Spartan Tutorialpb97:

The Spartan manual, or Tablet of morality, compiled by J. Ritson Spartan manual, Joseph Ritson, 1873 **Getting Started with Spartan** Wavefunction, Incorporated, 2002-10-01 *The Spartan War Fund* William T. Loomis, 1992 A new and expanded text with translation of the best known Spartan inscription Meiggs Lewis no 67 together with detailed epigraphical textual historical and economic commentaries The new text is based on a fresh examination of the stone the diaries of early travellers who saw the stone when it was better preserved than it is today and a newly discovered fragment which adds Aiginetan and Chian exiles and individual Achaeans and Spartans to the list of Sparta's war supporters This new text enables the date of the inscription previously controversial to be fixed in the early years of the Peloponnesian War thereby shedding light on Spartan war finance and Greek attitudes towards Athens in the 420s and providing a badly needed fixed point for Laconian Epigraphy The monograph also clarifies the meaning of the Greek words *pheugo phugas* *The Ancient Spartans* J. T. Hooker, 1980 The ideal of Sparta the devotion of citizens to a well ordered state became a legend which has survived for over 2 000 years J T Hooker begins by describing the landscape the cults and cult places and the development of Sparta during the Bronze Age Iron Age Sparta is then considered and her history is traced from the eighth to the fourth century B C Her rise to leadership of the Peloponnese her intervention in the affairs of other Greek states and her establishment of the Spartan Alliance take the story down to the end of the sixth century The fifth century is overshadowed by Spartan participation in the Persian War the deterioration of Spartan relations with Athens and the great war against Athens In the early part of the fourth century Sparta gains and later loses supremacy in the Greek world Background to the political events is given in chapters on life in the Spartan state art music and poetry and there is an account of the growth and influence of the Spartan legend Dust jacket **Getting Started with Spartan** Wavefunction, Inc, 2002 **The Spartan Hoplites** Louise Park, Timothy Love, 2010 Ancient And Medieval People Profiles some of the fiercest in history Learn about their lives and times notorious battles and daring feats In *The Spartan Hoplites* learn about the bloody battles of soldiers in the Spartan army Read about the ancient Greek state of Sparta Spartan Warfare and the decline of the Spartan hoplites Book jacket *The Spartan Supremacy, 412-371 BC* Mike Roberts, Bob Bennett, 2014-07-30 Sparta was a small city which consistently punched above its weight in the affairs of classical Greece happily meddling in the affairs of the other cities For two centuries her warriors were acknowledged as second to none Yet at only one period in its long history in the late fourth and early third century BC did the home of these grim warriors seem set to entrench itself as the dominant power in the Greek world This period includes the latter stages of the Peloponnesian War from 412 BC to the Spartan victory in 402 and then down to the Spartan defeat by the Thebans at Leuctra in 371 BC where it all began to unravel for the Spartan Empire Surprisingly few previous books have covered the tumultuous first decades of the fourth century BC particularly when compared to the ample coverage of the Peloponnesian War As the authors explain although the earlier period has the

benefit of Thucydides magisterial history the period covered here is actually well served by sources and well worthy of study There are many interesting characters here including Alcibiades Lysander Agesilaus Pelopidas and Epaminondas to name but a few In addition there are several campaigns and battles that are reported in enough detail to make them interesting and comprehensible to the reader Bob Bennett and Mike Roberts untangle the complexities of this important but unduly neglected period for the modern reader

Sparta Stephen Hodkinson, Anton Powell, 2009-12-31 The history of Sparta is increasingly seen as important not only for its own sake but also for understanding Athenian literature and the political history of numerous Greek states Traditional approaches to Sparta are now being supplemented by contributions from archaeology and the social sciences The renewed interest in Sparta is international The volume includes for the first time original contributions from most of the world's leading authorities on Spartan history
