Submission Keys To A Successful Marriage:

Submission Willie Johnson, 2005-09 Submission Keys to a Successful Marriage is designed to help couples understand that the safest marriage in which one can be involved is a marriage in which both spouses are submitted to God. This book will help readers understand that submission is not a weak position but one which displays one's ability to surrender one's will to God. Furthermore, this book discusses such topics as God's design for marriage in the beginning, starting a relationship, denying fleshly desires, premarital preparation, the effects of childhood experiences, the importance of marriage vows, and what submission is. Of course, there are no perfect marriages, but couples should aspire to bring a certain level of glory to God in their relationship.

The Keys to a Happy and Fulfilling Life as a Couple Ron Cherry, 2022-08-01 You are holding in your hands now Solutions to all of your relationship challenges for now and the future. One of the finest books about love and forgiveness we have ever read. This inspiring book guides us how to reach the full potential to a lasting commitment of joy, peace, forgiveness, and endless love while fulfilling yourself daily. The best loved teaching and forgiveness show us how we can transform all life difficulties of the couple into a valuable opportunity for building a healthy relationship we have been looking for a long time. When we are talking about love or forgiveness, is there really Western or Eastern love? Does not everyone seek happiness, joy, peace, unconditional love, financial security? Do we not seek a wise, intelligent, and captivating man or woman to build forgiveness and love based on mutual respect, understanding, responsibility, integrity, and humility, faithfulness, effective communication, family, and community spirit? Human being is perfectly imperfect, but we can be perfected in love, forgiveness, and kindness. Each of us has already been hurt, betrayed, and despised by our wife or our husband, and would like to hear the words "I apologize sincerely," "I am sorry for everything that has happened between us," "I truly regret everything," "I love you tremendously," "You are adorable," "We will get there, I trust you," "I promise to be faithful, supportive, and loyal," "Shouldn't you also think about forgiving, loving, having patience for your husband and for your wife who was yesterday the prince charming or the woman of your dreams who no longer has any value in your eyes today?" You are saying "He is my enemy," "I am someone else's enemy." Our greatest enemy is not that ourselves. When you remind your husband of things that have happened in the last twenty years or explain to your friends and colleagues the private life of your relationship or the mistakes of either one of you, aren't you destroying the relationship by thinking you are hurting your husband or wife? Teeth sometimes bite the tongue, but they remain together. Let us be merciful and slow to anger, rich in kindness and fidelity. Love is patient, it is full of greatness and sacrifice. Should we not be a source of love in order to know the height, depth, length, and width of love? Love is strong as death. Death, life, and environmental difficulties can never overcome immeasurable love. At the point where we have reached, let us walk with the same step, eye to eye, hand in hand, with the same vision. We have a lot more in common than you think. I

David S. Thompson,2009-06 Marriage is one of the most satisfying and yet one of the most difficult relationships on earth God places a great importance on this relationship and gives very clear principles on how it is to be lived out in the daily life using the Word of God In Twelve Biblical Steps these Biblical principles will be carefully analyzed and clearly explained so that every Christian couple can grasp their significance and begin to carry them out in their marriages Some of these Biblical principles that are covered in this book are as follows Follow the instructions Building a spiritual network Becoming friends not just roommates Avoiding the triple threats Fight to unite not divide This book is not intended to cover all the challenges that married couples face It is not an in depth analysis of relationship issues It is not expected to answer all of the questions that couples may have as they learn to build a new home and a new family However it is a book that seeks to dig into God s Word and apply His truth to the marriage relationship The hope of this author is that the chapters that follow in this book will enable the husband and the wife to develop a marriage that is a success and so become examples for a new generation to follow Dr David S Thompson has pastored churches in Queens New York and in the Cayman Islands and in upstate New York He and his wife Judith have been married over 33 years and have raised five children He currently is the Professor of Bible and Missions at Trinity Baptist College **Get a Man, Keep a Man** Shei Atkins,2010-05
