The Biblical Doctrine Of Reconciliation:

Biblical Doctrine of Reconciliation James Denney, 2018-02-28 Reconciliation is a term of wide scope and various application and it is hardly possible to conceive a life or a religion which should dispense with it There is always some kind of strain or tension between man and his environment and man has always an interest in overcoming the strain in resolving the discord in his situation into a harmony in getting the environment to be his ally rather than his adversary The process by which his end is attained may be described as one of reconciliation but whether the reconciliation is adequate depends on whether his conception of the environment is equal to the truth Men may be very dimly and imperfectly conscious of the nature of the strain which disquiets their life and may seek to overcome it in blind and insufficient ways They may interpret it as physical in its origin when it is really ethical or as the misapprehension of a moral order when it is really antagonism to a personal God and in either case the reconciliation they seek will fail to give the peace of which they are in quest Nevertheless reconciliation and nothing else is what they want and its place in religion is central and vital From Chapter 1 The

Experimental Basis of the Doctrine

The Christian Doctrine of Reconciliation James Denney, 1918 *The Biblical Doctrine of Reconciliation* James Denney, 1985 The Doctrine of Reconciliation Arthur W. Pink, Thomas Goodwin, 2006-05

Arthur W Pink 1890 1953 launched his yearly publication *Studies in the Scriptures* in 1921 These continued until his death altogether 33 volumes of 288 pp each Most of Pink's books are taken from these yearly books written monthly in 24 page format This title is one of the many taken from eight of those monthly magazines Readers will find thorough consideration of all the facets of this Biblical Doctrine of Reconciliation Pink covers Its Arrangement Its Need Its Effectuation Its Meaning Its Scope and Its Reception There are Scriptures galore cited Undoubtedly the reader will grow rich in knowledge and in the grace of Christ The pages are full with probably 400 words to a page so buyers will get their money's worth As an example of what a master workman like Pink does note that he cites Romans 12 1 2 This verse supplies an interpretation of the rites of the Law and of the reasonable part of the O T order of things Thus he who would make a covenant with God is required to give up himself wholly unto God with a sincere and firm resolution unto a new life of obedience to Him If there is any reservation the covenant is marred in the making of it Their heart was not right with Him neither were they steadfast in His covenant Ps 78 37 Goodwin's Reconciliation by the Blood of Christ is a sermon he preached on Colossians 1 20 in which He describes the seeming impossibility of reconciling totally depraved men to a holy God Who is sufficient for such a task He proves that only Christ Jesus had the fitness to fill this role of perfect obedience to the Law together with an acceptable sacrifice to propitiate the wrath of God toward men *The Biblical Doctrine of Reconciliation* Walter Albion Squires, 1910

[A Critical History of the Christian Doctrine of Justification and Reconciliation](#) Albrecht Ritschl,1872 **Reconciliation and Justification** Kenan Osborne,2001-11-28 Reconciliation and Justification offers a thorough historical and theological background on reconciliation and justification It is an excellent textbook for theology a good stimulus for discussion and a significant contribution to all theological libraries Since Vatican II the sacrament of reconciliation has met with both successes and difficulties Author Kenan B Osborne O F M contends that one of the main reasons for difficulty with the renewal of this sacrament is that it lacks the integration of justification theology He outlines key issues on justification within the biblical theology of St Paul and traces the historical theological and liturgical developments from the first century to the present Thus Fr Osborne enriches our conception of reconciliation through these reflective christological and ecclesiological dimensions
