particular how poetry functions as revelatory discourse and thus relates to the formal horizon of theological inquiry The central thematic focus is around a phenomenology of the flesh as that which connects us with the world being the site of perception and feeling joy and suffering and of life itself in all its vulnerability The voices represented in this collection reflect interdisciplinary methods of interpretation and broadly ecumenical sensibilities focusing attention on such matters as the revelatory nature of language in general and poetic language in particular the function of poetry in society the question of Incarnation and its relation to language and the poetic arts the kenosis of the Word and human embodiment in relation to the word enfleshed in poetry **Yearbook of Chinese Theology 2019**, 2019-08-05 The Yearbook of Chinese Theology is an international ecumenical and fully peer reviewed annual that covers Chinese Christianity in the areas of Biblical Studies Church History Systematic Theology Practical Theology and Comparative Religions It offers genuine Chinese theological research previously unavailable in English by top scholars in the study of Christianity in China The 2019 volume highlights the five disciplines of Karl Barth and Sino-Christian theology and its guest editor is Thomas Xutong Qu Further contributions are from Paulos Huang and Thomas Xutong Qu Wai Luen Kwok Xin Leng Shi Min Lu Quan Li G Wright Doyle Jin Li and Li Ma Liang Hong Liang Hong Shao Kai Tseng Xiangchen Sun *Conspiracy and Imprisonment 1940-1945* Dietrich Bonhoeffer, 2006-06-12 This volume published in the year of the one hundredth anniversary of Bonhoeffer's birth documents

Bonhoeffer's life under the increasing restraints and fateful events of World War II Germany. In hundreds of letters including ten never before published letters to his fiancée Maria von Wedemeyer as well as official documents, short original pieces and a few final sermons, the volume sheds light on Bonhoeffer's active resistance to and increasing involvement in the conspiracy against the Hitler regime, his arrest and his long imprisonment. Finally, Bonhoeffer's many exchanges with his family, fiancée and closest friends demonstrate the affection and solidarity that accompanied Bonhoeffer to his prison cell, concentration camp and eventual death.

Späte Freundschaft in Briefen Carl Zuckmayer, Karl Barth, 1977. Karl Barth (1886–1968) studied theology in Bern, Berlin, Tübingen, Marburg and was from 1909 to 1921 pastor in Genéve and Safenwil. With his interpretation of the Letter to the Romans (1919–1922) he began a new epoch in evangelical theology. This radical book brought him a reputation as an honorary professor in Göttingen; later he became ordinarius in Münster and Bonn. He was co-editor of *Zwischen den Zeiten* (1923–1933), the journal of the Dialectical Theology. Karl Barth was the author of the *Barmer Theological Declaration* and the head of the resistance against the Gleichschaltung of the churches by the National Socialists. In 1935 he was dismissed from the University of Bonn for refusing the unconditional leadership of the Nazis. He received a professorship in Basel but remained in close connection with the Confessing Church. His main work, *The Christian Dogmatics*, is the most significant systematic theological achievement of the 20th century. Carl Zuckmayer (1896–1977) studied in Frankfurt a. M. and Heidelberg, law, philosophy, sociology and natural sciences. In 1920 he switched to theater and worked, among others, with Bertolt Brecht and Max Reinhardt. Together with them he wrote the popular play *The Merry Widow* (1925) and the antimilitaristic satire *The Captain of Köpenick* (1931). He achieved great success with *The Captain of Köpenick* (1931). In 1933 he received a performance ban. Consequently, he emigrated, first to Austria and then to the USA. In 1947 he staged *The Devil's General* in Zurich, which became a major success. Zuckmayer returned despite many honors and awards to Germany in 1958. He lived in Switzerland and wrote his 1966 memoirs, *As I Was*. **Ever Against the Stream** Frank Jehle, 2012-03-02. Frank Jehle has accomplished the feat of writing a short, precise introduction to Karl Barth, the theologian in relation to the world of politics. In *Jehle* we have a clear and helpful interpreter who shows rightly Barth swimming ever against the stream. Eberhard Busch. In this thorough study, Jehle analyzes Barth's political views from the beginning of his career until the day before his death. This comprehensive approach clearly demonstrates how Barth, despite his unpredictability in the political realm, was remarkably consistent and faithful to his conviction that the justice and grace of God must inform all our political utterances and actions. Ultimately, what emerges from this fine study is a portrait of a courageous political thinker who never hesitated to challenge prevailing views and who strove to join the spiritual and the political. John Hesselink, Western Theological Seminary. *Ever against the Stream* is an engaging narrative that chronicles Barth's involvement in the political realm, whether advocating for the workers in his congregation or speaking against National

Socialism in Germany and in Switzerland or taking a more subdued public posture toward communism Drawing from his many speeches and letters the book presents a nuanced and sympathetic appraisal of Barth s positions throughout his life and within the context of his theological framework His failure at first to perceive dangers inherent in communism is balanced by his forward looking perception of dangers within National Socialism and within the quietism of his fellow Swiss citizens during that time He was often silenced Barth made enemies among those in the church who wanted to turn the state into an absolute But he called for Christians to be engaged in the world nonetheless and he lived out such an existence Frank Jehle s narrative is riveting his observations carefully stated and he responds to those who wrote Barth off as a troublemaker or out of touch Jehle also goes to great pains to show how Barth s positions were caricatured and then rejected or taken out of context possibly because his observations were so accurate The little side trips into Barth s personal interactions with other key figures of his day are fascinating enlightening and fitting Thomas Trapp Concordia University

The Possibilities of Theology John Webster, 2006-08-30 These essays by leading British and North American theologians are a tribute to Eberhard Jungel and an interpretation and evaluation of his work Each essay analyzes a central theme showing the importance and impact of Jungel s thought in constructive contemporary theology *Carl Zuckmayer* Siegfried Mews, 1981
