not a gourmand's book of overindulgence but a slow savouring of the food that has nourished the author's imagination and taste over a lifetime. The son of a baker, Julian Roup grew up in South Africa with two powerful food cultures: his mother's French-Dutch-Norwegian heritage and his father's Eastern European Jewish food tradition. The mix provided him with sophisticated and discerning taste buds from the earliest age. His journeys around South Africa, Mozambique, and Angola provide tales of adventurous travel well stocked with interesting food. Emigrating to the UK in 1980, he discovered a whole new world of tastes in Europe as he ventured into his new continent from Greece to Portugal, Spain to France and Italy, with visits to America's West Coast as well. He is as interested in the taste of bread as he is in cordon bleu. Roup is best known for his books on the environment, horse riding, fishing, and politics, but now he invites you to join him on his trail out of Africa to Europe and America with all the colour and tastes of the places he fell in love with. This is a book that will feed your appetite to break bread and to take to the road once more in search of the best the good earth offers us. **The F.A.S.T. Diet**

(Families Always Succeed Together) Tony Dean, 2008-02-12. Every member of the Dean family was overweight and out of shape. Within twelve months, Tony Dean, his parents, and his five brothers and sisters had lost more than 500 pounds. And they did it without pills, special foods, counting points, or buying any special equipment. They had all tried to lose weight before, but despite the occasional small success, the weight loss was always temporary. So how did this ordinary family manage to overcome a lifetime of weight problems to achieve such remarkable results? They did it together, following the F.A.S.T. Families Always Succeed Together diet, a program Tony created that encouraged everyone to eat better, exercise more, and hold themselves accountable for maintaining their individual health while encouraging others in the family to stick to their own diet and exercise regimen. And it worked. The Deans are in the best shape of their lives, slimmer and healthier than ever before, and they plan to stay that way. In *The F.A.S.T. Diet*, Tony Dean shows you how to create your own team of friends, coworkers, or anyone interested in losing weight, and harness the power of teamwork and accountability to help you succeed. *The F.A.S.T. Diet* will show you how to eat the foods you want and still lose weight. Host weekly weigh-ins to maximize your loss potential. Motivate yourself to go to the gym even when you don't want to. Use the support of your team to get you through the tough days. In just one year, the Deans transformed their health and their future. In *The F.A.S.T. Diet*, Tony shares everything they learned, and everything you will need to transform your life once and for all. We did it. You can too. *The Publishers Weekly*, 1983. **The EatingWell® Diet**
