

The background image is a photograph of a Jerusalem street scene. In the foreground, a dark, arched stone structure, possibly a gate or a bridge, frames the view. Beyond the arch, a narrow street leads towards a large, historic building with a prominent dome and a cross on top, likely the Church of the Holy Sepulchre. The building is constructed from light-colored stone and has multiple windows. The sky is a pale, hazy blue.

## **Six New Testament Walks In Jerusalem:**

**Six New Testament Walks in Jerusalem** I. Martin, 1986      *A Brief Walk through the Books of the Old Testament* Tony Smith, 2022-11-03 The Old Testament is a formidable book a historic journey moving from creation through the time of Noah and the flood to Abraham and his descendants Moses and the children of Israel high priests judges kings and the spoken words of God through the prophets In my studies of the books of the Old Testament I find that God's purpose and revelations are obscured with pages and pages of detail that makes for cumbersome reading and a somewhat distant grasp of its inspirations I wrote this book to summarize the main points from Genesis to Malachi and to provide the historical elements such as dates to tie the story to historical settings and events I have also pointed out along the way the presence of Christ and the Holy Spirit in these Old Testament writings Most of the books of the Old Testament are prophetic There were approximately eight hundred prophecies in the Old Testament and a large portion approximately six hundred have been fulfilled There is not a single biblical prophecy that pertains to a time that has now passed that is not fulfilled My goal is for this writing to serve as an easy and comfortable format for the reader to get to know God who we are to Him why we are here and to discover His wonderful pathway leading to eternal life I want to reach those who are led to the Word of God and upon opening up a Bible and reading a few pages become discouraged by its vastness and disconnect of such long ago times The Old Testament truly has a long but remarkable timeline of history and I have endeavored to tie its writings accordingly in a brief walk through these inspired books of the Word of God      The Daily Walk Bible NLT (Softcover, Filament Enabled) Tyndale, 2024-10-08 Your Friendly Guide to Reading through the Bible Are you looking to read through the entire Bible in a year but don't know where to start Well you're not alone A lot of people set out to read the Bible full of enthusiasm and with the best of intentions then they hit Leviticus Let's face it the Bible is a huge book and it's not always easy to figure out how all the people and stories fit together or to understand how something written so long ago applies to your life today But here's the exciting part The Daily Walk Bible is your friendly guide It takes you through the Bible one day at a time in easy bite size readings Each day you'll explore a little more of God's story through both Scripture itself and an accompanying daily devotional reading Every seven days you'll pause for some guided reflection It's that simple Elevate Your Bible Study with the Filament App Absolutely Free Unlock a world of knowledge and inspiration right at your fingertips The Filament Bible app is your gateway to a deeper more enriching Bible study experience Seamlessly connect every page of your NLT Bible to a treasure trove of resources including 25 000 study notes by more than 40 scholars offering a deeper understanding of what you're reading 350 videos to captivate you as you unpack key information about the background and meaning of the Bible 40 maps and infographics explaining the geography and cultural background of the Bible 400 profiles and articles revealing the people and stories behind the verses enriching your connection with the text 1 500 devotions providing daily inspiration and numerous opportunities for reflection audio Bibles to immerse you in God's Word anytime and anywhere a library of worship
