

Tengu Child

Marco Cascella

Tengu Child:

Tengu Child Kikuo Itaya, 1983 Western writers and a Buddhist writer like Kikuo Itaya may seem to employ similar techniques yet as John Gardner points out in his Introduction to these fifteen stories the symbolism used by the Eastern and Western writer is no more the same than wings are to respectively a butterfly and a bird The two are products of distinct evolutionary lines If we are not Buddhists Gardner asks why read the stories of Kikuo Itaya The simplest answer is that they are beautiful And while they violate many of our normal expectations these fictional meditations can prove as persuasive and liberating as the idealism of childhood The artist remains impeccably honest with his readers yet leads them as Aristotle would never allow down inexplicable twists and turns in which conflict turns out to be harmony and characters and actions we felt safe in judging as bad or good emerge in a surprising new light These meditational stories also create suspense Where will the plot lead us But the more important kind of suspense in Itaya's stories has to do with understanding One soon learns that in every story secret forces are moving and that the visible surfaces of those forces may be misleading **Giants Monsters and Dragons** Carol Rose, 2001-12-04 Contains alphabetically arranged entries that describe the imaginary creatures found in legends religions folklore oral history and theologies around the world *The Tengu's Game of Go* Lian Hearn, 2024-03-26 An epic four volume adventure in mythical medieval Japan a world of warriors and assassins demons and spirits In *The Tengu's Game of Go* the final book of Lian Hearn's epic *Tale of Shikanoko* all of which will be published in 2016 the rightful emperor is lost illness and murder give rise to suspicions and make enemies of allies Unrest rules the country Only Shika can end the madness by returning the Lotus Throne to its rightful ruler As destiny weaves its rich tapestry a compelling drama plays out against a background of wild forests elegant castles hidden temples and savage battlefields This is the medieval Japan of Lian Hearn's imagination where animal spirits clash with warriors and children navigate a landscape as serene as it is deadly Expect graphic violence fairy tale magic flights of comedy and operatic melodrama but also genuine intimacy and tragedy *Kirkus Reviews The Tale of Shikanoko Book One Emperor of the Eight Islands Book Two Autumn Princess Dragon Child Book Three Lord of the Darkwood Book Four The Tengu's Game of Go* *Short Story Index*, 1979 *Wolf Who Rules* Wen Spencer, 2006-04-01 A New Breed of Adventure Tinker just a quick witted girl from Pittsburgh who happens to be responsible for depositing high elves and her hometown humans into a melting pot of magic Now the draconian oni seek to destroy the elves by breeding human girl to do their evil bidding But half breeds who are half human may not be the slaves the oni imagined The revolt is on Its leader A certain newly minted elven princess from Pittsburgh PA by the name of Tinker The thrilling sequel to *Tinker* by Wen Spencer winner of the 2003 John W Campbell Award for Best New Writer At the publisher's request this title is sold without DRM Digital Rights Management Wit and intelligence Buffy fans should find a lot to like in Spencer's resourceful heroine *Publishers Weekly* *Snow Woman and Other Yokai Stories from Japan* Noboru Wada, 2024-04-16 An extraordinary collection of Japanese ghost stories many in English for the first time

This spine chilling anthology of 77 spooky stories from the Japanese collection *Tales from Shinshu* is compiled and edited by award winning author Noboru Wada. It features traditional tales of yokai, ghosts, mountain witches, demons, and apparitions frequently sighted in and around the mountainous Shinshu region in central Japan. The terrifying tales in this collection include *The Legend of the Snow Woman*. A beautiful woman appears at Minokichi's door one night in a snowstorm. They marry and live happily until one day her terrible secret is revealed. *Kappa Taro*, A legendary yokai terrifies villagers by luring them into a pond where they drown. *Can Suwa Yorito* famed for his strength successfully challenge this terrifying demon. *The Yamamba Witch's Daughter*. Who would ever dream of marrying a mountain witch. Can the Yamamba's daughter find the love and happiness she seeks. These stories have been passed down for generations from grandparents to their grandchildren sitting around the hearth on cold and snowy winter nights. They are well known throughout Japan and are believed by the inhabitants of Shinshu to have actually occurred in the distant past.

