

Spanien im Zweiten Weltkrieg: Franco, die Falange und das Dritte Reich (Historische Perspektiven)

Ruhl, Klaus-Jörg

Note: This is not the actual book cover

Spanien Im Zweiten Weltkrieg Franco D Falange U D Dritte Reich

Wayne H. Bowen

Spanien Im Zweiten Weltkrieg Franco D Falange U D Dritte Reich:

Spanien im Zweiten Weltkrieg Klaus-Jörg Ruhl,1975 **Spaniards and Nazi Germany** Wayne H. Bowen,2000 Only the indecisiveness of Spanish dictator Franco and diplomatic mistakes by the Nazis argues Bowed history Ouachita Baptist U Arkadelphia Arkansas prevented the Nazi supporters in the Spanish fascist party from bringing Spain into World War II on the side of the Axis Still he points out Spaniards helped Germany by serving in its armies working in its factories and promoting its ideas to other nations The study began as a doctoral dissertation for Northwestern University Annotation copyrighted by Book News Inc Portland OR Hitler's Man in Havana Thomas D. Schoonover,2008-09-12 When Heinz L ning posed as a Jewish refugee to spy for Hitler s Abwehr espionage agency he thought he had discovered the perfect solution to his most pressing problem how to avoid being drafted into Hitler s army L ning was unsympathetic to Fascist ideology but the Nazis tight control over exit visas gave him no chance to escape Germany He could enter Hitler s army either as a soldier or a spy In 1941 he entered the Abwehr academy for spy training and was given the code name Lumann Soon after L ning began the service in Cuba that led to his ultimate fate of being the only German spy executed in Latin America during World War II L ning was not the only spy operating in Cuba at the time Various Allied spies labored in Havana the FBI controlled eighteen Special Intelligence Service operatives and the British counterintelligence section subchief Graham Greene supervised Secret Intelligence Service agents and Ernest Hemingway s private agents supplied inflated and inaccurate information about submarines and spies to the U S ambassador Spruille Braden L ning stumbled into this milieu of heightened suspicion and intrigue Poorly trained and awkward at his work he gathered little information worth reporting was unable to build a working radio and improperly mixed the formulas for his secret inks L ning eventually was discovered by British postal censors and unwittingly provided the inspiration for Graham Greene s Our Man in Havana In chronicling L ning s unlikely trajectory from a troubled life in Germany to a Caribbean firing squad Thomas D Schoonover makes brilliant use of untapped documentary sources to reveal the workings of the famed Abwehr and the technical and social aspects of L ning s spycraft Using archival sources from three continents Schoonover offers a narrative rich in atmospheric details to reveal the political upheavals of the time not only tracking L ning s activities but also explaining the broader trends in the region and in local counterespionage Schoonover argues that ambitious Cuban and U S officials turned L ning s capture into a grand victory For at least five months after L ning s arrest U S and Cuban leaders J Edgar Hoover Fulgencio Batista Nelson Rockefeller General Manuel Ben tez Ambassador Spruille Braden and others treated L ning as a dangerous key figure for a Nazi espionage network in the Gulf Caribbean They reworked his image from low level bumbler to master spy using his capture for their own political gain In the sixty years since L ning s execution very little has been written about Nazi espionage in Latin America partly due to the reticence of the U S government Revealing these new historical sources for the first time Schoonover tells a gripping story of L ning s life and capture suggesting that L ning was

everyone's man in Havana but his own **Britain and the Spanish Anti-Franco Opposition** D. Dunthorn, 2000-10-06 After fascism's defeat in 1945 Britain did not co-operate with Franco's Spanish opponents to end his dictatorship This study demonstrates how divisions in the Spanish opposition were one factor but argues that Britain's strategic and commercial interests in Spain also acted as a disincentive Only when international pressure for sanctions threatened Iberian stability in 1947 did the British government turn to the Spanish opposition With the advent of the Cold War however the opposition became irrelevant to British needs and Franco's survival was guaranteed **Economic Relations Between Nazi Germany and Franco's Spain** Christian Leitz, 1996 This is the first comprehensive study of the economic relationship between Nazi Germany and Franco's Spain between the outbreak of the Spanish Civil War and the end of the Second World War It demonstrates how during the Spanish Civil War Hitler helped General Franco to victory but at the same time attempted to turn Spain into an economic colony **Germany and the Second World War**, 1990 From the outbreak of war to the end of 1941 Germany was riding high over much of Europe then it all began to go wrong Volume V Part II of the comprehensive and authoritative Germany and the Second World War series spans the years 1942 to 1945 and looks in closely researched detail and against a background of growing military setbacks and disasters leading to final defeat at the administration and ruthless exploitation of the occupied countries and of Germany's own allies and the effect on their populations in particular their Jews Roma and Sinti and national economies This comprehensive study of the meteoric rise to prominence of Hitler's crown prince Albert Speer and his struggle to implement a total war armaments policy in the face of opposition from the Party's Gauleiters and political rivals in the Nazi leadership documents with a wealth of maps diagrams and tables the achievements of the arms drive he masterminded a large part of this success is shown to have relied on the forced or slave labour of those under German domination The conflicting claims of industry and the Wehrmacht for dwindling manpower resources are also considered Series description The volumes so far published in the magisterial ten volume Germany and the Second World War series have attracted international acclaim as a major contribution to historical study Under the auspices of the Militärgeschichtliches Forschungsamt Research Institute for Military History at Potsdam a team of renowned historians has combined a full synthesis of existing material with the latest research to produce what will be the definitive history of the Second World War from the German point of view The comprehensive analysis based on detailed scholarly research is underpinned by a full apparatus of maps diagrams and tables **Spain in International Context, 1936-1959** Christian Leitz, David Dunthorn, 1999-09-01 This collection of articles covers a crucial period of Spain's history from the rise of Franco to the crucial Stabilization Plan of 1959 Separated into four chronologically divided sections it focuses largely on the international reactions to and the involvement of other powers in the Spanish Civil War including an examination of French and British reactions to the situation in Spain and Soviet German and Italian involvement and the period of the Second World War with a particular focus on Spain's relations to the Axis and Vichy France especially during the period of

