**The Things That Fly in the Night** Giselle Liza Anatol, 2015-02-16 *The Things That Fly in the Night* explores images of vampirism in Caribbean and African diasporic folk traditions and in contemporary fiction. Giselle Liza Anatol focuses on the figure of the soucouyant or Old Hag, an aged woman by day who sheds her skin during night's darkest hours in order to fly about her community and suck the blood of her unwitting victims. In contrast to the glitzy glamour and seductiveness of conventional depictions of the European vampire, the soucouyant triggers unease about old age and female power. Tracing relevant folklore through the English and French speaking Caribbean, the U.S. Deep South, and parts of West Africa, Anatol shows how tales of the nocturnal female bloodsuckers not only entertain and encourage obedience in pre-adolescent listeners but also work to instill particular values about women's proper place and behaviors in society at large. Alongside traditional legends, Anatol considers the explosion of soucouyant and other vampire narratives among writers of Caribbean and African heritage who in the past twenty years have rejected the demonic image of the character and used her instead to urge for female mobility, racial and cultural empowerment, and anti-colonial resistance. Texts include work by authors as diverse as Nobel Laureate Toni Morrison, U.S. National Book Award winner Edwidge Danticat, and science fiction/fantasy writers Octavia Butler and Nalo Hopkinson. *Whitaker's Books of the Month & Books to Come*, 1986

**Religiosity, Cosmology and Folklore** Therese E. Higgins, 2014-05-22 This book presents background information on the beliefs, customs, traditions, and cosmologies of several of Africa's foremost peoples, relates these findings to each of Morrison's seven novels by highlighting the connections between the African root and the African American product, and elucidates how this connection helps to understand and to clarify many of Morrison's allusions to the culture out of which she writes. It presents a new way of reading Morrison's work that has been previously overlooked and moves beyond just African American culture, delving into Africa and its people.

**The British Library General Catalogue of Printed Books, 1986 to 1987** British Library, 1988

**Toni Morrison** Jill Matus, 2024-07-30 An illuminating study of one of the best-selling most widely studied Black authors today. Explains Morrison's relation to the American civil rights and Black Consciousness movements. Places Morrison in a political and historical context. *Such Devoted Sisters* Cathy Linton, 1986

**Toni Morrison and the Bible** Shirley A. Stave, 2006 This collection of essays critically interrogates Toni Morrison's use of the Bible in her novels, examining the ways in which the author plays on the original text to raise issues of spirituality as it affects race, gender, and class. Ideal for courses on Morrison or on explorations of the intersection of religion and literature, this collection treats its topic with sophistication, considering religion in its broadest possible sense and examining syncretic theologies as well as mainstream religions in its attempt to locate Morrison's work in a spiritual/theological nexus. *The Complete Directory of Large Print Books & Serials*, 1994

**Paradise** Toni Morrison, 2007-07-24 The acclaimed Nobel Prize winner challenges our most fiercely held beliefs as she weaves folklore and history, memory and myth into an unforgettable meditation on race, religion, gender, and a far-off past that

is ever present in prose that soars with the rhythms grandeur and tragic arc of an epic poem They shoot the white girl first With the rest they can take their time So begins Toni Morrison s *Paradise* which opens with a horrifying scene of mass violence and chronicles its genesis in an all black small town in rural Oklahoma Founded by the descendants of freed slaves and survivors in exodus from a hostile world the patriarchal community of Ruby is built on righteousness rigidly enforced moral law and fear But seventeen miles away another group of exiles has gathered in a promised land of their own And it is upon these women in flight from death and despair that nine male citizens of Ruby will lay their pain their terror and their murderous rage A fascinating story wonderfully detailed The town is the stage for a profound and provocative debate Los Angeles Times

*The 100 Most Popular Young Adult Authors* Bernard A. Drew, 1997-10-15 The book focuses on individuals writing in the 90s but also includes 12 classic authors e g Mark Twain Louisa May Alcott J R R Tolkien who are still widely read by teens It also covers some authors known primarily for adult literature e g Stephen King and some who write mainly for middle readers but are also popular among young adults e g Betsy Byars An affordable alternative to multivolume publications this book makes a great collection development tool and resource for author studies It will also help readers find other books by and about their favorite writers
