Tennessee Williams's America Ahmed Honeini, 2025-09-11 Tennessee Williams's America is the first full length study of homes families and familial exile in the plays of Tennessee Williams The central argument of this book is that Williams's vision of American life in his plays is predicated upon challenging the traditional idea of the home and family Throughout his plays the patriarchal space of the American home and family is shown to victimize and oppress two of society's most marginalized groups women and queer people in Williams's plays the experiences of one group often mirror and intersect with those of the other From his earliest plays such as *Candles to the Sun* and *Fugitive Kind* to the masterpieces of his major phase including *Battle of Angels* *Orpheus Descending* *The Rose Tattoo* *Cat on a Hot Tin Roof* *Period of Adjustment* *Suddenly Last Summer* and *Sweet Bird of Youth* through to the much maligned but equally rich works of his late period such as *Vieux Carré* and *Something Cloudy Something Clear* Williams depicts the home as a place which restricts and suffocates those who fail to perform their expected gender role in the wider patriarchal framework of American life In its extended full length treatment of homes families and familial exiles in his theatrical output this book adds a new perspective to Williams scholarship by examining the desperate and at times futile search for love relationality and belonging that his marginalized and alienated characters frequently pursue in alternative avenues of existence

The World of Tennessee Williams Richard Freeman Leavitt, Kenneth Holditch, 2011-03 The World of Tennessee Williams offers a survey of the life and career of one of America's greatest dramatists from his birth in 1911 to his death in 1983 Richard Leavitt was in a unique position to create such a volume since he was a friend of Tennessee's and followed his career closeup Kenneth Holditch who has undertaken the task of completing the text was a friend of Leavitt's and knew Tennessee Williams It has been his desire to carry to fruition the original plan Dick Leavitt conceived in the 1970s and augmented in 1983 when Williams died
