Tempest And Exodus:

Tempest and Exodus Ralph Ellis, 2010-11-04 epub format The Tempest Stele of Ahmose I contains a quotation from the biblical account of the plagues This again demonstrates that the Israelite leaders were the Hyksos pharaohs of Lower Egypt and so the biblical Jacob was probably the Hyksos pharaoh Jacoba This earlier date for the exodus means that the biblical plagues were probably a real event caused by the island of Thera Santorini exploding and the fallout from this natural catastrophe caused a historically documented civil war and great exodus of the Hyksos Israelite people from Egypt However if these links between Egyptian and Israelite history are true then it is possible that Mt Sinai was actually the Israelite name for the Great Pyramid of Giza The sacred mountain of the Jews was actually a pyramid Sequel to Jesus Last of the Pharaohs Followed by Solomon Pharaoh of Egypt and Eden in Egypt L

Tempest & Exodus Ralph Ellis, 2000 Whilst working on the new edition of Jesus Last of the Pharaohs the author Ralph Ellis discovered a large biblical quotation on an ancient Egyptian stele The quotation appears to be two separate accounts from both the Egyptian and the Israelite perspective of a conference in Egypt discussing the way in which the biblical Exodus should be organized The quotation has fundamental implications for both history and theology because it explains exactly what the pharaoh of the Exodus was the destruction that the Israelites wrought upon the Egyptians why the Tabernacle was constructed and why the biblical Exodus started It even explains exactly who the Israelites really were and thus why the Torah Bible and Koran were written

K2, Quest of the Gods Ralf Ellis, The Great Pyramid in the Himalaya In Thoth Architect of the Universe Ralf discovered evidence for megalithic maps But if these megalithic maps are to be of any use in a quest for the mythical Hall of Records then they need to be a little more detailed than a simple representation of continents Luckily the shaft angles inside the Great Pyramid can refine these maps down to just a few tens of meters And so Ralf embarked on a long trek into the high Himalaya to see what lay at the heart of the Giza map Strangely enough what he found there was a giant snow white pyramid aligned with the cardinal points with a causeway aligned at 14 from its base exactly the same as the Great Pyramid itself Sequel to Thoth Architect of the Universe v3 6

Shards of Illumination II Ralph Ellis, 2024-03-11 eBook edition with colour images 520 pages of gnosis The Shards series are a compilation of hundreds of posts and articles I have written during 2022 and 2023 Both volumes cover a large selection of topics from alternative biblical exegesis to energy policy criticism to climate deception and to covid idiocy Yet the disinformation and gaslighting continues unabated and has even surpassed the peak of just two years ago When will it end I hear you ask Only when we stand up to it and call it out in public Our new age is not the Anthropocene it is actually the Deceptocene Thus we see Clerics only telling their flocks half of the gospel story Medics refusing to investigate alternative therapeutics Climate scientists amending and cherry picking data The media not investigating alternate facts and data Academics jumping on bandwagons for grant funding Politicians using cherry picked data to their advantage These many deceptions can only be the result of intentional deceit not mere incompetence Although these deceptions are invigorated by

bandwagon riders those who seek personal advantage through turning a blind eye to the corruption It is time to stand up to the Woke cry bullies and break through the deception V1 9 2024 eBook colour Volume 2 See Volume 1 also on Google

