Soviet System From Crisis To Collapse:

The Fall of Soviet Communism, 1986-1991 Jeremy Smith, 2017-03-16 The fall of communism and the break up of the Soviet Union into 15 independent states in December 1991 was one of the most significant events of the 20th century In the last years of Soviet rule images of mass protests on the streets of Moscow Tbilisi and Vilnius bloodshed in Baku striking miners Mikhail Gorbachev wooing the West and Boris Yeltsin defiantly mounting a tank in front of the White House building in Moscow shattered all of the old certainties about the seemingly unbreakable communist system Gorbachev and Yeltsin were the dominant figures in this process but non Russian national movements workers intellectuals and international developments all had roles to play Jeremy Smith presents the dramatic events of 1985 91 in a clear and succinct form setting out a variety of interpretations for the demise of communism in the Soviet Union and suggesting new approaches to answering the unresolved question of why it happened Smith discusses the long term and short term factors behind the extraordinary collapse assessing the impact of economic crisis nationalism personalities and democratization in the process

The End of Empires Michael Gehler, Robert Rollinger, Philipp Strobl, 2022-11-21 The articles of this comprehensive edited volume offer a multidisciplinary global and comparative approach to the history of empires They analyze their ends over a long spectrum of humankind s history ranging from Ancient History through Modern Times As the main guiding question every author of this volume scrutinizes the reasons for the decline the erosion and the implosion of individual empires All contributions locate and highlight different factors that triggered or at least supported the ending or the implosion of empires This overall question makes all the contributions to this volume comparable and allows to detect similarities differences as well as inconsistencies of historical processes

Problems of Democratic Transition and Consolidation

Juan J. Linz, Alfred Stepan, 1996-08-16 5 Actors and contexts *The Ideological Origins of Great Power Politics, 1789-1989*

Mark L. Haas, 2007-10-22 How do leaders perceive threat levels in world politics and what effects do those perceptions have on policy choices Mark L Haas focuses on how ideology shapes perception Degree of ideological difference is he believes the crucial factor as leaders decide which nations threaten and which bolster their state s security and their own domestic power These threat perceptions will in turn impel leaders to make particular foreign policy choices Haas examines great power relations in five periods the 1790s in Europe Sino Soviet relations from 1949 to 1960 and the end of the Cold War Book cover

Collapsed empires José M. Faraldo, 2020-01-01 The Russian Revolution of 1917 born of the collapses of the War exerted its influence all along the globe and for a long time In Europe and the Mediterranean world the effects of World War I were overwhelming Taking as point of departure the year of the Russian revolutions this book focus on the consequences of the imperial and state collapses after 1917 in spatial and chronological dialogue researching the changing of institutions that created narratives and representations of national memories exploring the nationalist movements that shaped the new countries and describing the communist activists that helped to transform the old world within the framework of a tragedy of

terrible dimensions Jos M Faraldo is Associate Professor in the Department of Modern and Contemporary History of the Universidad Complutense de Madrid

A History Of Russia Volume 2 Walter G. Moss,2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world

Russia's International Relations in the Twentieth Century Alastair Kocho-Williams,2013-01-04 Russia has long been a major player in the international relations arena but only by examining the whole century can Russian foreign policy be properly understood and the key questions as to the impact of war of revolution of collapse the emergence of the Cold War and Russia s post Soviet development be addressed Surveying the whole of the twentieth century in an accessible and clear manner Russia s International Relations in the Twentieth Century provides an overview and narrative with analysis that will serve as an introduction and resource for students of Russian foreign policy in the period and those who seek to understand the development of modern Russia in an international context The volume includes an analysis of the major themes which surrounded Russia s position in world affairs as one of the European Great Powers before the First World War the impact of Revolution and the emergence of Soviet foreign policy with its dual aims of normalization and world revolution the changes wrought to the international order by the rise of Nazi Germany and by the Second World War the origins and development of the Cold War the end of the Cold War and the Soviet collapse how Russia has rebuilt itself as an international power in the post Soviet era An essential resource for students of Russian history and International policy
