Soviet Military Doctrine, 1960 to the Present Alfred L. Monks, 1984-01-01 **Soviet Nuclear Weapons Policy** William C. Green, 2019-07-11 This research guide is intended primarily for two groups of specialists The first consists of Sovietologists interested in acquiring a more complete knowledge of Soviet strategic and military policy The second includes strategic analysts interested in expanding their expertise to cover Soviet strategy and thinking However it was assembled so as to be useful as well for non specialists interested in investigating Soviet nuclear weapons policy Transformation in Russian and Soviet military history , *Professional Journal of the United States Army* ,1988 The Defense Policies of Nations Douglas J. Murray, Paul R. Viotti, 1994 Now in its third edition The Defense Policies of Nations has been thoroughly updated to take into account the dramatic developments of recent years the dissolution of the Soviet Union the resurgence of East Asian powers the emergence of newly independent nations in Eastern Europe the continuing instability of the Middle East and the growing importance of third world nations in global security matters For those dealing with national defense issues on a daily basis or even for those interested in the subject because of its current relevance The Defense Policy of Nations is must reading Gen Theodore J Conway Military Review American Academy of Political and Social Science

Military Review ,1988 **The Armed Forces Of The Ussr** Harriet Fast Scott, William F. Scott, 2019-07-16 This up to date analysis of the development and organization of the Soviet Armed Forces provides a profound insight into the military thinking that has determined the course of Soviet military history from the birth of the first Communist armed forces organization to the present The eminent authors of this book have drawn on thousands of Soviet Ministry of Defense publications only a very few of which have been translated into English and four years of research in the USSR to portray the fundamentals of Soviet military doctrine and strategy They cover fully the postwar development of the Soviet military looking at the High Command each of the five services combat formations and supporting agencies and give a comprehensive account of the Soviet military industrial complex military training of Soviet youth military manpower mobilization and the Soviet officer corps Their discussion of the relationship between the Party and the Armed Forces based on Soviet data includes an examination of popular Western myths about internal Soviet military Party splits The wealth of detailed information contained in this book includes numerous notes tables and figures and a broad range of other data all based exclusively on primary sources as well as an extensive bibliography **Review of Current Military Literature** ,1988

Soviet Military Thinking Derek Leebaert, 2021-01-26 This book first published in 1981 examines the influences affecting Soviet military thinking planning and theory in the later Cold War It offers for the first time an insight into the range of premises and calculations surrounding the Soviet conception of power and makes the connection between Soviet studies and military strategy a link often missed in the West It discusses comparative doctrines cultural differences arms control and specific security challenges between East and West **Soviet Military Doctrine** Harriet Fast Scott, William F.

Scott,2019-06-21 The purpose of this book is to document from basic Soviet sources the development of Soviet military doctrine and its impact upon the Soviet Armed Forces Soviet military doctrine is defined as the military policy of the Communist Party In one way or another this policy affects the lives of all of us as a possible threat to free institutions and political processes as well as to our economic life and well being Generally we approach Soviet military policy in terms of military balances and weapons comparisons in the number of men under arms the speed of aircraft of the Soviet bloc versus that of NATO aircraft the number of ballistic missiles and their throw weights Studying such balances is of critical importance in defining to some degree existing forces But it is only through a deep and thorough study of the military policy of the Communist Party which translates directly into military doctrine that we can obtain the background that might aid in negotiating with the Soviets on arms control matters or in making decisions that will enable those nations outside of the Soviet bloc to deter future Kremlin military moves
