*Guns, Culture and Moors* Ali Al Tuma, 2018-04-17 The history of the Moroccan troops in the Spanish Civil War 1936-1939 is the story of an encounter between two culturally and ethnically different people and the attempts by both sides Moroccan and Spanish to take control of this contact This book shows to what extent colonials could participate in negotiating limits and taboos rather than being only on the receiving end of them The examination of this encounter in its military religious as well as sexual aspects sheds new light on colonial relations and on how unique or typical the Spanish colonial case is in comparison to other European ones **The Publishers Weekly**, 1928 *Index to Short Stories*, 1929 **Carmen and Other Stories** Prosper Mérimée, 1998 One of the earliest exponents of the short story Prosper Mérimée wrote the universally acclaimed tale Carmen which provided the basis for one of the world's most popular operas In addition to this classic tale the collection includes Colomba Mateo Falcone The Storming of the Redoubt Tamango The Etruscan Vase The Game of Backgammon The Venus of Ille and Lokis **Living the Death of Democracy in Spain** Susana Belenguer, Ciaran Cosgrove, James Whiston, 2017-10-02 This volume brings together new interdisciplinary perspectives on the Spanish Civil War its victims its contentious ending and its aftermath In exploring the slow demise of the Spanish Republic and the course of the Civil War the authors have chosen to range in turn over cinematic literary and historical depictions of the era In addition reactions elsewhere in Europe to the Spanish conflict are examined the role of the International Brigades is looked at afresh the fate of children displaced during the Civil War is explored and the Spanish anarcho-syndicalist movement is revisited The volume shows that to be any kind of soldier in the armies of the Republic or even to be seen as a Republican sympathiser was to become a non-person in the new order in Spain under Franco and sets what supporters of the Republic had to endure within the wider European and international context of the period This book offers timely fresh insights into the failure of the Spanish Republic and into a society that tried in vain to unite its divided people during what was a seismic era in Spain's history This book was originally published as a special issue of *Bulletin of Spanish Studies* [The Decapitated Chicken and Other Stories](#) Horacio Quiroga, 2013-05-15 Tales of horror madness and death tales of fantasy and morality these are the works of South American master storyteller Horacio Quiroga Author of some 200 pieces of fiction that have been compared to the works of Poe Kipling and Jack London Quiroga experienced a life that surpassed in morbidity and horror many of the inventions of his fevered mind As a young man he suffered his father's accidental death and the suicide of his beloved stepfather As a teenager he shot and accidentally killed one of his closest friends Seemingly cursed in love he lost his first wife to suicide by poison In the end Quiroga himself downed cyanide to end his own life when he learned he was suffering from an incurable cancer In life Quiroga was obsessed with death a legacy of the violence he had experienced His stories are infused with death too but they span a wide range of short fiction genres jungle tale Gothic horror story morality tale psychological study Many of his stories are set in the steaming jungle of the Misiones district of northern Argentina where he

spent much of his life but his tales possess a universality that elevates them far above the work of a regional writer The first representative collection of his work in English *The Decapitated Chicken and Other Stories* provides a valuable overview of the scope of Quiroga s fiction and the versatility and skill that have made him a classic Latin American writer