1940 41 when a Spanish entry in to the war was most likely The fate of the Spanish refugees and exiles in Britain and France is also highlighted as is Spain s international position in the aftermath of the Second World War and particularly the attitude of the former Allies Britain France the Soviet Union and the USA The volume ends with Spain s response to the unfolding economic co operation and integration in Western Europe

A European Anabasis Kenneth Estes,2015-01-19 Kenneth Estes studies the 100 000 West Europeans who fought against Russia as volunteers for the Wehrmacht and Waffen SS A retired Marine Corps lieutenant colonel Estes shows tremendous knowledge of combat and writes gripping battlefield prose Two thirds of the West European volunteers came from Spain and the Netherlands yet Estes demonstrates wide range and covers Flemish Walloon French Danish and Norwegian combat units Avoiding over generalization the author distinguishes carefully among the Danes and Flemings who fought competently with the SS Wiking Division and later with Nordland the courageous but poorly armed Spanish the ill trained Dutch and French in Landstorm Nederland and SS Charlemagne and the Norwegians who after a first wave of enthusiasm held back altogether Estes pulverizes the Nazi propaganda notion of a multinational European army defending Western civilization against Bolshevism He shows that West Europeans mainly of the urban working classes volunteered from a mix of motives adventure seeking ideology hopes of personal advantage or material gain a desire for better food or a wish to escape a criminal record at home He demonstrates that the best performing foreign legions were trained and led by German officers and formed parts of larger SS units and also that the Wehrmacht placed little value on foreign formations until its other manpower reserves ran out in 1944 45 This is a landmark work on a subject which has been much written about but rarely understood or described as perceptively as in the pages of this book

Hitler and His Allies in World War Two Jonathan Adelman,2020-03-25 In an area where in depth studies of Hitler s relations with Nazi Germany s allies and the failure of Nazi Germany to make more effective use of them during the war are scant this is a survey that looks at the Soviet Union Japan France Italy Spain Romania and Hungary and their relationship to Nazi Germany Using a comparative approach seven case studies examine themes such as co operation and resistance military and economic aid treatment of Jews relations with the enemies and the popular sentiment towards Germany Jonathan Adelman has provided students of the Second World War with a welcome mine of information and a unique perspective on a much studied topic

Hitler And Spain Robert H. Whealey,2014-07-11 The Spanish Civil War begun in July 1936 was a preliminary round of World War II Hitler s and Mussolini s cooperation with General Franco resulted in the Axis agreement of October 1936 and the subsequent Pact of Steel of May 1939 immediately following the end of the Civil War This study presents comprehensive documentation of Hitler s use of the upheaval in Spain to strengthen the Third Reich diplomatically ideologically economically and militarily While the last great cause drew all eyes to Western Europe and divided the British and especially the French internally Hitler could pursue territorial gains in Eastern Europe This book based on little known German records and recently opened Spanish archives fills a major gap in our understanding of one of

the 20th century's most significant conflicts. Its comprehensive treatment of German-Spanish relations from 1936 through 1939, bringing together diplomatic, economic, military, and naval aspects, will be of great value to specialists in European diplomacy and the political economy of Nazi imperialism as well as to all students of the Spanish Civil War.

Embark on a breathtaking journey through nature and adventure with Crafted by is mesmerizing ebook, Witness the Wonders in **Spanien Im Zweiten Weltkrieg Franco D Falange U D Dritte Reich** . This immersive experience, available for download in a PDF format (PDF Size: *), transports you to the heart of natural marvels and thrilling escapades. Download now and let the adventure begin!
