and a lot of those clients wanted websites built so naturally this company was the one they'd contact. Now you'd think it would be child's play to convert those leads, right? In fact, any sales person would tell you they're basically the human version of sitting ducks in terms of sales. And all this was BEFORE the financial crisis of 2008, mind you. Folks were happy to spend money on things that did not have a 100% guarantee in terms of success. So it stands to reason that this sales manager should have literally converted those leads as easily as saying "voila," especially considering some of the clients were actually ASKING him to get this, ASKING him to build sites for them. But that was not the case. He couldn't close those leads despite months and months of follow-ups, phone calls, what have you. And so after an initial interview, they hired me. And within the space of TWO weeks, I got the first client. Small fry, to be honest. I think the total order was about 1000 USD, but remember this company was in India. Calculate costs, etc. accordingly. Within the space of SIX months, this company had expanded to 40 plus employees and was making between 25000-30000 USD a month. I left the company at that point, which in itself is another story, and one I'll touch upon later, but those are the results. And if you're part of the gang that believes it was a fluke or that I just connected well, I have this to say to you: THINK AGAIN, my friend. It was NOT coincidence; there is no such beast as coincidence in life. It's called doing what is normally NOT done and literally thinking your way to RIP-ROARING sales with minimal effort. It's information that can be gleaned only from having BEEN IN THE TRENCHES. And I've been there, my friend. Oh yes, I HAVE. And now I'm willing to share it with you, my friend. Make haste and order NOW. Very best, Rahul P. S. Still on the fence? Well, if you're willing to go through the frustrations of not being able to make sales despite trying EVERYTHING possible, well, be my guest and ignore this book. But if you're ready to make the leap to the NEXT and QUANTUM level in terms of sales, then wait NO longer, my friend. Click the order button NOW and watch a whole new world open up to you. P. P. S. And if you believe that you've already seen it all, well, you're sadly mistaken, my friend. Conventional techniques will NOT and HAVE NOT worked as well as what I tell you in the book does. Grab your copy now and find out.