Eden in Egypt Ralph Ellis,2010-12-11 Why was the birth of a poor carpenter in the first century AD attended by the Magi the Persian king makers Why was Jesus later known as the King of the Jews Using many strands of contemporary evidence Ralph Ellis has pieced together a historical jigsaw puzzle demonstrating that the biblical Jesus was directly descended from Cleopatra VII the most famous queen of Egypt But this is not all for in piecing this story together it would seem that Jesus also had an aristocratic Roman and royal Persian ancestry too and it is the latter bloodline element that explains the appearance of Persian Magi at his birth Cleopatra to Christ Ralph Ellis,2010-11-04 epub Format Why was the birth of a poor carpenter in the first century AD attended by the Magi the Persian king makers Why was Jesus later known as the King of the Jews Using many strands of contemporary evidence Ralph Ellis has pieced together a historical jigsaw puzzle demonstrating that the biblical Jesus was directly descended from Cleopatra VII the most famous queen of Egypt But this is not all for in piecing this story together it would seem that Jesus also had an aristocratic Roman and royal Persian ancestry too and it is the latter bloodline element that explains the appearance of Persian Magi at his birth Sequel to Jesus Last of the Pharaohs Followed by King Jesus L **Shards of Illumination I** Ralph Ellis,2022-02-04 Shards of Illumination Volume I 550 pages of gnosis Academic disinformation appears to be reaching a peak Was it always this way and only now with increased connectivity can we see their duplicity Or are we living in a new era of deception The new age is not the Anthropocene it is actually the Deceptocene Thus we see Clerics only telling their flocks half of the gospel story Medics refusing to investigate alternative therapeutics Climate scientists amending and cherry picking data The media not investigating alternate facts and data Academics jumping on bandwagons for grant funding Politicians using cherry picked data to their advantage Are these academic deceptions the result of intentional deceit or sheer incompetence To be sure there are any number of incompetent scientists historians and clerics but I get the impression that much of this is due to deliberate falsification and fraud The world is awash with duplicity and deceit and it is time to break through the deception Volume I V1 3 Colour See also Volume 2 **Solomon, Pharaoh of Egypt** Ralph Ellis,2010-11-04 epub format There are indisputable links between the Egyptian and Judaic royal lines demonstrating that King David and King Solomon were actually kings of a unified Egypto Judaic nation This is why there is no evidence for these monarchs in the archaeology of modern Israel for the evidence including the tombs sarcophagi and death masks of these famous monarchs are actually located in the north eastern Nile Delta The Queen of Sheba was also related to this royal line and as befitting the great Queen of the South her sarcophagus was discovered at Deir el Bahri in Luxor The book also shows the location of King Solomon s Mines and the true historical identity of Hiram Abif the hero of the Masonic 3rd degree Followed by Eden in Egypt L *Jesus, King of Edessa* Ralph Ellis,2012 Jesus was a king of Edessa 600 pages of gnosis Colour Images This is the book

that the Catholic Church has been dreading for the last 1700 years This is the book that will end Christianity as we know it And this is not advertising hyperbole this really is the end of the Christian fairytale We now know who Jesus was Visit his city see the ruins of his citadel gaze upon his statue handle his coins In reality Jesus was a son of King Abgarus of Edessa a king with a small realm a large treasury and even bigger ambitions Thus Jesus true history undermines much of the biblical fairystory that the gospel authors crafted and so Christianity will never be the same again The jacket image shows Jesus wearing his Crown of Thorns the ceremonial crown of the Edessan monarchy We suggest that readers start with Cleopatra to Christ and then King Jesus The wait before arriving at the last episode in the trilogy will be worthwhile for if a book could be valued on its eureka moments then this final book would be priceless The King Jesus Trilogy Latest version v12 1 2024 Book three of the King Jesus Trilogy in four parts Followed by The Grail Cypher **King Jesus** Ralph Ellis,2011-03 epub format The most comprehensive and revolutionary reappraisal of biblical history This book explains every facet and every character within the New Testament narrative and places them within a real historical context Contrary to orthodox perceptions King Jesus and Queen Mary Magdalene were the richest couple in Syrio Judaea The Romans wanted to impose taxes on Jesus and Mary which provoked the Jewish War King Jesus fought and lost that war so he was crucified reprieved and sent into exile in Roman England This identification of Jesus as a wealthy royal warrior hero of first century Judaea may sound bizarre but that is what the texts say All research and quotations are from original sources including the New Testament Tanakh Talmud Josephus Origen Eusebius Irenaeus Herodian Suetonius Tacitus Clement etc Sequel to Cleopatra to Christ L