The Disfavored Hero Jessica Amanda

Salmonson, 2015-04-07. Forced to betray her lord, a disgraced samurai fights to regain her honor. In the fabled land of Naipon, there is no warrior more feared, no samurai more respected than the legendary Tomoe Gozen, whose twin blades can change the course of any battle. After years of service to Lord Shigeno, she is about to renew her oath of loyalty when the sky darkens and a cry of rebellion comes from the hills. Possessed by an evil wizard, the peasants are marching against their master. Tomoe holds off the wave of pitchfork-wielding farmers for as long as she can. Finally, the battle overwhelms her and the greatest samurai in Naipon falls dead. She awakes in hell on a slope lined with bloody corpses. After an eternity of fighting, she reaches the summit and finds herself in the chamber of a wizard who restores her to life. She is alive but now she must do his bidding. Her honor has been shattered but Tomoe Gozen will do whatever it takes to win it back.

Tales of Idolized Boys Sachi

Schmidt-Hori, 2021-06-30. In medieval Japan, 14th-16th centuries, it was customary for elite families to entrust their young sons to the care of renowned Buddhist priests from whom they received a premier education in Buddhist scriptures, poetry, music, and dance. When the boys reached adolescence, some underwent coming-of-age rites, others entered the priesthood, and several extended their education becoming chigo or Buddhist acolytes. Chigo served their masters as personal attendants and as sexual partners. During religious ceremonies, adorned in colorful robes, their faces made up and hair styled in long ponytails, they entertained local donors and pilgrims with music and dance. Stories of acolytes, chigo monogatari, from the fourteenth to sixteenth centuries form the basis of the present volume, an original and detailed literary analysis of six tales coupled with a thorough examination of the sociopolitical, religious, and cultural matrices that produced these texts. Sachi Schmidt-Hori begins by delineating various dimensions of chigo: the chigo title, personal names, gender, sexuality, class, politics, and religiosity, to show the complexity of this cultural construct, the chigo as a triply liminal figure who is neither male nor female, child nor adult, human nor deity. A modern reception history of chigo monogatari follows, revealing, not surprisingly, that the tales have often been interpreted through cultural paradigms rooted in historical moments and worldviews far

removed from the original From the 1950s to 1980s research on chigo was hindered by widespread homophobic prejudice More recently aversion to the age gap in historical master acolyte relations has prevented scholars from analyzing the religious and political messages underlying the genre Schmidt Hori s work calls for a shift in the hermeneutic strategies applied to chigo and chigo monogatari and puts forth both a nuanced historicization of social constructs such as gender sexuality age and agency and a mode of reading propelled by curiosity and introspection

Monsters, Animals, and Other Worlds Keller Kimbrough, Haruo Shirane, 2018-02-20 *Monsters Animals and Other Worlds* is a collection of twenty five medieval Japanese tales of border crossings and the fantastic featuring demons samurai talking animals amorous plants and journeys to supernatural realms The most comprehensive compendium of short medieval Japanese fiction in English *Monsters Animals and Other Worlds* illuminates a rich world of literary Buddhist and visual culture largely unknown today outside of Japan These stories called otogiz shi or Muromachi tales named after the Muromachi period 1337 to 1573 date from approximately the fourteenth through seventeenth centuries Often richly illustrated in a painted scroll format these vernacular stories frequently express Buddhist beliefs and provide the practical knowledge and moral education required to navigate medieval Japanese society The otogiz shi represent a major turning point in the history of Japanese literature They bring together many earlier types of narrative court tales military accounts anecdotes and stories about the divine origins of shrines and temples joining book genres with parlor arts and the culture of itinerant storytellers and performers The works presented here are organized into three thematically overlapping sections titled *Monsters Warriors and Journeys to Other Worlds Buddhist Tales and Interspecies Affairs* Each translation is prefaced by a short introduction and the book features images from the original scroll paintings illustrated manuscripts and printed books
