And the Rest of It #3 of the Eye-Opener Trilogy Gary Downton, 2024-07-01 This book completes the Eye Opener trilogy Whether you choose to believe the prophecies in these three books is entirely up to you This three book series is not science fiction I wrote down in general the past the future and the present as God the Holy Spirit instructed me All the prophecy fits together like a perfect giant puzzle and it all makes common sense There are no guesswork suppositions and His way of explanation always makes for positive commentary Enjoy the trilogy and let your imagination work for you as to how everything works from start to never ending It is our choice what we wish to incorporate into our mind will and emotions The universe continues to unfold
