In the Golden Land Rita J. Simon, 1997-03-25 From 1870 to 1900 over a half million Russian Jews came to the United States Russian Jewish emigration had ceased by the 1920s due to the effects of the First World War the Bolshevik Revolution and the Quota Acts but a century later Jews from the former Soviet Union began to emigrate in large numbers This detailed account describes the motivations of Russian and Soviet Jews for leaving their homeland and their subsequent adjustments to life in the United States Simon a sociologist provides insight into who these Jewish immigrants were and are what they accomplished and how they have been viewed

Struggle for Soviet Jewry in American Politics examines the conflict between the Israeli government and the organized American Jewish community over the final destination of Soviet Jewish migrants between 1967 and 1989. A generation after the Holocaust, a battle surrounded the thousands of Soviet Jewish migrants fleeing persecution by choosing to resettle in the United States instead of Israel. Exploring the changing ethnic identity and politics of the United States, Fred A. Lazin engages history, ethical dilemma, and diplomacy to uncover the events surrounding this conflict. This book is essential reading for students and scholars of public policy, immigration studies, and Jewish history.

Jewish Americans and Political Participation Rafael Medoff, 2002-08-29. This handbook addresses how the Jewish American community emerged from obscurity to play a role in behind-the-scenes power politics and finally appeared center stage. Jewish Americans and Political Participation explores the rise of the Jewish people from hardscrabble immigrants to the highest echelons of political power. The book provides an overview of American Jewish life, including the impact of immigration, domestic antisemitism, the Holocaust, and U.S.-Israel relations. A chapter is devoted to protest politics, covering such events as President Grant's Order 11, expulsion edicts, tenants and shirtwaist makers strikes, the 1943 rabbis' march on Washington, and Jewish responses to the Rosenberg case. The book also covers participation in social movements such as abolition, Jewish defense organizations, and the New Left. A chapter is devoted to Jewish participation in electoral politics, from Jewish interest in early socialism to Jewish advisers and the emergence of Jewish conservatism. There are also biographies of Jewish American officials and political officeholders.

American Christians and the National Interreligious Task Force on Soviet Jewry Fred A. Lazin, 2019-08-07. This study provides the first in-depth examination of the role and influence of American Christians in the advocacy efforts for Soviet Jewry during the 1970s and 1980s. It explores how American Catholics and Protestants engaged with American Jews to campaign for the emigration of Soviet Jews and to end the cultural and religious discrimination against them. The book presents a case study of the National Interreligious Task Force on Soviet Jewry from its inception to its closure in order to better understand the complexities of the politics of interreligious affairs during this period. At the heart of the story is Sister Ann Gillen of the Society of the Holy Child Jesus, who directed the Chicago-based task force under the auspices of the American Jewish Committee. The author provides a comprehensive look at task force activities, programs, and relationships, notes its ties to the civil rights movement, and offers an in-depth analysis of its participation and role in the global arena. American political, religious, and ethnic leaders play prominent roles in this story, along with the national media and countless religious and community groups across the United States. The relationship between American Jews and Israel is a factor of fundamental significance as well and plays a critical role in the development of the Task Force. This close-up analysis of the task force is based on extensive archival research and interviews with key players in its history.
