

A couple is walking away from the camera on a sandy beach. The woman on the left has long blonde hair and is wearing a light-colored jacket and blue jeans. The man on the right is wearing a dark t-shirt and dark pants. Both are pushing their bicycles. In the background, there is a large, dark rock formation and the ocean under a hazy sky.

“and suddenly, we were strangers again”

Suddenly We Were

Eve Otto, Jozef Otto

Suddenly We Were:

Suddenly We Didn't Want to Die Elton Mackin, 2009-03-12 In the tradition of All Quiet on the Western Front Elton E Mackin's memoirs are a haunting portrayal of war as seen through the eyes of a highly decorated Marine who fought in every Marine Brigade battle from Belleau Wood to the crossing of the Meuse on the eve of the Armistice Praise for Suddenly We Didn't Want to Die This beautifully written and truly gripping war memoir is a significant addition to battlefield literature A minor classic An altogether remarkable job comparable to Crane Remarque and Mailer Deserves the widest possible audience The Cleveland Plain Dealer This immediate eloquent report merits comparison with Thomas Boyd's Marine Corps 1923 classic Through the Wheat Publishers Weekly A real curiosity a highly mannered World War I diary published nearly 80 years after being written and 20 years after its author's death Bright snapshots abound sometimes a young man's lyricism takes over but the horror of war never departs The diary has the faults one expects and the promise one prays for A fine addition to WWI literature Kirkus Reviews A forthright eloquent and powerful memoir certain to become an enduring testament to the drama and tragedy of World War I Threaded with no small measure of poetry this superb memoir is sure to become a classic Great Battles A plain but powerful tale in vivid prose loaded with details that bring the horrors of World War I to life he tells an exceptional new version of the old story of battle transforming a boy into a veteran American Library Association Booklist To the ranks of Erich Maria Remarque E E Cummings John Dos Passos and Siegfried Sassoon we must now add Elton Mackin who in a terse style reminiscent of Hemingway succeeds in making someone unfamiliar with war truly now the frightfulness of the trenches and the greatness of the many men who fought in them Marine Corps Gazette

Suddenly Everything was Different Olaf G. Klein, 2007 It includes an introduction and extensive annotations to assist the reader in understanding the East German and unified German contexts BOOK JACKET *Suddenly You* Sarah Mayberry, 2012-10-30 The definition of a happy man The guy who knows exactly what he wants and has it That's Harry Potter He's got the perfect job the best buddies and no commitments beyond the next good time It's the ideal life Then he stops to help Pippa White when she's stranded by the side of the road He's known and liked her for a while but as the ex of a friend she's entirely off limits And as fun as the banter with her is Harry knows single moms are out of his league So why all the excuses to see Pippa again and again And why can't he stop thinking about her But most puzzling of all is how Harry suddenly wants to swap a night with the boys for one with only Pippa *Suddenly You* Crystal Hubbard, 2008-01-01 Arriving at Raines Hartley Hospital to care for her ailing grandmother Cady Winters meets her match in Dr Keren Bailey who building a life without friendship family or love finds his carefully structured existence thrown into chaos by this strong-willed woman Original **Suddenly There is God** Veronica Mary Rolf, 2019-10-09 Suddenly There is God plunges us into the key stories of biblical characters who find themselves caught up in the divine human drama With unique insight it relates these stories directly to the distinct stages of our own lives being created falling from grace leaving the childhood ark hearing God's call

gaining freedom embracing covenant praying the psalms learning forgiveness choosing love and expecting resurrection The scenes unfold before our eyes like a riveting play or film as we discover with astonishment how closely the progression of Old and New Testament stories reflects our own spiritual journey Packed with historical content and written with dramatic intensity Suddenly There is God suggests contemplative ways for us to nurture an ardent expectation of encountering God By identifying with the biblical characters their conflicts difficult choices and realizations we recognize how divine presence continually breaks into our own life story This book is a valuable resource for clergy students and spiritual seekers who long to experience the drama of sacred Scripture as deeply personal revelation

A Dance With Death Anne Noggle,1994 For their heroism and success against the enemy two of the women s regiments were honored by designation as Guard regiments At least thirty women were decorated with the gold star of Hero of the Soviet Union their nation s highest award *Blood and Soil* Sepp de Giampietro,2019-05-30 The author is a sympathetic narrator and he has told his story with genuine verve and style His South Tyrolean origins and his role in the Brandenburg Division make the book very distinctive Roger Moorhouse The Brandenburgers were Hitler s Special Forces a band of mainly foreign German nationals who used disguise and fluency in other languages to complete daring missions into enemy territory Overshadowed by stories of their Allied equivalents their history has largely been ignored making this memoir all the more extraordinary First published in German in 1984 de Giampietro s highly personal and eloquent memoir is a vivid account of his experiences In astonishing detail he delves into the reality of life in the unit from everyday concerns and politics to training and involvement in Brandenburg missions He details the often foolhardy missions undertaken under the command of Theodor von Hippel including the June 1941 seizure of the Duna bridges in Dunaburg and the attempted capture of the bridge at Bataisk where half of his unit were killed Translated into English for the first time this is a unique insight into a fascinating slice of German wartime history both as an account of the Brandenburgers and within the very particular context of the author s South Tyrolean origins Given the very perilous nature of their missions very few of these specially trained soldiers survived the Second World War and much knowledge of the unit has been lost forever Widely regarded as the predecessor of today s special forces units this fascinating account brings to life the Brandenburger Division and its part in history in vivid and compelling detail

Our Times, Our Lives Eve Otto,Jozef Otto,2004-11 Eve Otto explains When I began writing this book I had in the back of my mind that those who are young now might someday be interested in what life was like when their grandparents were growing up how life changed drastically with the coming of World War II in Europe and the turbulent years that followed the traumas of our emigration to America with our three young children and the difficult adjustments we had to make My book then is sort of a legacy to them *Remembering: Voices of the Holocaust* Lyn Smith,2009-04-20 A landmark achievement in Holocaust scholarship Remembering Voices of the Holocaust is culled from hours of first person accounts from survivors recorded for inclusion in the sound archives of both the Imperial War Museum in London and the National Holocaust

Museum in Washington DC In their own words Jewish survivors as well as Gypsies Jehovah's Witnesses and both perpetrators and ordinary observers recount the entire horrific arc of the Holocaust from the ominous rise of the Nazi party during the Weimar days through the liquidation of the ghettos and the institution of Hitler's final solution continuing on to the liberation of the camps and the harrowing aftermath of the War

The Monkey Link Andrei Bitov, 1999-12 In the waning years of the Empire a poet traverses Russia from the Baltics to the capital to the shores of the Black Sea Along the way he discusses man's place in the scheme of things with among others a very sober scientist and a very drunken landscape painter He is harassed by the authorities spends time on a movie set and is an eyewitness to the August 1991 coup Full of talk philosophical speculation and dark humor this sweeping intricately structured novel challenges the form even as it presents a highly original view of the world and the former Soviet Union
