Temoins De Jehovah Face A Hitler:

Jehovah's Witnesses and the Third Reich M. James Penton, 2004-01-01 Using materials from Witness archives the U S State Department Nazi files and other sources M James Penton demonstrates that while many ordinary German Witnesses were brave in their opposition to Nazism their leaders were quite prepared to support the Hitler government from publisher description **Les témoins de Jéhovah face à Hitler** Guy Canonici, 1998 B n ficiant de la tol rance du r gime de la R publique de Weimar il tait in vitable que les T moins de J hovah deviennent suspects au IIIe Reich puis des adversaires r solus dans leur refus de se soumettre l id ologie nazie et plus encore de porter les armes dans une Allemagne bient t remilitaris e et h g monique **Jehovah's Witnesses in Europe** Gerhard Besier, 2016-08-17 The religious association of Jehovah s Witnesses has existed for about 150 years in Europe How Jehovah s Witnesses found their way in these countries has depended upon the way this missionary association was treated by the majority of the non Witness population the government and established churches In this respect the history of Jehovah s Witnesses in Europe is also a history of the social constitution of these countries and their willingness to accept and integrate religious minorities Jehovah s Witnesses faced suppression and persecution not only in dictatorships but also in some democratic states In other countries however they developed in relative freedom How the different situations in the various national societies affected the religious association and what challenges Jehovah s Witnesses had to overcome and still do in part even until our day is the theme of this history volume **Teaching about the Holocaust in the 21st Century** Jean-Michel Lecomte, Council of Europe. Council for Cultural Co-operation, 2001-01-01 Given the rise of anti Semitism in parts of Europe the accessibility of denial Internet sites and the isolationist stand taken by certain European political leaders today Holocaust teaching was given an important place in Council of Europe s history project Although some countries have high standards for Holocaust teaching others are lacking in material This teaching resource is based on the work of such widely recognised authors as Raul Hilberg Sir Martin Gilbert Saul Friedlander and Christopher Browning plus first hand accounts including those of Primo Levi Hermann Langbein and Claude Lanzmann s interviewees It offers teachers a body of knowledge for use in course planning and brings to the forefront facts and figures on victims often overlooked Roma Gypsies homosexuals Jehovah s Witnesses What emerges from the succinct descriptions of how and where this genocide was carried out is the comprehensiveness of the Nazi enterprise **Against the Draft** Peter Brock, 2006-01-01 Around the world and for hundreds of years men and women have refused to be drafted into bearing arms for their nations wars These conscientious objectors to the draft are the subject of Peter Brock s latest collection Against the Draft Brock the world s leading historian on pacifism has assembled twenty five of his essays on conscientious objection to the draft from the beginning of the Radical Reformation in 1525 to the end of the Second World War Included in the collection are essays on little known facets of the anti draft movement including the Anabaptist Mennonite tradition of military exemption that started with the outset of the Radical Reformation in 1525 and

has continued with variations until the present Further articles deal with the Quakers in a number of countries Civil war America Leo Tolstoy who became a convinced pacifist in the later part of his life British conscientious objectors in the Non Combatant Corps the emergence of conscientious objection in Japan and the fate of conscientious objectors in the psychiatric clinics of Germany and in interwar Poland Essays on the Central European Nazerenes and on Jehovah s Witnesses in Nazi Germany highlight the exceptionally harsh treatment meted out to conscientious objectors belonging to these two sects and their steadfast resistance to the state s demand to bear arms Against the Draft makes an important contribution to the growing study of pacifism and conscientious objection and represents a key work in the career of the field s foremost scholar
