Submarine Seahawk:

Eye on Science Fiction Tom Weaver, 2007-04-23 The march of the monster movie makers continues in Tom Weaver's ninth book of in depth interviews with the men and women who made the horror and sci fi favorites of the 1940s 50s and 60s Actors including Mike Connors Brett Halsey Natalie Trundy and Richard Kiel writers producers and directors recall legendary genre figures Lugosi Chaney Jr Tod Browning and James Whale films ranging in quality from *The Thing* to *Macumba Love and Eegah* behind the scenes tales of cult TV series *Twilight Zone* *Batman* *Lost in Space* more and serials and of course the usual barrage of outlandish movie menaces this time including the *Fly* *Flesh Eaters* *Monolith Monsters* ape men voodoo women and spider babies And all in the candid no holds barred style that has made Weaver king of the interviewers

Classic Images American International Pictures Rob Craig, 2019-03-05 American International Pictures was in many ways the missing link between big budget Hollywood studios poverty row B movie factories and low rent exploitation movie distributors AIP first targeted teen audiences with science fiction horror and fantasy but soon grew to encompass many genres and demographics at times it was indistinguishable from many of the major studios From *Abby* to *Zontar* this filmography lists more than 800 feature films television series and TV specials by AIP and its partners and subsidiaries Special attention is given to American International Television the TV arm of AIP and an appendix lists the complete AITV catalog The author also discusses films produced by founders James H Nicholson and Samuel Z Arkoff after they left the company

Long Ago and Far Away Robert Fyne, 2008-05-20 The Second World War was the greatest social political and economic upheaval of the 20th century As a popular Hollywood subject WWII still enthralles viewers six decades after Allied commanders affixed their signatures on the victory document in Tokyo Bay Recreating flag waving charges frontal beachhead assaults commando raids and even home front heroics these motion pictures for better or worse provide the primary learning experience for postwar generations After scrutinizing hundreds of screenplays Robert Fyne has written an in depth study of World War II films analyzing the different storylines points of view and contemporary events found in each In *Long Ago and Far Away* Hollywood and the Second World War Fyne examines WWII films from 1941 to the present explaining how the content and mood in these productions paralleled national mores and politics Some titles are laudatory even chauvinistic while others are frivolous or sophomoric Biographical screenplays both glorify and damn various leaders Some films bombard viewers with horrific experiences while others such as goofy science fiction titles with their wraiths and flying saucers seem inappropriate Love stories are examined as well as films revealing Japanese prisoner of war deprivations and Nazi concentration camp atrocities From *Above and Beyond* to *Zone Troopers* and *The Best Years of Our Lives* to *Flags of Our Fathers* this is a compelling look at how filmmakers have dramatized this pivotal period in history For historians movie watchers or social commentators *Long Ago and Far Away* complete with an elaborate filmography offers new information about Hollywood's diverse interpretations of the Good War

When Eagles Dared Howard Hughes, 2012-01-30 When Eagles

Dared is a salute to the men and women who participated in World War II and the filmmakers who have immortalised their stories on screen. It tells both the story of the historical events of this first truly world war and of the films that have depicted these events, comparing the cinematic myth with the historical reality as a guide to history through cinema. When Eagles Dared portrays the people who participated in the war from the evacuation of the Allied forces from France at Dunkirk through to the battle for Berlin and beyond. Each chapter discusses a theatre of war, an event, a campaign or battle by explaining the historical events as they unfold and then examines how filmmakers have represented them. Chapters discuss the war in the skies, Battle of Britain and The Dam Busters, the sea, Sink the Bismarck and The Cruel Sea, and the North African desert, The Battle of El Alamein and Tobruk. There are special mission movies including Where Eagles Dare and The Dirty Dozen, classic tales of ingenuity, The Great Escape, valour, Saving Private Ryan and human endurance, The Bridge on the River Kwai. Offering a unique view of war through the lenses of over 150 diverse films that have shaped our perceptions of the conflict. When Eagles Dared is illustrated with rare stills and posters from this ever popular genre. **Notes from a 12**

Man Mark Tye Turner, 2010-06-01. The perfect gift for the Twelfth Man in any household here is a fun and funny fan's history of the Seattle Seahawks. Since the franchise's beginnings more than 30 years ago, there's no doubt who has been the greatest member of the Seattle Seahawks. After all, who was there at the opening of the Kingdome only to watch that fabled stadium years later turn to dust? Who endured the embarrassment of The Boz? And who was there during Super Bowl XL to witness the team lose to the game officials? Oh yeah, that's right. We, the twelfth man, were there. Living up to our reputation as some of the loudest, most supportive fans in the NFL. Notes from a 12 Man isn't just the team's history; it's our history. Author Mark Tye Turner, a television writer who's been a twelfth man since Day One, tells it like it is and in obsessive detail. This book will make you laugh, wince, cheer, and learn everything you ever need to know about the team and then some. *The Art of Movies*

Nicolae Sfetcu, 2014-05-06. Movie is considered to be an important art form. Films entertain, educate, enlighten, and inspire audiences. Film is a term that encompasses motion pictures as individual projects as well as, in metonymy, the field in general. The origin of the name comes from the fact that photographic film, also called filmstock, has historically been the primary medium for recording and displaying motion pictures. Many other terms exist: motion pictures, or just pictures, or picture, the silver screen, photoplays, the cinema, picture shows, flicks, and commonly, movies. The World War II Combat Film Jeanine

Basinger, 2003-05-15. Lively, comprehensive analysis of World War II movies. **Dan Duryea** Mike Peros, 2016-10-11. Dan Duryea, 1907-1968, made a vivid impression on moviegoers with his first major screen appearance as the conniving Leo Hubbard in 1941's classic melodrama *The Little Foxes*. His subsequent film and television career would span from 1941 until his death. Duryea remains best known for the nasty, scheming villains he portrayed in such noir masterpieces as *Scarlet Street*, *Criss Cross*, and *The Woman in the Window*. In each of these, he wielded a blend of menace, sleaze, confidence, and surface charm. This winning combination led him to stardom and garnered him the adoration of female fans, even though Duryea's

onscreen brutality so often targeted female characters Yet this biography's close examination of Duryea's oeuvre finds him excelling in various roles in many genres war films westerns crime dramas and even the occasional comedy Dan Duryea Heel with a Heart is a full scale comprehensive biography that examines the tension between Duryea's villainous screen image and his Samaritan personal life At home he proved to be one of Hollywood's most honorable and decent men Duryea remained married to the former Helen Bryan from 1931 until her death in 1967 A dedicated family man he and Helen took an active role in raising their children and in the community In his career Duryea knew villainous roles were what the public wanted there would be a public backlash if fans read an article depicting what a decent guy he was Frustrated that he couldn't completely shake his screen image and public persona he wrestled with this restriction throughout his career Producers and the public did not care to follow any new directions he hoped to pursue This book written with Duryea's surviving son Richard's cooperation fully explores the life and legacy of a Hollywood icon ready for rediscovery
