Suffering Martyrdom And Rewards In Heaven:

Suffering, Martyrdom, and Rewards in Heaven Josef Ton, 1997 The first systematic study of suffering martyrdom and rewards in heaven this book offers a comprehensive survey of these ideas through biblical and historical investigation from the time of the writing of the book of Job to the present Suffering and martyrdom for the faith are always accompanied in the biblical literature with the promise of great rewards in heaven However the Christian theology has never presented a comprehensive treatment of this subject For the Protestant ideology especially it was always difficult if not impossible to integrate logically the concept of rewards into a system of grace and faith alone This book for the first time presents a biblical and reasonable interpretation of the rewards in heaven and advocates close attention to God's original purpose for the creation of man as explanation for the complex issue of suffering and martyrdom

Suffering, Martyrdom, and Rewards in Heaven Josef Ton, 1996

The Suffering of the Impassible God Paul L. Gavrilyuk, 2004-03-12 The Suffering of the Impassible God provides a major reconsideration of the issue of divine suffering and divine emotions in the early Church Fathers Patristic writers are commonly criticized for falling prey to Hellenistic philosophy and uncritically accepting the claim that God cannot suffer or feel emotions Gavrilyuk shows that this view represents a misreading of evidence In contrast he construes the development of patristic thought as a series of dialectical turning points taken to safeguard the paradox of God's voluntary and salvific suffering in the Incarnation

Heaven Christopher W. Morgan, Robert A. Peterson, 2014-09-30 Our culture has a lot to say about heaven But too much of it is based more on imaginative speculation or supernatural experiences than on the Bible itself In the latest addition to the Theology in Community series Christopher Morgan and Robert Peterson have assembled an interdisciplinary team of evangelical scholars to explore the doctrine of heaven from a variety of angles Among other contributors Ray Ortlund examines the concept of heaven in the Old Testament Gerald Bray explores the history of theological reflection about heaven and Ajith Fernando looks at persecuted saints special relationship to heaven in the New Testament This team of first rate scholars offers modern readers a comprehensive overview of this often misunderstood topic shedding biblical light on the eternal hope of all Christians Part of the Theology in Community series

Your Eternal

Reward Erwin W. Lutzer, 2015-04-17 When we reflect on how we lived for Christ we might weep on the other side of the celestial gates To their own detriment many Christians have emptied the judgment seat of Christ of its meaning living like they will never meet His knowing gaze For this they may have tears in heaven In this provocative book Dr Erwin Lutzer argues that remorse in heaven awaits those who don't live fully for God on earth Exploring the often overlooked Scriptures about reward and judgment for Christians Dr Lutzer answers questions like How will believers be judged Do rewards for faithfulness vary If heaven is perfect why do rewards even matter His answers are immensely practical Your Eternal Reward will prompt you to live more faithfully whether in your conduct your speech or even your use of money that you might enjoy heaven all the more What is sown on earth is reaped in heaven and Dr Lutzer will have you taking this truth to heart **A**

Martyr's Grace Marvin J Newell, 2016-01-20 Have you grace to be a martyr D L Moody was once asked No he replied I have not But if God wanted me to be one he would give me a martyr's grace They came from around the world Administrators teachers doctors and nurses church planters and pilots Regular people in the prime of life In *A Martyr's Grace* Marvin Newell tells the individual stories of these faithful men and women who made a difference in the places they served He also describes in many cases for the very first time how Jesus called them home Their legacies live on in the rainforests villages churches and cities where they died What is it that compels ordinary people to sacrifice their lives in this way Only Christ They didn't go expecting to die But they went having already given their lives *Desiring God, Revised Edition* John Piper, 2011-01-18 Experience the Lifelong Pleasures of Knowing God Satisfaction Happiness Joy According to John Piper the pursuit of pleasure in God is not only permissible it's essential *Desiring God* is a paradigm shattering work that dramatically alters common perspectives on relating to God Piper reveals that there really is no need to choose between duty and delight in the Christian life In fact for the follower of Jesus delight is the duty as Christ is most magnified in His people when they are most satisfied in Him Constantly drawing on Scripture to build his case Piper shows why pursuing maximum joy is essential to glorifying God He discusses the implications of this for conversion worship love Scripture prayer money marriage missions and suffering Piper beckons us to approach God with the hedonist's abandon Finally we are freed to enjoy Jesus not only as our Lord and Savior but also as our all surpassing soul satisfying Treasure *Desiring God* may turn your Christian world upside down And that will be a good thing for the glory of God and for your deepest joy Includes a study guide for individual and small group use **Distinguishing the Church** Greg Peters, Matt Jenson, 2019-06-27 As the Protestant Reformers did so twenty first century Christians also recognize the need to distinguish between the true and false church Thus they find themselves looking closely at the modern church to determine whether it is a true and faithful church Today's Christians know that proper criteria are necessary to discern the true church The most common criteria wrote John Calvin are that the Word of God is rightly preached and heard and that the sacraments are administered according to Christ's institution Moreover Martin Luther said that suffering is a telltale sign of God's people while Anabaptist and Reformed

Christians included discipline among the distinguishing marks of the church. These standards take on particular poignancy today. The global church continues to live under severe persecution and the American church, characterized by a lack of discipline, has been wounded by its own sins of chasing sex and power. In this collection of essays first given at annual meetings of the Evangelical Theological Society, the authors take time to reflect on the Reformational marks of the church in order to help reform Christ's bride.
