Sinners Tale:

Are Christians Just Saved Sinners? Ron Craig, 2012-08-30 Although my first four books deal with various controversial issues in the church today the substance of this book strikes at the very heart of some central doctrines held dear by many modern believers Just because certain beliefs have survived for centuries in church dogma and theological textbooks that is no guarantee that such doctrines are biblical I appealed to more than 900 different Scripture passages in this work to both expose those doctrinal errors and to reveal the truth regarding some essential biblical realities I do hope the reader will set aside all religious prejudices and honestly consider this straightforward presentation of what God actually says about such matters

A Tale of Two Sons John F. MacArthur, 2008-04-01

Previously published as *A Tale of Two Sons* Charles Dickens William Shakespeare Garrison Keillor They are all part of the chorus of literary geniuses who expressed admiration for The Parable of the Prodigal Son as outstanding literature After all it is a powerful drama rich in detail powerfully succinct and intensely personal But beyond the literary critiques besides being one of the most celebrated written works of all time the message of this parable is one we can't afford to ignore In The Prodigal Son John MacArthur takes the story back to its roots when Jesus' words were absolutely revolutionary As one of America's most beloved Bible teachers MacArthur leads us through the minefields of interpretation and restores the simple yet profound brilliance of this passage Giving engrossing historical background The Prodigal Son will reveal Christ's original message as intended for the Pharisees the disciples and the world today Gain an enlightening perspective into the prodigal son's story and embrace God's love anew with The Prodigal Son

The Sketch, the Tale, and the Beginnings of American Literature Lydia G. Fash, 2020-03-31 Accounts of the rise of American literature often start in the 1850s with a cluster of great American novels Hawthorne's *The Scarlet Letter* Melville's *Moby Dick* and Stowe's *Uncle Tom's Cabin* But these great works did not spring fully formed from the heads of their creators All three relied on conventions of short fiction built up during the culture of beginnings the three decades following the War of 1812 when public figures glorified the American past and called for a patriotic national literature Decentering the novel as the favored form of early nineteenth century national literature Lydia Fash repositions the sketch and the tale at the center of accounts of American literary history revealing how cultural forces shaped short fiction that was subsequently mined for these celebrated midcentury novels and for the first novel published by

an African American In the shorter works of writers such as Washington Irving Catharine Sedgwick Edgar Allan Poe and Lydia Maria Child among others the aesthetic of brevity enabled the beginning idea of a story to take the outsized importance fitted to the culture of beginnings Fash argues that these short forms with their ethnic exclusions and narrative innovations coached readers on how to think about the United States past and the nature of narrative time itself Combining history print history and literary criticism this book treats short fiction as a vital site for debate over what it meant to be American thereby offering a new account of the birth of a self consciously national literary tradition *The Church* ,1858

Final Judgement and the Dead in Medieval Jewish Thought Susan Weissman,2020-07-23 Through a detailed analysis of ghost tales in the Ashkenazi pietistic work Sefer asidim Susan Weissman documents a major transformation in Jewish attitudes and practices regarding the dead and the afterlife that took place between the rabbinic period and medieval times She reveals that a huge influx of Germano Christian beliefs customs and fears relating to the dead and the afterlife seeped into medieval Ashkenazi society among both elite and popular groups In matters of sin penance and posthumous punishment the infiltration of Christian notions was so strong as to effect a radical departure in Pietist thinking from rabbinic thought and to spur outright contradiction of talmudic principles regarding the realm of the hereafter Although it is primarily a study of the culture of a medieval Jewish enclave this book demonstrates how seminal beliefs of medieval Christendom and monastic ideals could take root in a society with contrary religious values even in the realm of doctrinal belief **Saints and Sinners on Horseback Volume 1** Miriam A. Bibby,2023-08-01 In *Saints and Sinners on Horseback Volume I* we meet saints sinners and their horses mules and donkeys on the road Whether saint sinner or simply all too human the medieval individual's connection to equids reflected relationships with other animals the rest of humanity and with the deity Knowledge of horses permeated hagiographies and homilies histories and biographies Equids were recruited in commentaries on morality and Christian duty In a world in which equids are not so readily encountered *Saints and Sinners on Horseback* informs the modern reader about the essential part played by horses in medieval life literature and belief

reader the broad historical context in which Christianity was born The Book of Genesis does not directly speak about the creation of angels but many commentators of Holy Scripture believe that in the first line of the Bible In the beginning God created the heavens and the earth the word heaven just means the invisible heavenly angelic world The angels surrounding the throne of the Lord are called in the Bible the host of heaven The same expression is also used to designate the stars burning in the firmament of heaven and by the correctness of their arrangement reminiscent of ordered ranks of troops In the Gospel of Matthew the angel is described as lightning and his clothes are white as snow and to Moses the angel appeared in the flame of a burning thorn bush Such a phenomenon could not but amaze people causing them a feeling of fear and horror after all in an angel they saw before them a completely different secret inexpressible in its greatness unknown not of this world awe inspiring God with his power And then there appeared to me two men of enormous stature such as I had never seen on earth Their faces were like a shining sun their eyes were like burning candles fire came out of their mouths their clothes and singing were different their crimson wings were brighter than gold their hands were whiter than snow Book of Enoch **The Stories of the Kingdom** George Reginald Holt Shafto,1922 The Paradise of Martyrs Thomas Cooper,1873 *The Poetical Works of Thomas Cooper* Thomas Cooper,1877 **The Cult of the Mother of God in Byzantium** Leslie Brubaker,Mary B.
