Suffering as Divine Discipline in the Old Testament and Post-Biblical Judaism James A. Sanders, 1955

Mercer Dictionary of the Bible Watson E. Mills, Roger Aubrey Bullard, 1990 Jesus Christ in History and Scripture highlights two related bases for the current revolution in Jesus studies 1 a critically chastened world view that is satisfied with provisional results and 2 a creative or poetic use of the sources of study of Jesus Authorizing an End Polaski, 2021-10-01 Breaking with common views on Jewish proto apocalyptic literature in a postmodern manner this work approaches one particular proto apocalyptic text Isaiah 24 27 the so called Isaiah Apocalypse intertextually This reading finds that the Isaiah Apocalypse redeploys and controls other texts helping secure the authority of those texts as well as its own vision of the end The first chapter surveys approaches to late Israelite prophecy and presents a new intertextual way of viewing this material The chapters that follow investigate the eternal covenant and its role in intertextual space Isaiah 25 s construal of Israel s relationship to other nations the central role of the righteous in Isaiah 26 and Isaiah 27 which points towards the victory of YHWH s order over chaos Readers interested in the development of Jewish apocalyptic literature the social arrangements of second Temple Judaism and postmodern treatments of biblical texts will find this volume useful

Explorations in African Biblical Studies David T. Adamo, 2001-06-29 Finally I have managed to read the Manuscript of your book Exploration in African Biblical Studies I read it with much and personal interest You have taken up a set of very interesting and important issues which relate directly to the theological tasks of the Church in Africa I appreciate the contributions you are making in this area informative challenging and stimulating They show a good grasp of Biblical knowledge so that you speak with a good measure of authority As the book is a collection of essays each would need to be judged on its own merit There is no clear flowing link between them so as to form a unit I liked especially your treatment of African Cultural Hermeneutics This area has not received much attention and your essay would be instrumental in opening the way in that direction I do not feel so comfortable about the essay dealing with African American Hermeneutics My general feeling is that this is an area for African Americans to handle just as areas dealing directly with Africa should be left to us to tackle The essay on Cush Africa in the Old Testament is fascinating and informative You have made a very good case which among other things demolishes the Anti Africa attitude of many Western scholars What you have demonstrated here should be said a hundred times over and be said in the great centres of Biblical study the world over Professor J S Mbiti Germany **Scribes and Translators** Natalio Fernández Marcos, 1993 This volume based on recently published Old Latin material provides fascinating information and discussion on the textual pluralism attested by the Hebrew texts and versions of the books of Kings an intriguing page in the history of the biblical texts **Hellenistic Jews and Consolatory Rhetoric** Christine R. Trotter, 2023-12-08 Christine R Trotter elucidates how Hellenistic Jewish writers attempted to comfort those

living in the midst of and in the wake of persecution and violence While past scholarship has explored this question primarily in terms of the development of Jewish apocalypticism and afterlife beliefs Christine R Trotter takes a comprehensive approach by investigating how Hellenistic Jewish authors engaged with ancient consolatory rhetoric that is the means of persuasion intended to move a suffering person out of grief and into joy Through studies on 2 Maccabees the Wisdom of Solomon 1 Thessalonians and Hebrews the author explicates how Hellenistic Jewish authors navigated the diverse traditions of consolation within their biblical heritage and Greco Roman culture Her work has important implications for the genre of 1 Thessalonians and the dates of composition of the Wisdom of Solomon and Hebrews **Reading and Interpreting the**

Bible in African Indigenous Churches David T. Adamo, 2001-07-23 **The Christology of the New Testament**, 1959-01-01 This book is invigorating to read for it is how biblical theology should be written Professor Cullmann has set a high standard of biblical scholarship in this book and it will be a great resource for students of sacred Scripture Theology of the Old Testament Walther Eichrodt, 1967-01-01 This book the second of two volumes offers a comprehensive profiling of the theology contained in the Old Testament The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing
