SULTANA TRAGEDY, THE Jerry O. Potter, 1992-02-29 Lee Surrenders President Murdered Booth Killed screamed the headlines of American newspapers in April 1865 leaving little room for mention of a maritime disaster that to this day is America's worst On April 27 1865 the Sultana a 260 foot wooden hulled steamboat smaller than the Titanic but carrying more passengers exploded on the Mississippi River near Memphis Tennessee More than 1 800 men mostly Union soldiers on their way home from Confederate prison camps died On board were over 2 400 passengers six times the ship's legal capacity Although jubilant about the war's end most of the men were weakened by malnutrition and disease from their imprisonment at Andersonville and Cahaba Hundreds who were not killed in the explosion drowned in the cold swift waters of the muddy river Because of the timing of the sinking coverage of the Sultana's demise was scant and the tragedy has passed almost unnoticed in the pages of American history In this highly documented book author Jerry Potter focuses on how greed indifference gross stupidity and criminal misconduct reaching as far as the White House led to the overloading of the Sultana at Vicksburg Such irresponsible conduct characterized the actions of President Lincoln an entire chain of army command and several profit hungry civilians This authoritative work contains abundant photographs and illustrations as well as the most complete list of the ship's passengers available *Tennessee's Experience during the First World War* Michael E. Birdwell, 2024-02-02 On the day that Archduke Franz Ferdinand heir to the Austrian throne was assassinated Tennesseans worried about the weather Carole Bucy writes Indeed the war that began in Europe in 1914 was unimaginably remote from Tennessee until it wasn't Drawing on a depth of research into a wide array of topics this vanguard collection of essays aims to conceptualize World War I through the lens of Tennessee The book begins by situating life in Tennessee within the greater context of the war in Europe recounting America's growing involvement in the Great War As the volume unfolds editor Michael E Birdwell and the contributors weave together soldier narratives politics and agribusiness African American history and present day recollections to paint a picture of Tennessee's Great War experience that is both informative and gripping An essential addition to the broader historiography of the American experience during World War I this collection of essays presents Tennessee stories that are close to home in more than just geography and lineage By relating international conflict through the eyes of Tennessee's own editor Michael E Birdwell and the contributing authors provide new opportunities for academics and general readers alike to engage with the Great War from a unique and until now untold perspective *Navy Directory* United States.
