Ten Essays On Civil Liberties And West Virginia:

Ten Essays on Civil Liberties and West Virginia Robert J. O'Brien, West Virginia Civil Liberties Union, 1991 The Americanization of West Virginia John C. Hennen, 2014-10-17 Local teachers and ministers extolling the virtues of hard work and loyalty to God and country Veterans groups and women's clubs promoting the military fighting radicalism and equating business and patriotism Industrial leaders gaining legal as well as moral influence over national domestic policy Such scenes might seem to be lifted from a Sinclair Lewis novel or a Contract with America publicity video But as John C Hennen shows in this piercing analysis of early twentieth century American political culture from 1916 to 1925 Americanization became the theme indeed the script not only of West Virginia but of the entire nation Hennen's interdisciplinary work examines a formative period in West Virginia's modern history that has been largely neglected beyond the traditional focus on the coal industry Hennen looks at education reform and industrial relations in the state in the context of war mobilization postwar instability and national economic expansion The First World War he says consolidated the dominant positions of professionals business people and political capitalists as arbiters of national values These leaders emerged from the war determined to make free market business principles synonymous with patriotic citizenship Americanization therefore refers less to the assimilation of immigrants into the national mainstream than to the attempt to encode values that would guarantee a literate loyal and obedient producing class To ensure that the state fulfilled its designated role as a resource zone for the perceived greater good of national strength corporate leaders employed public relations tactics that the Wilson administration had refined to gain public support for the war Alarmed by widespread labor activism and threatened by fears of communism the American Constitutional Association in West Virginia one of dozens of similar organizations nationwide articulated principles that identified the well being of business with the well being of the country With easy access to teacher training and classroom programs antiunion forces had by 1923 rolled back the wartime gains of the United Mine Workers of America Middle class voluntary organizations like the American Legion and the West Virginia Federation of Women's Clubs helped implant mandated loyalty in schoolchildren Far from being isolated during America's transformation into a world power West Virginia was squarely in the mainstream The state's people and natural resources were manipulated into serving crucial functions as producers and fuel for the postwar economy Hennen's study therefore is a study less of the power or force of ideas than of the importance of access to the means to transmit ideas The winner of the 1995 Appalachian Studies Award is a significant contribution to regional studies as well as to our understanding of American culture during and after World War I

The West Virginia School Journal, 1888 This Nest of Vipers Charles Howard McCormick, 1989 This book chronicles Luella Raab Mundel's unsuccessful attempt to regain her job and restore her reputation after she was labeled a security risk and fired from Fairmont State College during the McCarthy era Red Scare of the 1950s *The Harvard Guide to African-American History* Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute

for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America **Civil Rights Update** ,1993 **The Publishers Weekly** ,1908 *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library. Research Libraries,1979 **Slavery and the Founders** Paul Finkelman,2024-11-01 This text studies the attitudes of the founding fathers toward slavery Specifically it examines the views of Thomas Jefferson reflected in his life and writings and those of other founders as expressed in the Northwest Ordinance the Constitutional Convention and the Constitution itself and the fugitive slave legislation of the 1790s The author contends slavery fatally permeated the founding of the American republic the original constitution was as the abolitionists later maintained a covenant with death and Jefferson s anti slavery reputation is undeserved and most historians and biographers have prettified Jefferson s record on slavery
National Stockman and Farmer ,1885

Eventually, you will entirely discover a other experience and ability by spending more cash. nevertheless when? complete you take on that you require to acquire those every needs following having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will guide you to comprehend even more in relation to the globe, experience, some places, with history, amusement, and a lot more?

It is your very own grow old to take effect reviewing habit. along with guides you could enjoy now is **Ten Essays On Civil Liberties And West Virginia** below.
