Spanish Catalan And Galician Literary Authors Of The Eighteenth And Nineteenth Centuries

Scott C. Dulebohn

Spanish Catalan And Galician Literary Authors Of The Eighteenth And Nineteenth Centuries:

Spanish, Catalan, and Galician Literary Authors of the Eighteenth and Nineteenth Centuries David S. Zubatsky, 1995

Spanish, Catalan, and Galician Literary Authors of the Twentieth Century David S. Zubatsky, 1992 Provides a comprehensive index to published bibliographies that list a literary author's works and/or critical studies about the works. In addition to novelists, playwrights, poets, and short story writers, the guide also covers bibliographies for linguists, literary critics, and historians.

A Companion to the Twentieth-century Spanish Novel Marta E. Altisent, 2008 The Spanish novel in a turbulent century. This collection of studies by eighteen prominent theorists and critics offers a diverse panorama of the modern Spanish novel seen through the prism of Spain's recent political, cultural, and ideological history. It considers the development of the novel as a social mirror and as a changing literary form torn between the tradition of stern realism and the aesthetics of rupture affecting all Western literature from the Avant Garde to the Postmodern age. While some essays emphasise the Spanish cultural context and canonical writers, others are of a broader nature, grouping lesser-known writers under certain literary tendencies: the metaphysical novel, the urban novel, recuperative accounts of the Civil War, feminine first-person narrations, and the rise of the popular detective, historical, and erotic novels. Three studies address the resurgence of the Catalan, Basque, and Galician novel and their departure from a poetics of identity to one of global concerns. Interdisciplinary approaches address the reciprocal impacts of literature and cinema and the effects of the marketplace on the consumption of fiction; are not forgotten. The Companion provides ample bibliographies and a valuable chronology, while all titles and quotations are translated into English. Contributors: Marta E. Altisent, Katarzyna Olga Beilin, Ramon Buckley, Jos F. Colmeiro, Stacey Dolgin, Casado Sebastiaan, Faber David, K. Herzberger, Carlos Alex Longhurst, Kathleen N. March, Cristina Mart nez, Carazo Alfredo, Mart nez Exp sito, Nina L. Molinaro, Gonzalo Navajas, Mari Jose Olaziregi, Janet D. P rez, Randolph D. Pope, Josep Miquel Sobrer, H. Rosi Song.

The Literature of Spain and Latin America Britannica Educational Publishing, 2010-04-01 From the whimsical idealism of Miguel de Cervantes' Don Quixote to the magical realism of Gabriel Garc a M rquez's *100 Years of Solitude*, Spanish language literature has substantially enriched the global literary canon. This volume examines the vibrant prose and dynamic range of both Spanish and Latin American authors whose narratives are informed as much by their imaginations as the turbulent histories of these native lands. Influenced by a plethora of diverse cultures, these tales truly tell a global story.

British Bulletin of Publications on Latin America, the Caribbean, Portugal, and Spain, 1997

Walford's Guide to Reference Material: Generalia, language and literature, the arts Albert John Walford, Marilyn Mullan, Priscilla Schlicke, Library Association, 1996 From its first edition, the purpose of Walford has been to identify and evaluate the widest possible range of reference materials. No rigid definition of reference is applied. In addition to the expected bibliographies, indexes, dictionaries, encyclopaedias, and directories, a number of important textbooks and manuals of general practice are included. While the majority of the items are books, Walford is a guide to reference material.

Thus periodical articles microforms online and CD ROM sources are all represented In this volume a particular effort has been made to improve coverage of the latter two categories

Modern Literatures in Spain Jo Labanyi,Luisa Elena Delgado,2022-11-08 Jo Labanyi and Luisa Elena Delgado provide the first cultural history of modern literatures in Spain With contributors Helena Buffery Kirsty Hooper and Mari Jose Olaziregi they showcase the country s cultural richness and complexity by working across its four major literary cultures Castilian Catalan Galician and Basque from the eighteenth century to the present Engaging critically with the concept of the national Modern Literatures in Spain traces the uneven institutionalization of Spain s diverse literatures in a context of Castilian literary hegemony as well as examining diasporic and exile writing The thematically organized chapters explore literary constructions of subjectivity gender and sexuality urban and rural imaginaries intersections between high and popular culture and the formation of a public sphere Throughout readings are attentive to the multiple ways in which literature serves as a barometer of cultural responses to historical change An introduction to major cultural debates as well as an original analysis of key texts this book is essential reading for students and scholars with an interest in the literatures and cultures of Spain

The Cambridge History of Spanish Literature David T. Gies,2004 Publisher Description

The Humanities Ron Blazek,Elizabeth Smith Aversa,2000 Covering nearly 1 400 information sources this book maps the vast terrain of knowledge in humanities studies Detailed annotations give users an in depth view of the sources and thorough indexes provide easy access Web resources are included on a highly selective basis The number of information sources and the diversification of formats are revolutionizing library and scholarly practice While accessing information is easier evaluation of resources has become increasingly more difficult Covering a broader territory and more sources than previous editions this book offers an up to date reliable guide to nearly 1 400 of the most important and representative information sources in the immense discipline of humanities studies Following the basic organization of previous editions Blazek and Aversa present chapters on sources reference tools and access ways to find and retrieve information for each subject covered e g language and literature philosophy visual arts For the first time the authors have included web resources and their URLs on a highly selective basis All sources have been reviewed updated and in many cases expanded Computerized databases both online and CD ROM are integrated with the books Detailed annotations give users an in d

A Comparative History of Literatures in the Iberian Peninsula Fernando Cabo Aseguinolaza,Anxo Abuín Gonzalez,César Domínguez,2010-05-26 *A Comparative History of Literatures in the Iberian Peninsula* is the second comparative history of a new subseries with a regional focus published by the Coordinating Committee of the International Comparative Literature Association As its predecessor for East Central Europe this two volume history distances itself from traditional histories built around periods and movements and explores from a comparative viewpoint a space considered to be a powerful symbol of inter literary relations Both the geographical pertinence and its symbolic condition are obviously discussed when not even contested Written by an international team of

researchers who are specialists in the field this history is the first attempt at applying a comparative approach to the plurilingual and multicultural literatures in the Iberian Peninsula The aim of comprehensiveness is abandoned in favor of a diverse and extensive array of key issues for a comparative agenda A Comparative History of Literatures in the Iberian Peninsula undermines the primacy claimed for national and linguistic boundaries and provides a geo cultural account of literary inter systems which cannot otherwise be explained

If you ally obsession such a referred **Spanish Catalan And Galician Literary Authors Of The Eighteenth And Nineteenth Centuries** books that will manage to pay for you worth, acquire the very best seller from us currently from several preferred authors.
