Temptation To Do Good:

The Temptation to Do Good Peter Ferdinand Drucker, 1984-01-01 *Desire, Market, Religion* Jung Mo Sung, 2013-01-26
Jung Mo Sung has pioneered a theological analysis of economics in his previous publications developing a penetrating ethico religious critique of the international capitalist systems whose institutions he likens to altars Where ancient idolatry had visible altars the modern altar of the global market god is invisible but still demands human sacrifices in the name of objective desires Here Sung recovers theology s relevance for a world where the most dangerous idols those that sacrifice millions of people upon the altar of wealth have for too long been ignored by theology *Desire Market Religion* Sung investigates themes such as the struggle against social exclusion the relationship between economics and religion in the 21 century where global brands and global economies reigns supreme and theology s role in the struggle against social exclusion and the giving of hope for plenty when the reality is scarcity **Dennett** Tadeusz Zawidzki, 2014-10-01 A systematic and thorough interpretation of the philosophy of Daniel Dennett this book is a tantalizing entrance into the philosophy of mind Manifestly we human beings are conscious thinking free and responsible agents However science has revealed that we are also natural products of evolution composed of simple biochemical components which are arranged in complex self maintaining configurations How do these two aspects of humanity coincide Tadeusz Zawidzki outlines Dennett s reconciliation of three major components thought consciousness and freedom of the will with what science tells us about human nature In the course of this exposition the book highlights the important role that Darwinian thinking plays in Dennett s proposed reconciliation as well as his innovative proposals regarding the reality of our consciousness and its attributes An insightful introduction to Dennett s thought this work will prove invaluable to interested readers students and scholars alike
