Tempo Control Basketball:

Tempo-Control Basketball Harry L. Harkins, 1970 *The Physical Educator*, 1971 **Game Strategies and Tactics for Basketball** Kevin Sivils, 2009-09 Game Strategy and Tactics for Basketball Preparing to Win the Sideline Battles is both a how to book and a guide for how to plan strategy and tactics for basketball for an entire season or an individual game. Coaches often focus on X's and O's and overlook how and when a particular offense or defense should be applied and used during a game. Game Strategy and Tactics for Basketball Preparing to Win the Sideline Battles serves as a planning guide and a master checklist for all the possible situations that a coach will face during a season. The book includes both traditional and some out of the box strategies to the common situations that coaches face and provides both the pros and the cons of the approaches described. It is not the author's intention to tell each coach exactly what to do but to serve as a guide in the decision making process. About the author: A 24 year veteran of the coaching profession with twenty two of those years spent as a varsity head coach. Coach Kevin Sivils amassed 464 wins and his teams earned berths in the state playoffs 19 out of 22 seasons with his teams advancing to the state semi finals three times. An eight time Coach of the Year Award winner. Coach Sivils has traveled as far as the Central African Republic to conduct coaching clinics. Coach Sivils' first coaching stint was as an assistant coach for his college alma mater Greenville College located in Greenville, Illinois. His teams were always known for their discipline, intense effort, execution of fundamentals and team play. Coach Sivils is also the owner of KCS Basketball Enterprises LLC, an enterprise focused on providing coaches with information to improve their knowledge of the game of basketball and their ability to coach. If you have been looking for a rigorously thorough handbook on basketball tactics and strategy, you have found it. Coach Doug Porter, Head Women's Coach, Olivet Nazarene University, National Scoring Leader 2005, 2006, 2007, 2008, Chicagoland Collegiate Athletic Conference Champions 2000, 2005, 2007. His thought provoking approach makes for an easy read and will definitely stimulate thought and most likely change the way you go about coaching. Rusty Rogers, Two time NAIA Division II Women's National Championship Coach and Two time NAIA National Coach of the Year. Coach Sivils clearly brings his experience in the game of basketball to his writing. He is a great teacher who acquired great gifts over the years and it's great he wants to share those gifts with other coaches. Bill Reidy, Long time successful high school and AAU coach.
