Soviet Union And Egypt 1945 1955:

The Soviet Union and Egypt, 1945-1955 Rami Ginat, 2022-12-28 The Soviet Union and Egypt first published in 1993 sheds new light on Soviet policy towards the Middle East after 1945 It seeks to uncover and analyse the events leading to the eventual domination of Egypt and other Arab countries by the Soviet Union Soviet penetration into the region can only be understood by tracing the roots and motives of Soviet policy after the Second World War The strengthening of Soviet influence resulted from a process of gradual political and ideological development in Egypt Special attention is drawn to domestic and foreign developments in both countries and the book makes extensive use of recently declassified documents and primary sources *Routledge Library Editions: Soviet Foreign Policy* VARIOUS., 2022-12 Routledge Library Editions

Soviet Foreign Policy examines among other areas the shifting relationships between the USSR and the democratic West the Soviet domination of Eastern Europe Soviet foreign policy goals in regions such as South America the Middle East South Asia and the Pacific

Egypt's Incomplete Revolution Rami Ginat, 2013-04-03 The importance of Lutfi al Khuli and the intellectual circle associated with the Nasserist regime is examined here Rami Ginat looks at al Khuli's contribution to the short lived yet formidable success of Arab socialism *The American Bibliography of Slavic and East European Studies* Patt

Leonard, Rebecca Routh, 2020-02-27 This bibliography first published in 1957 provides citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by discipline it covers the arts humanities social sciences life sciences and technology *Israel and the Palestinian Refugee Issue* Jacob

Tovy, 2014-03-05 Examining the development of Israel's policy toward the Palestinian refugee issue this book spans the period following the first Arab Israeli War until the mid 1950s when the basic principles of Israel's policy were finalized Israel and the Palestinian Refugee Issue outlines and analyzes the various aspects that together created the mosaic of the refugee problem with which Israel has since had to contend These aspects include issues of repatriation resettlement compensation blocked bank accounts internal refugees and family reunification Drawing on extensive archival research this book uses documents from Israeli government meetings from the Foreign Affairs and Defense Committee and files from the office of the Prime Minister's advisor on Arab affairs to address the many diverse aspects of this topic and will be essential reading for academics and researchers with an interest in Israel the Middle East and political science more broadly

Understanding the Volatile and Dangerous Middle East Steven Carol, 2019-09-26 The Middle East can be bewildering which is why we need to connect the dots that pull together the political economic diplomatic military cultural and religious pieces of the puzzle Professor Steven Carol slashes through the confusion with a topical approach focusing on key issues such as the geographic features of the Middle East demographics of the region the influence of Islam political processes shifting alliances war in the region and the need for security He also takes a careful look at perpetual negotiations attempts to secure peace and the role that the media play in how we view the region His goal to clarify the confusing nature of Middle

East affairs and to combat the mistaken beliefs misrepresentations and outright fabrications about the region In a bid to reclaim the truth he shares basic principles relying on factual supporting evidence to prove their validity Seventy eight maps and numerous tables make understanding complex topics easier Whether you re a student educator bureaucrat or politician you ll find insights based on facts in *Understanding the Volatile and Dangerous Middle East Syria and the Doctrine of Arab Neutralism* Rami Ginat,2010-02-03 This book examines the modern history of post mandatory Syria The evolution of the Syrian ideology and policy of neutralism since the early stages of the Cold War is explained and the effects that Arab neutralism had on shaping Syria s foreign policy and the shaping of its national identity are identified The phenomenon of Arab neutralism has never before been comprehensively investigated The prevailing belief is that the formulation and realisation of the policy of anti alignment began only during Nasser s first years in power in Egypt However the author demonstrates that the roots of neutralism were already sown in Arab soil in the early 1940s and that successive Syrian governments carved out this policy during the final stages of World War II A core issue in the analysis is the dynamic between ideology and policy A conceptual framework is developed to explain the various patterns of neutralism that emerged and the complex of relationships between features exhibited by Syria the Arab world and the Third World The book makes extensive use of newly declassified material gleaned from archives in India the former USSR Poland Britain the United States and Israel primary sources studied and interpreted in the original Arabic are also widely utilised

My Struggle for Peace, Volume 3 (1956) Moshe Sharett,2019-03-19 The third volume of the former Israeli prime minister s journals from the nation s early years *My Struggle for Peace* is a remarkable political document offering insights into the complex workings of the young Israeli political system set against the backdrop of the disintegration of the country s fragile armistice with the Arab states Replete with Moshe Sharett s candid comments on Israel s first generation leaders and world statesmen of the day the diary also tells the dramatic human story of a political career cut short the removal of an unusually sensitive dedicated and talented public servant *My Struggle for Peace* is above all an intimate record of the decline of Sharett s moderate approach and the rise of more activist militant trends in Israeli society culminating in the Suez Sinai war of 1956 The diary challenges the popular narrative that Israel s confrontation with its neighbors was unavoidable by offering daily evidence of Sharett s statesmanship moderation diplomacy and concern for Israel s place in international affairs This is the third volume in the 3 volume English abridgement of Sharett s Yoman Ishi Personal diary Ma ariv 1978 maintains the integrity flavor and impact of the 8 volume Hebrew original and includes additional documentary material that was not accessible at the time The volumes are also available to purchase as a set or individually The editors vastly improved on the Hebrew version by adding Sharett s speeches reports cabinet minutes and other sources to the text These additions makes this work so important and welcome by all who aspire to understand the foreign and defense policies of Israel in its first decade *Israel Studies Review*

Nasser's Gamble Jesse Ferris,2013 Nasser s Gamble draws on declassified documents

from six countries and original material in Arabic German Hebrew and Russian to present a new understanding of Egypt's disastrous five year intervention in Yemen which Egyptian president Gamal Abdel Nasser later referred to as my Vietnam Jesse Ferris argues that Nasser's attempt to export the Egyptian revolution to Yemen played a decisive role in destabilizing Egypt's relations with the Cold War powers tarnishing its image in the Arab world ruining its economy and driving its rulers to instigate the fatal series of missteps that led to war with Israel in 1967 Viewing the Six Day War as an unintended consequence of the Saudi Egyptian struggle over Yemen Ferris demonstrates that the most important Cold War conflict in the Middle East was not the clash between Israel and its neighbors It was the inter Arab struggle between monarchies and republics over power and legitimacy Egypt's defeat in the Arab Cold War set the stage for the rise of Saudi Arabia and political Islam Bold and provocative Nasser's Gamble brings to life a critical phase in the modern history of the Middle East Its compelling analysis of Egypt's fall from power in the 1960s offers new insights into the decline of Arab nationalism exposing the deep historical roots of the Arab Spring of 2011 **Parameters** ,1994
