Tennessee Civil War Veteran Questionnaires Volume 5

Stephen Douglas Cox

Tennessee Civil War Veteran Questionnaires Volume 5:

Rambo Family Tree, Volume 5 Ronald S. Beatty, 2009-05 Peter Gunnarson Rambo son of Gunnar Petersson was born in about 1612 in Hisingen Sweden He came to America in 1640 and settled in Christiana New Sweden now Delaware He married Brita Mattsdotter 7 April 1647 They had eight children He died in 1698 His daughter Gertrude Rambo was born 19 October 1650 She married Anders Bengtsson Descendants and relatives lived mainly in Pennsylvania Delaware Virginia North Carolina and Ohio Civil War Flags of Tennessee Stephen Douglas Cox, 2024-01-12 Civil War Flags of Tennessee provides information on all known Confederate and Union flags of the state and showcases the Civil War flag collection of the Tennessee State Museum This volume is organized into three parts Part 1 includes interpretive essays by scholars such as Greg Biggs Robert B Bradley Howard Michael Madaus and Fonda Ghiardi Thomsen that address how flags were used in the Civil War their general history their makers and preservation issues among other themes Part 2 is a catalogue of Tennessee Confederate flags Part 3 is a catalogue of Tennessee Union flags The catalogues present a collection of some 200 identified extant Civil War flags and another 300 flags that are known through secondary and archival sources all of which are exhaustively documented Appendices follow the two catalogue sections and include detailed information on several Confederate and Union flags associated with the states of Mississippi North Carolina and Indiana that are also contained in the Tennessee State Museum collection Complete with nearly 300 color illustrations and meticulous notes on textiles and preservation efforts this volume is much more than an encyclopedic log of Tennessee related Civil War flags Stephen Cox and his team also weave the history behind the flags throughout the catalogues including the stories of the women who stitched them the regiments that bore them and the soldiers and bearers who served under them and carried them Civil War Flags of Tennessee is an eloquent hybrid between guidebook and chronicle and the scholar the Civil War enthusiast and the general reader will all enjoy what can be found in its pages Unprecedented in its variety and depth Cox's work fills an important historiographical void within the greater context of the American Civil War This text demonstrates the importance of Tennessee state heritage and the value of public history reminding readers that each generation has the honor and responsibility of learning from and preserving the history that has shaped us all and in doing so honoring the lives of the soldiers and civilians who sacrificed and persevered **A Journal of the American Civil War: V5-1** Theodore P. Savas, David A. Woodbury, 2021-12-31 Balanced and in depth military coverage all theaters North and South in a non partisan format with detailed notes offering meaty in depth articles original maps photos columns book reviews and indexes Collection of The Museum of the Confederacy 14th TN Infantry as seen by a sergeant 40th GA Infantry as seen by a major the Washington Artillery *Fort Donelson's Legacy* Benjamin Franklin Cooling (III), 1997 Fort Donelson's Legacy portrays the tapestry of war and society in the upper southern heartland of Tennessee and Kentucky after the key Union victories at Forts Henry and Donelson in February 1862 Those victories notes Benjamin Franklin Cooling could have delivered the decisive

blow to the Confederacy in the West and ended the war in that theater. Instead what followed was terrible devastation and bloodshed that embroiled soldier and civilian alike. Cooling compellingly describes a struggle that was marked not only by the movement of armies and the strategies of generals but also by the rise of guerrilla bands and civil resistance. It was in part a war fought for geography for rivers and railroads and for strategic cities such as Nashville, Louisville, and Chattanooga. But it was also a war for the hearts and minds of the populace. In exploring the complex terrain of total war that steadily engulfed Tennessee and Kentucky, Cooling draws on a huge array of sources including official military records and countless diaries and memoirs. He makes considerable use of the words of participants to capture the attitudes and concerns of those on both sides.

Dust jacket Masterless Men Keri Leigh Merritt, 2017-05-08 This book examines the lives of the Antebellum South's underprivileged whites in nineteenth-century America.

