

Sir W^m Petty.

Sir William Petty Of Romsey

Joseph Foster

Sir William Petty Of Romsey:

William Petty Ted McCormick,2009-09-17 William Petty 1623 1687 was a key figure in the English colonization of Ireland the institutionalization of experimental natural philosophy and the creation of social science Examining Petty s intellectual development and his invention of political arithmetic against the backdrop of the European scientific revolution and the political upheavals of Interregnum and Restoration England and Ireland this book provides the first comprehensive intellectual biography of Petty based on a thorough examination not only of printed sources but also of Petty s extensive archive and pattern of manuscript circulation It is also the first fully contextualized study of what political arithmetic widely seen as an ancestor of modern social and economic analysis was originally intended to do Ted McCormick traces Petty s education among French Jesuits and Dutch Cartesians his early work with the Hartlib Circle of Baconian natural philosophers inventors and reformers in England his involvement in the Cromwellian conquest and settlement of Ireland and his engagement with both science and the politics of religion in the Restoration He argues that Petty s crowning achievement political arithmetic was less a new way of analysing economy or society than a new instrument of government that applied elements of the new science a mechanical worldview a corpuscularian theory of matter and a Baconian stress on empirical method and the transformative purposes of natural philosophy to the creation of industrious and loyal populations Finally he examines the transformation Petty s program of social engineering after his death into an apparently apolitical form of statistical reasoning

The Economic Writings of Sir William Petty Sir William Petty,1964 **The Peerage, Baronetage and Knightage of the British Empire for 1882** Joseph Foster,1882 A History of Hampshire and the Isle of Wight Herbert Arthur Doubleday,William Page,1911 **Life of William, Earl of Shelburne, Afterwards First**
