Ten Modern Poets:

Ten Modern Poets Rica Brenner, 1930 *Modern Italian Poets* Jacob Blakesley, 2014-02-24 In 1948 the poet Eugenio Montale published his *Quaderno di traduzioni* and created an entirely new Italian literary genre the translation notebook The quaderni were the work of some of Italy's foremost poets and their translation anthologies proved fundamental for their aesthetic and cultural development *Modern Italian Poets* shows how the new genre shaped the poetic practice of the poet translators who worked within it including Giorgio Caproni Giovanni Giudici Edoardo Sanguineti Franco Buffoni and Nobel Prize winner Eugenio Montale displaying how the poet translators used the quaderni to hone their poetic techniques experiment with new poetic metres and develop new theories of poetics In addition to detailed analyses of the work of these five authors the book covers the development of the *quaderno di traduzioni* and its relationship to Western theories of translation such as those of Walter Benjamin and Benedetto Croce In an appendix *Modern Italian Poets* also provides the first complete list of all translations and quaderni di traduzioni published by more than 150 Italian poet translators *Broadside Series Number 1*, 1990 *Albert Wendt and Pacific Literature* Paul Sharrad, 2003-11-08 Albert Wendt is the leading writer and exponent of Pacific literature His work is consistently different in style politically challenging and ranges across essays plays poems stories and novels two of which have been filmed This book is the first full length study of his work There is an introduction to Pacific literature as a whole and Wendt's Samoan background Chapters offer readings of all Wendt's major texts in chronological sequence relating them to his essays to literary movements of the time and to key motifs from Polynesian culture There is an extensive bibliography of works by and about Wendt **Women Poets, Male Publishers** Lise Jaillant, 2025-03-17 We are often told that the women's movement of the 1960s and 1970s led to the rediscovery of forgotten women writers Without feminist presses such as Virago these women would have sunk into obscurity Thanks to Carmen Callil and other trailblazing feminist publishers a canon of women's literature emerged and living writers managed to survive and sometimes thrive in a literary marketplace that had so far been dominated by men Although obstacles remained the story is one of the triumphs over a misogynistic publishing industry a sector that had once sought to erase women writers of the past marginalise living authors and close the doors to any future legacy There are two problems with this oft repeated story First it focuses mainly on fiction rather than poetry founded in 1973 Virago did not start publishing poetry until the early 1980s Second it neglects the major role that conservative male publishers played in re-discovering women poets in post 1960s Britain With the growing influence of the Women's Liberation movement these publishers realised that there was a growing market for poetry by women At the same time the Arts Council of Great Britain started pushing for more diversity nudging its clients to make more room for women and ethnic minorities Drawing on extensive archival work and oral history interviews this open access book pushes the boundaries of a scholarship that has focused mainly on women's poetry in relation to women's presses Archival documents show the influence of the Arts Council and the

market in pushing conservative publishers towards more diversity This evolution has had long term consequences on the canon of women s poetry a canon that was largely shaped by conservative publishing houses rather than radical feminist presses

The Booklist ,1929 **Poets and the Peacock Dinner** Lucy McDiarmid,2014-11-20 On January 18 1914 seven male poets gathered to eat a peacock W B Yeats and Ezra Pound the celebrities of the group led four lesser known poets to the Sussex manor house of the man they were honouring Wilfrid Scawen Blunt the poet horse breeder Arabist and anti imperialist married to Byron s only granddaughter In this story of the curious occasion that came to be known as the peacock dinner immortalized in the famous photograph of the poets standing in a row Lucy McDiarmid creates a new kind of literary history derived from intimacies rather than isms The dinner evolved from three close literary friendships those between Pound and Yeats Yeats and Lady Gregory and Lady Gregory and Blunt whose romantic affair thirty years earlier was unknown to the others Through close readings of unpublished letters diaries memoirs and poems in an argument at all times theoretically informed McDiarmid reveals the way marriage and adultery as well as friendship offer ways of transmitting the professional culture of poetry Like the women who are absent from the photograph the poets at its edges F S Flint Richard Aldington Sturge Moore and Victor Plarr are also brought into the discussion adding interest by their very marginality This is literary history told with considerable style and brio often comically aware of the extraordinary alliances and rivalries of the seven male poets but attuned to significant issues in coterie formation literary homosociality and the development of modernist poetics from late Victorian and Georgian beginnings **Poets and the Peacock Dinner** is written with critical sophistication and a wit and lightness that never compromise on the rich texture of event and personality

Encyclopedia of the New York School Poets Terence Diggory,2015-04-22 Presents an alphabetical reference guide detailing the lives and works of poets associated with the New York Schools of the early twentieth century

Passionate Intelligence: The Poetry of Geoffrey Hill E.M. Knottenbelt,2022-07-18 **Philip Larkin** Janice Rossen,1989 The author explores Larkin s poetry novels essays and jazz criticism She shows his transition from novelist to poet tracing the symbolist aspect of his work in the depiction of nature and addressing the influence of Hardy and Yeats on his poetic style She looks at Larkin s celebration of England his exasperation over difficulties with girls and to his poetic use of coarse language in complaining about life s innumerable irritations She also discusses the fury he expresses as he contemplates death
