Telling Narratives

Leslie W. Lewis, 2024-03-18 *Telling Narratives* analyzes key texts from nineteenth and early twentieth century African American literature to demonstrate how secrets and their many tellings have become slavery's legacy By focusing on the ways secrets are told in texts by Jessie Fauset Charles W Chesnutt Pauline Hopkins Frederick Douglass and others Leslie W Lewis suggests an alternative model to the feminist dichotomy of breaking silence in response to sexual violence This fascinating study also suggests that masculine bias problematically ignores female experience in order to equate slavery with social death In calling attention to the sexual behavior of slave masters in African American literature Lewis highlights its importance to slavery's legacy and offers a new understanding of the origins of self consciousness within African American experience

Please Don't Tell Emma J. Justes, 2014-03-18 I've never told a soul and you have to promise not to tell anybody Pastor I wanted you to know before we tell the kids just in case they come to you I'm so happy Yes finally I'm pregnant I just had to tell someone Yes it's terrible but am I going to explain it to our friends here at church People need trusted persons as sounding boards and confidants Not many weeks go by that someone does not confide a secret to a church leader whether pastor youth director church secretary choir director or board member While pastors have a unique role when it comes to confidentiality listening to secrets is something that every church leader does But there are both privileges and responsibilities in reporting discerning the truth and helping people bear the deep sins or temper the anger that threatens to overflow
