Sudtiroi Stunde Null:

Südtirol, Stunde Null? Hans Heiss, 2000 The South Tyrol Way Hans Karl Peterlini, 2023-10-11 In lively language Hans Karl Peterlini guides us through the recent history of South Tyrol He illuminates the developments and key events including the fighting in the First World War the option and Italianisation of the country under the fascists the political efforts for autonomy and the bomb attacks Furthermore Peterlini tells the stories of the people of South Tyrol their economies cultural creations and lifestyles their misunderstandings and achievements in reconciliation right up to the present day

Nazis on the Run Gerald Steinacher, 2012-08-23 This is the story of how Nazi war criminals escaped from justice at the end of the Second World War by fleeing through the Tyrolean Alps to Italian seaports and the role played by the Red Cross the Vatican and the Secret Services of the major powers in smuggling them away from prosecution in Europe to a new life in South America The Nazi sympathies held by groups and individuals within these organizations evolved into a successful assistance network for fugitive criminals providing them not only with secret escape routes but hiding places for their loot Gerald Steinacher skillfully traces the complex escape stories of some of the most prominent Nazi war criminals including Adolf Eichmann showing how they mingled and blended with thousands of technically stateless or displaced persons all flooding across the Alps to Italy and from there to destinations abroad The story of their escape shows clearly just how difficult the apprehending of war criminals can be As Steinacher shows all the major countries in the post war world had mixed motives for their actions ranging from the shortage of trained intelligence personnel in the immediate aftermath of the war to the emerging East West confrontation after 1947 which led to many former Nazis being recruited as agents turned in the Cold War

Return and Circular Migration in Contemporary European History Sarah Oberbichler, Eva Pfanzelter, Valerio Larcher, 2024-06-05 *Ethnicity, Nationalism and the European Cold War* Robert Knight, 2012-04-26 This book questions the prevalent assumption that ethnicity and nationalist politics had nothing to do with the Cold War and that far from being frozen until the fall of communism they remained central to the conflict in Europe Leading scholars bring their understanding of particular regions to bear on the wider issue of why ethnic explanations were written out of the discourse and whether this was a failure on the part of Western observers This in turn has led to an overly simple understanding of power flowing downwards from superpower to nation state and from state to society Engaging with key thinkers such as Gaddis Moynihan and Adam Roberts this collection ultimately allows such speculation to be replaced by historical research and bridges the gap between high politics and ethnic concerns

A Nazi Past David A. Messenger, Katrin Paehler, 2015-04-21 Since the end of World War II historians and psychologists have investigated the factors that motivated Germans to become Nazis before and during the war While most studies have focused on the high level figures who were tried at Nuremberg much less is known about the hundreds of SS members party functionaries and intelligence agents who quietly navigated the transition to postwar life and successfully assimilated into a changed society after the war ended In A

Nazi Past German and American scholars examine the lives and careers of men like Hans Globke who not only escaped punishment for his prominent involvement in formulating the Third Reich's anti-Semitic legislation but also forged a successful new political career. They also consider the story of Gestapo employee Gertrud Slottke who exhibited high productivity and ambition in sending Dutch Jews to Auschwitz but eluded trial for fifteen years. Additionally, the contributors explore how a network of Nazi spies and diplomats who recast their identities in Franco's Spain far from the denazification proceedings in Germany. Previous studies have emphasized how former Nazis hid or downplayed their wartime affiliations and actions as they struggled to invent a new life for themselves after 1945, but this fascinating work shows that many of these individuals actively used their pasts to recast themselves in a democratic Cold War setting. Based on extensive archival research as well as recently declassified US intelligence, *A Nazi Past* contributes greatly to our understanding of the postwar politics of memory.

Tolerance Through Law Jens Woelk, Francesco Palermo, Joseph Marko, 2008. The autonomous province of South Tyrol in Northern Italy is generally considered to be one of the most successful examples for the solution of ethnic conflicts. This book gives an analysis of the evolution of the legal instruments and institutions of self-government and minority protection through power sharing as well as of the experience gathered during decades of the implementation of a working economy. It thus provides insights regarding the state and the evolution of this specific case as well as for the general tendencies in the development of territorial autonomy and minority protection.

Südtiroler in der Waffen-SS Thomas Casagrande, 2016-02-19. Otto Casagrande starb 1990 auf einem Veteranentreffen der Waffen-SS. Für seinen Sohn Thomas war dies der Auslöser, sich intensiv mit der Vergangenheit des ehemaligen SS-Untersturmführers zu beschäftigen. Nach zwanzig Jahren Recherche legt der Autor nun eine erste Studie über Anzahl, Rekrutierung und Verwendung der vielen Südtiroler SS-Freiwilligen vor. Die Südtiroler Rekrutierungsquote der SS liegt im Vergleich zum Deutschen Reich sowie anderen volksdeutschen Gebieten überproportional hoch. Eingesetzt wurden die ersten Freiwilligen in den damaligen Elitedivisionen der Waffen-SS oder in den Wachmannschaften der Konzentrationslager. Später wurden Rekruten eher den Gebirgsjägern zugeteilt oder ab 1943 den Besatzungstruppen in Italien. In Kurzbiografien und dem ausführlichen Lebenslauf Otto Casagrandes werden Motivation und Einsatz der Südtiroler bei der Waffen-SS anschaulich dargestellt. Daraus ergibt sich eine SS-Geschichte von unten, die über die Grenzen Südtirols hinaus einen beispielhaften Blick auf die junge Kriegsgeneration und auf die unteren Dienststufen wirft.