Lost Causes Bradley R. Clampitt, 2022-06 This groundbreaking analysis of Confederate demobilization examines the state of mind of Confederate soldiers in the immediate aftermath of war. Having survived severe psychological as well as physical trauma, they now faced the unknown as they headed back home in defeat. *Lost Causes* analyzes the interlude between soldier and veteran, suggesting that defeat and demobilization actually reinforced Confederate identity as well as public memory of the war and southern resistance to African American civil rights. Intense material shortages and images of the war's devastation confronted the defeated soldiers-turned-veterans as they returned home to a revolutionized society. Their thoughts upon homecoming turned to immediate economic survival, a radically altered relationship with freedpeople, and life under Yankee rule, all against the backdrop of fearful uncertainty. Bradley R. Clampitt argues that the experiences of returning soldiers helped establish the ideological underpinnings of the Lost Cause and create an identity based upon shared suffering and sacrifice, a pervasive commitment to white supremacy, and an aversion to Federal rule and all things northern. As *Lost Causes* reveals, most Confederate veterans remained diehard Rebels despite demobilization and the demise of the Confederate States of America.

Appalachian Journal, 1993 A regional studies review.

Rebel Salvation Kathleen Zebley Liulevicius, 2021-06-09 Winner of the Tennessee History Book Award. In *Rebel Salvation*, Kathleen Zebley Liulevicius examines pardon petitions from former Confederate soldiers and sympathizers in Tennessee to craft a unique and comprehensive analysis of the process of Reconstruction in the Volunteer State after the Civil War. These underutilized petitions contain a wealth of information about Tennesseans from an array of social and economic backgrounds and include details about many residents who would otherwise not appear in the historical record. They reveal the dynamics at work between multiple factions in the state: former Rebels, Unionists, Governor William G. Brownlow, and the U.S. Army officers responsible for ushering Tennessee back into the Union. The pardons also illuminate the reality of the politically and emotionally charged post-Civil War environment where everyone, from wealthy elites to impoverished sharecroppers who had fought, supported, or expressed sympathy for the Confederacy, was required by law to sue for pardon to reclaim certain privileges. All such requests arrived at the desk of President Andrew Johnson, who ultimately

determined which petitioners regained the right to vote hold office practice law operate a business and buy and sell land Those individuals filing petitions experienced Reconstruction in personal and profound ways Supplicants wrote and circulated their exoneration documents among loyalist neighbors friends and Union officers to obtain favorable endorsements that might persuade Brownlow and Johnson to grant pardon Former Rebels relayed narratives about the motivating factors compelling them to side with the Confederacy chronicled their actions during the war expressed repentance and pledged allegiance to the United States government and the Constitution Although not required many petitioners even sought recommendations from their former wartime foes The pardoning of former Confederates proved a collaborative process in which neighbors acquaintances and erstwhile enemies lodged formal pleas to grant or deny clemency from state and federal officials Indeed as Rebel Salvation reveals the long road to peace began here in the newly reunited communities of postwar Tennessee

Young Heroes of the Confederacy Debra West Smith,2012-10-31 The Civil War was a war unlike any other The bravery and strength the soldiers showed the determination in the direst of circumstances and the fearlessness when met with challenges never dreamed of set these dark years apart So much has been recorded about the War Between the States from the bloody battles to the steadfast generals However there were others present who are often forgotten young people who were faced with a fate they never thought they would meet when their lives were taken out of their control These children of the Confederacy soon grew accustomed to empty fields family members who never returned home and lives shortened by the hard impact of a bullet Many felt a calling to join the cause and found themselves in the same situations as their adult counterparts prisoners of war amputees spies or guides for generals only they were barely twenty years old This collection of true accounts presents the voices of those who faced the ultimate test of character and courage and until now have so rarely been heard The stories of these emerging adults provide an engrossing exploration of the Civil War in a way that is unlike any other in delivery and subject matter

Tennessee's Forgotten Warriors Christopher Losson,2002-06 This is the best book about Cheatham s brigade nearly forgotten soldiers in the ill fated Confederate Army of the Tennessee
