Henry James,2018-08-17 Sir Dominick Ferrand Large Print Henry James This was the case with Mrs Ryves she had satisfied Mrs Bundy that she was not a simple strummer Mrs Bundy admitted to Peter Baron that for herself she had a weakness for a pretty tune and Peter could honestly reply that his ear was equally sensitive Everything would depend on the touch of their inmate Mrs Ryves s piano would blight his existence if her hand should prove heavy or her selections vulgar but if she played agreeable things and played them in an agreeable way she would render him rather a service while he smoked the pipe of form We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *Sir Dominick Ferrand* Генри Джеймс,2021-12-02 **Sir Dominick Ferrand**

James,2020-10-10 Peter Baron in his dressing gown and slippers with his hands in his pockets crept softly about the room repeating below his breath and with inflections that for his own sake he endeavoured to make humorous Three hundred three hundred His state of mind was far from hilarious for he felt poor and sore and disappointed but he wanted to prove to himself that he was gallant Includes a biography of the author *Sir Dominick Ferrand* Henry James,2021-04-11 This version of Sir Dominick Ferrand includes a biography of the author Henry James at the end of the book This includes life before and after the release of the book a down on his luck writer makes an impulsive decision to buy a secondhand desk and in its nooks and crannies he finds a cache of secret documents that contain explosive secrets that could besmirch the legacy of a prominent politician Will he leverage his findings to make an easy buck **Sir Dominick Ferrand (Esprios Classics)** Henry

James,2021-06-21 Henry James OM 1843 1916 was an Anglo American novelist He was one of the most important literary people of the late 19th century James was the son of Henry James Senior a clergyman and the brother of William James the psychologist and philosopher He grew up mostly in the United States but spent the majority of his life in England He became a British citizen in 1915 His sister Alice James was also a writer In his novels he wrote from the viewpoint of one of the characters Some literary critics compared this to impressionist painting In his own literary criticism James insisted that writers be allowed the greatest possible freedom in how they looked at the world Sir Dominick Ferrand Henry

me I'll show you what I mean This communication had reached Jersey Villas by the first post and Peter Baron had scarcely swallowed his leathery muffin before he got into motion to obey the editorial behest He knew that such precipitation looked eager and he had no desire to look eager it was not in his interest but how could he maintain a godlike calm principled though he was in favour of it the first time one of the great magazines had accepted even with a cruel reservation a specimen of his ardent young genius It was not till like a child with a sea shell at his ear he began to be aware of the great roar of the underground that in his third class carriage the cruelty of the reservation penetrated with the taste of acrid smoke to his inner sense It was really degrading to be eager in the face of having to alter Peter Baron tried to figure to himself at that moment that he was not flying to betray the extremity of his need but hurrying to fight for some of those passages of superior boldness which were exactly what the conductor of the Promiscuous Review would be sure to be down upon He made believe as if to the greasy fellow passenger opposite that he felt indignant but he saw that to the small round eye of this still more downtrodden brother he represented selfish success

Sir Dominick Ferrand Henry James, 2021-04-24 In Sir Dominick Ferrand Henry James crafts a subtle yet incisive exploration of societal norms and individual morality set against the backdrop of 19th century Europe The novella is characterized by James's signature style which deftly blends psychological insight with social commentary inviting readers to navigate the complexities of human relationships and ethical dilemmas With carefully constructed prose and a keen focus on character development James delves into the themes of ambition wealth and social standing raising questions about the cost of success and the nature of integrity Henry James an American expatriate is widely regarded as one of the foremost figures in literary modernism His experiences living in Europe and his engagement with the cultural and social dynamics of both American and European societies deeply inform his writing In creating Ferrand James likely sought to critique and analyze the moral implications of ambition and the intricate workings of human psychology reflecting his own struggles with identity and belonging For readers captivated by nuanced character studies and the intricacies of human motivations Sir Dominick Ferrand is a compelling read James's mastery of language and ability to elicit the moral undercurrents of his characters will engage those seeking to understand the personal conflicts inherent in the pursuit of social standing

The Real Thing Henry James, 1921 Sir Dominick Ferrand & The Altar of the Dead Henry James, 2020-11-24 The Altar of the Dead is a short story by Henry James first published in his collection Terminations in 1895 A fable of literally life and death significance the story explores how the protagonist tries to keep the remembrance of his dead friends to save them from being forgotten entirely in the rush of everyday events He meets a woman who shares his ideals only to find that the past places what seems to be an impassable barrier between them Although James was not religious in any conventional sense the story shows a deep spirituality in its treatment of mortality and the transcendent power of unselfish love Aging George Stransom holds sacred the memory of the great love of his life Mary Antrim who died before they could be married One day Stransom happens to read of the death of Acton Hague a former

friend who had done him a terrible harm Stransom starts to dwell on the many friends and acquaintances he is now losing to death He begins to light candles at a side altar in a Catholic church one for each of his Dead except Hague Later he notices a woman who regularly appears at the church and sits before his altar He intuitively understands that she too honours her Dead and they very gradually become friends However Stransom later discovers that her Dead number only one Acton Hague Hague had wronged her too but she has forgiven him When his friend realises Stransom's feelings about Hague she declares that she can no longer honour Hague at Stransom's altar Stransom cannot bring himself to resolve the issue by forgiving Hague and adding a candle for him This disagreement drives the two friends apart Stransom's friend ceases visiting the altar and Stransom himself can find no peace there Months later Stransom now dying visits his altar one last time Collapsing before the altar he has a vision of Mary Antrim and it seems that Mary Antrim is asking him to forgive Hague He felt his buried face grow hot as with some communicated knowledge that had the force of a reproach It suddenly made him contrast that very rapture with the bliss he had refused to another This breath of the passion immortal was all that other had asked the descent of Mary Antrim opened his spirit with a great compunctious throb for the descent of Acton Hague He turns and sees his friend who has finally become reconciled to him having decided to visit the altar to honour not her own Dead but Stransom's Stransom dying tries to tell her that he is ready to add a candle for Hague but is able only to say One more just one more The story ends with his face showing the whiteness of death Thus Stransom's last words are rendered ambiguous

The Marriages Henry James, 2019-12-02 In *The Marriages* Henry James explores the intricate dynamics of relationships and societal expectations through a lens of psychological realism and narrative complexity Set against the backdrop of late 19th century America the novella delves into the lives of its protagonists as they navigate the constraints of love duty and individuality James's masterful prose and nuanced character development reveal the often unspoken tensions that pervade marriage showcasing his signature style of blending introspection with social commentary This work is emblematic of James's broader literary context reflecting his keen awareness of contemporary social mores and the evolving nature of personal identity Henry James an American expatriate and one of the leading figures of literary modernism infused his writings with deep psychological insights and themes of transatlantic cultural exchange His own experiences in Europe and the complexities of American society significantly influenced his depiction of characters struggling with love and moral choice *The Marriages* captures the essence of James's worldview presenting a rich tableau that resonates with his exploration of consciousness and the intricacies of human connection Recommended for readers interested in the intersection of marriage social obligation and personal fulfillment *The Marriages* stands as a profound commentary on the human condition Through James's eloquent prose and intricate character analysis the novella invites contemplation on the nature of love and the sacrifices it entails making it an essential read for those intrigued by nuanced explorations of relationship dynamics [A Comprehensive Summary and Analysis of The Real Thing and Other Tales by Henry James](#) Henry James, 2025-01-02 Henry
